## **European Union A Political Sociology:**

**The European Union** Chris Rumford, 2008-04-15 The European Union is the first full length treatment of European integration from a sociological perspective It redirects the core concerns of political sociology away from nationally bounded societies towards a sociology beyond societies capable of making a valuable contribution to thinking about the nature and problems of the European Union Within this broad objective the book concerns itself with such key issues as the relation between the EU and globalization the nature of the EU state and the question of whether a European society can be said to exist Students scholars and sociologists interested in the history development and legacies of the European Union will find this to be a unique and informative text A Political Sociology of the European Union Jay Rowell, Michael

Mangenot, 2011-02-15 The study of the European Union has historically been a theoretical battleground Since the 1990s new theoretical directions such as neo institutionalism multi level governance and constructivism have provided a new impetus However despite these new inroads empirical work has often remained sociologically and empirically underspecified This volume seeks to bridge the gap between theory and fieldwork by developing an actor centered political sociology In doing so the volume engages in a critical dialogue with the constructivist framework and proposes to build on its insights through a sociological hardening centered on European actors The renewal of European studies through political sociology is only useful if it generates new understandings through empirical observation This volume seeks to take a new tack on constructivism by asking what it is that Europe constructs by looking at three areas social spaces and professions policy problems and policies and policy instruments such as the Eurobarometer Toward a Reflexive Political Sociology of the European Union Niilo Kauppi, 2018-01-17 This book argues that contemporary European politics creates new forms of

transnational power that challenge the traditional parameters of the nation state Kauppi identifies and critically explores the evolving dynamics between national and transnational spaces groups and knowledge and suggests that European public policies and transnational institutions like the European Parliament create new spaces types of knowledge and novel political practices Toward a Reflexive Political Sociology of the European Union is structured around three parts The first focuses on evolving transnational fields The second explores the changing role of academics and universities The third section engages with the works of Pierre Bourdieu on politics and the media The issues discussed throughout the book revolve around the challenges to the nation state and of knowledge production that is tied to it This book will be an invaluable resource to academics and researchers interested in European politics European Union studies and political sociology Sociology of the European Union Adrian Favell, Virginie Guiraudon, 2017-09-16 Sociology of the European Union examines how core sociological theories concepts and methods can be applied to the study of the EU Carefully integrating theory and empirical research the book Explores key concepts in European studies such as Europeanization integration and transnationalism Assesses the social foundations of Europe from class and citizenship to mobility and culture Includes contributions by

internationally renowned names in political economic and cultural sociology Contains a postface from George Ross one of the leading figures in contemporary European Studies This thought provoking book opens up new questions and debates whilst introducing readers to essential ideas and cutting edge research It is invaluable reading for students of Sociology European Studies Politics and International Relations      **Political Sociology European Union** Jay Rowell, Michel Mangenot, 2016 Based on a critical appraisal of the constructivist approach in European studies this volume introduces a new political sociology approach focused on actors      **A Sociology of Knowledge of European Integration** Rebecca Adler-Nissen, Kristoffer Kropp, 2017-10-02 This book addresses the important but understudied question of how social scientific knowledge is entangled in the process of European integration More specifically it provides the first systematic introduction to a sociology of knowledge approach to European integration and demonstrates the value of such an approach through empirical illustrations Drawing on new research in the intersection of sociology of knowledge and political sociology the book is the first to analyse the entanglement of social scientific knowledge and the development of the EU The book provides the first systematic mapping of the relations between social scientific knowledge and particular aspects of European integration such as the Euro and monetary governance constitution and treaty negotiation education policy enlargement and external relations The book imports key ideas from the sociology of knowledge sociology of science and political sociology to cast new light on the field of EU studies and its relation to the EU The result is a fresh account of European integration shaped in often surprising ways by relatively small groups of people and their particular ideas about economy law culture and politics This book was published as a special issue of the Journal of European Integration      **Europeanizing Civil Society** Rosa Sanchez Salgado, 2014-11-04 The European Union clearly matters for Civil Society Organizations CSOs EU officials and European political entrepreneurs has been crucial in the promotion of funding and access opportunities but they have been proven to have little capacity to use CSOs for their own purposes      **A Political Sociology of Transnational Europe** Niilo Kauppi, 2024-08-22 Globalisation and complex Europeanisation are two significant challenges currently influencing the restructure of the European nation state and redefining political power For this volume first rate European scholars look at the consequences of these and other challenges faced by European societies Contributions revisit traditional objects of political science state sovereignty civil society and citizenship mixing sophisticated empirical analyses with methodological and conceptual innovations including field theory multiple correspondence analysis and the study of space sets Combining qualitative and quantitative research techniques and macro and micro levels chapters have in common a contextual analysis of politics through scrutiny of configurations of groups representations and perceptions A transnational perspective is the common thread linking every study in this volume which seeks to avoid methodological nationalism      **The Political Attitudes of Divided European Citizens** Christian Lahusen, 2020-11-02 The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9781003046653> has been made available under a Creative Commons Attribution Non

