*European Political Facts of the Twentieth Century* C. Cook, J. Paxton, 2000-11-21 This new edition of the well established European Political Facts provides a wide ranging and comprehensive work of reference on Europe in the twentieth century There are sections on heads of state and ministers elections political parties constitutions wars and treaties among many others The end result provides an invaluable compendium for students academics journalists and researchers Recent events from developments in the European Union to conflicts in the Balkans receive full attention This latest edition of a pioneering reference work first published twenty five years ago is an indispensable acquisition for all those studying twentieth century Europe

The Statesman's Year-Book 1978-79 J. Paxton, 2016-12-26 The classic reference work that provides annually updated information on the countries of the world

*Presidential Institutions and Democratic Politics* Kurt von Mettenheim, 1997 While many comparative analysts see parliamentary government as essential for stable democracy this volume argues that the American presidential system that separates and diffuses power can provide new perspectives for those building democratic institutions in Latin America Eastern Europe and the new republics of the former Soviet Union The authors recognize risks of rigidity gridlock and excessive centralization in presidential institutions But they also emphasize the unexpected levels of legislative productivity during periods of divided government the dramatic reversal of declining popularity by Presidents Reagan and Clinton and the importance of direct appeals by presidents to the nation After examining the American presidential system the authors focus on the de facto separation of powers in European parliaments and presidentialism in France Latin America and Eastern Europe Both trends in European parliamentary systems and the dramatic changes within French presidential institutions suggest that scholars should temper broad generalizations about presidential or parliamentary government