Commercial No Derivatives 4.0 license This book unveils the significant impact of the European integration process on the political thinking of European citizens With close attention to the interrelation between social and political divisions it shows that an integrated Europe promotes consensus but also propagates growing dissent among its citizens with both objective inequalities and the subjective perception of these inequalities fuelling political dissent Based on original data sets developed from two EU funded projects across eight and nine European countries the volume demonstrates the important role played by the social structure of European social space in conditioning political attitudes and preferences It shows in particular that Europeans are highly sensitive to unequal living conditions between European countries thus affecting their political support of national politics and the European Union As such it will appeal to scholars of sociology and politics with interests in Europe and the European Union European integration and political sociology The European Union and the Paradox of Enlargement Tatjana Sekulić, 2020-05-26 This book sheds light on the contradictions underlying the European Union enlargement process specifically to the Western Balkans challenging the common assumption that the integration of an extended European space might be possible without mutual transformation of the institutions and agencies involved Sekulić maps the institutional dimension of the accession process and analyses how the conditionality principle shapes and constrains the space for negotiation within the EU Combining ethnographic research with the discourse analysis of the European Commission's reports and documents from 2008 to 2019 concerning the Western Balkan countries the book also explores the perceptions and agency of the individuals involved in this process The European Union and the Paradox of Enlargement will be of interest to students and scholars of European integration the sociology of Europe and the EU and Eastern European and Western Balkan studies Political Sociology Perspectives on Lobbying in the EU Cécile Robert, Willy Beauvallet, 2025-03-26 This book examines lobbying in the European Union the practices and social trajectories of interest representatives working in Brussels Lobbying now occupies a central place in the government of the European Union and is also at the heart of European politics as shown by the recent Qatargate scandal The subject of lobbying has a long history in political science and lobbying the European Union has been the subject of now classic works and specialist journals testifying to the great success of this subject However most of this work have left aside the question of the professional identity trajectories and social properties of the actors who work on a daily basis in the coproduction of European public action Indeed few works have been yet devoted to analysing their concrete practices Despite the fact that over 12 000 organisations are now on the European Transparency Register declaring increasing annual lobbying budgets we still know very little about those who carry out this activity **European Integration, Processes of Change and the National Experience** S. Börner, M. Eig Müller, 2015-06-02 In order to better understand processes of European integration this book offers a new perspective that compares past experiences of change to current transitional moments at the European level It addresses key questions about European society EU integration and social change to reveal the social construction of emergent polities and

societies      **The European Union's Eastern Neighbourhood Today** Valentin Naumescu, Dan Dungaciu, 2015 This book arrives at a very significant time throughout Europe Not only is the European Union currently facing a prolonged economic and social crisis with nascent political consequences such as the ascension of populist parties in the 2014 European elections but also its Eastern neighbourhood is confronted with the growing hostility of an assertive Russia opposing any new advance of the West towards its frontiers Bringing together experts in fields such as international relations political science political sociology diplomacy security studies and European studies with robust academic and professional backgrounds and expertise with regard to the region this volume explores this significant window of opportunity and will undoubtedly appeal to a global audience The considerable diversity of approaches and styles here allows a multidimensional diagnosis and analysis of present day Eastern Europe This volume defines a series of major regional opportunities vulnerabilities and dilemmas and explores the complex perspectives of the new Eastern Europe located between the European Union and Russia under its current name of the EU's Eastern Neighbourhood along with the tensions and challenges of a possible second Cold War

**The Politicisation of Social Europe** Francesco Corti, 2022-01-28 While for some scholars the Euro crisis dashed the dream of Social Europe this thought provoking book proposes a more nuanced assessment challenging the notion of austerity as the only way forward Tracing the evolution of the political debate on European social integration and its interplay with the European economic governance after the Euro crisis it sheds light on the conflict dynamics and political conditions that enabled the progressive shift away from the initial post crisis EU conservative reflex towards a new European holding environment for flourishing welfare states This timely book provides a detailed reconstruction of the European social agenda after the Great Recession touching upon budgetary legislative and coordinative policies and including an in depth analysis of the EU response to the Covid 19 crisis Utilising innovative approaches and methodology Francesco Corti identifies four lines of functional and territorial conflict which characterise the debate on EU social integration An original focus on the role of the European Parliament in fostering further social integration gives the book an original and insightful perspective The Politicisation of Social Europe will be a key resource for students and scholars of European politics political sociology and welfare states as well as EU officials and policy makers seeking to identify strategies that can facilitate them in pursuing a successful social agenda      The Elgar Companion to the European Union Samuel B.H. Faure, Christian Lequesne, 2023-01-20

Constituting a major contribution to literature on the EU this comprehensive Companion analyses the structure and value of the EU capturing the normality of its politics alongside crises and political breakdown      **Policy Design in the European Union** Risto Heiskala, Jari Aro, 2018-01-24 This edited collection addresses a paradox at the heart of the European Union if it is a constantly enlarging empire of governance how can almost thirty member states design policies as an administrative whole whilst narrowly approaching all political issues from one economic point of view The contributors to this collection approach this by studying knowledge production policy formation and policy implementation in the union The topics covered

include the history of the union its nature as an empire in the making compared to historical successors as well as current USA and China formation of union level statistical data and policy documents paradoxes of fiscal governance social innovation policy youth and education policy energy policy and foreign policy with particular regard to Russia The concluding chapter outlines five alternative future scenarios for the union extending from collapse and marginalization to the emergence of a federal empire The book is essential reading for anybody interested in the EU including students and scholars across a range of disciplines including sociology political science international relations economics management studies public and social policy science and technology studies and environmental policy      Social Media and European Politics Mauro

Barisione, Asimina Michailidou, 2017-07-19 This volume investigates the role of social media in European politics in changing the focus frames and actors of public discourse around the EU decision making process Throughout the collection the contributors test the hypothesis that the internet and social media are promoting a structural transformation of European public spheres which goes well beyond previously known processes of mediatisation of EU politics This transformation addresses more fundamental challenges in terms of changing power relations through processes of active citizen empowerment and exertion of digitally networked counter power by civil society news media and political actors as well as rising contestation of representative legitimacy of the EU institutions Social Media and European Politics offers a comprehensive approach to the analysis of political agency and social media in European Union politics by bringing together scholarly works from the fields of public sphere theory digital media political networks journalism studies euroscepticism political activism and social movements political parties and election campaigning public opinion and audience studies

**Political Representation in the European Union** Sandra Kröger, 2014-04-03 In recent years the financial and economic crisis of 2008-9 has progressed into an equally important political and democratic crisis of the EU These troubled times have set the framework to reassess a number of important questions in regard to representative democracy in the EU such as the normative foundation of political representation the institutional relationship between representatives and represented the link between democracy and representation and new arenas and actors This book examines the diverse avenues through which different sorts of actors have expressed their voices during the Euro crisis and how their various interests are translated into the decision making process It offers a state of the art assessment of what political representation means in this context as well as a contribution to the representative turn in democratic theory The authors address three key themes The main actors and channels of political representation in the EU Interlocking levels of representation in the EU and the way in which national and supranational representation works How the European institutional system represents EU citizens through law and administration Focusing on the importance of representation in the legitimization of democracy this book will be of interest to students and scholars of European Union politics European studies democratic theory representation studies civil society and transnational democracy      **The Oxford Handbook of**

**the European Union** Erik Jones, Anand Menon, 2012-08-30 This is an authoritative one volume and independent treatment of the history functioning and nature of the European integration Written by a selection of leading scholars It covers the major institutions policies and events in the history of integration whilst also providing a guide to the major theoretical approaches that have been used to study it over time By bringing together such a distinguished cast covering such a wide array of themes the Handbook is intended as a one stop shop for all those interested in the European Union and its predecessors Written in an accessible style the volume is intended to shape the discipline of EU studies and to establish itself as the essential point of reference for all those interested in European integration both in universities and more broadly It represents a timely guide to an institution that is much discussed but often only imperfectly understood      **Theorizing Internal Security Cooperation in the European Union** Raphael Bossong, Mark Rhinard, 2016 The book provides an essential primer and reference book which examines the different theories deployed to understand and explain European Union cooperation on internal security matters

### European Union A Political Sociology Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading European Union A Political Sociology free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading European Union A Political Sociology free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced

search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading European Union A Political Sociology free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading European Union A Political Sociology. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading European Union A Political Sociology any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About European Union A Political Sociology Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. European Union A Political Sociology is one of the best books in our library for free trial. We provide a copy of European Union A Political Sociology in digital format, so the resources that you find are reliable. There are also many eBooks related to European Union A Political Sociology. Where to download European Union A Political Sociology online for free? Are you looking for European Union A Political Sociology PDF? This is definitely going to save you time and cash in something you should think about.
