## **European Interests In Asean:**

**European Interests in ASEAN** Stuart Harris,1983-01-01      **The European Union in the Asia-Pacific** Weiqing Song,Jianwei Wang,2019-02-20 Since the mid 1990s the European Union has defined the Asia Pacific as one of its key strategic targets on its ambitious road towards a global power Over the past decades big changes have taken place on both sides and the wider world It s high time to evaluate the EU s performance in its Asian policy In fact the EU is at crossroads with its Asia Pacific policy On several aspects the EU is compelled to redefine its interests and roles and rethink its strategies and policies towards the dynamic and ever important Asia Pacific region This volume addresses this theme by elaborating the general context major issues and countries in the EU s Asia Pacific policy It covers issue areas of traditional security economy and trade public diplomacy and human security and focuses on the EU s relations with China Japan the ASEAN countries and Australasia      *Asean-eu Partnership: The Untold Story* Tommy Koh,Lay Hwee Yeo,2020-09-25 The European Union is the most successful regional organisation in the world ASEAN is the most successful regional organisation in Asia The story of the important and multi faceted relationship between these two organisations has seldom been told This is the first book about the relationship written from the ASEAN perspective It contains essays from all the ten ASEAN countries The book describes the many areas in which ASEAN and the EU have convergent interests and the few areas in which they have divergent views The book also looks to the future and suggests some possible areas of cooperation The Foreword is written by Singapore s Foreign Minister Dr Vivian Balakrishnan      **Asian-European Relations** Jurgen Ruland,Gunter Schubert,Gunter Schucher,Cornelia Storz,2008-02-29 Applying established theories to concrete phenomena Asian European Relations provides a comprehensive understanding of inter regionalism and how co operation between Asia and Europe should be fashioned in the new millennium It contributes to the most recent developments in research by providing impressively rich studies to test existing theoretical frameworks      **The European Union and Asia** ,2015-06-29 This volume represents the first in depth inter disciplinary analysis of the past present and future of the European Union s relations with countries non state actors and other partners across the Asia Pacific region The book is situated in the developing interdisciplinary discourse of EU foreign policy towards countries and regions across Asia and it offers a research led critique of the construction and the elements of the EU Asia political space Written by an international team of experts from both Asia and Europe the volume investigates the historical and cultural background as well as diverse representations and imaginations in regard to the Asia Europe inter continental dialogue The book examines the varied patterns policies and priorities of the contemporary political economic and cultural relations linking the EU with its interlocutors in Asia Moreover this collection throws light on a selected number of issues pertinent to current EU Asia interaction such as human rights promotion learning and educational exchange and the role of the mass media in the construction of Asia Europe relations The twelve chapters in this book cover a wide scope of subjects including the EU s Relations with the Association of Southeast

Asian Nations ASEAN the summitry of the Asia Europe Meetings ASEM EU foreign policy choices in Asia and EU contacts with Central Asia Australia and New Zealand This text is of interest to undergraduate and postgraduate students lecturers the business community decision makers and practitioners in Politics European Studies Asia Pacific Studies International Relations Law Human Rights and Business Studies *EU-ASEAN Relations in the 21st Century* D. Novotny, C. Portela, 2012-10-17 Escaping the economic and security centered approaches prevalent in contemporary U S debate the contributors explore political relations between the European Union EU and Association of Southeast Asian Nations ASEAN Their inter disciplinary perspectives touch on domains such as security comparative integration human rights energy *Are region-to-region relations between the EU and ASEAN possible?* Martin Hiebsch, 2014-04-03 Essay from the year 2013 in the subject Politics Region Other States grade 1 3 King s College London language English abstract The relationship between the European Union EU and the Association of Southeast Asian Nations ASEAN is perceived as having a unique importance Camroux 2009 4 The first formal meeting between ASEAN and the European Economic Community EEC took place in June 1972 Lim 2012 47 and was the first of its kind between the precursor to the EU and another regional entity Nowadays the relationship is widely considered as a model for interregional relations Camroux 2009 4 However there are many obstacles impeding a further institutionalisation of the region to region relations Negotiations about the enhancement of the cooperation often have stalled during the past decades and the progress of interregional convergence proceeds slowly The following essay will answer the question whether region to region relations between the EU and ASEAN are possible and analyse their degree of the institutionalisation In order to draw a picture of the development towards interregional cooperation the essay will summarise the historical emergence of the relationship and identify the obstacles within the current state of interactions The author will present the argument that region to region relations are possible and already exist However he will point out that because of ASEAN s lacking capacities the interregional relations continue to be limited to certain fields and agreements in the economical and political domain remain mostly bi and multilateral The essay will explain the structures of the already existing interregional cooperation and stress how an enhanced relationship would be beneficial for both organisations Finally it will summarise its findings and provide an outlook for the years to come **The European Union and East Asia** Christopher M. Dent, 1999-08-12 The world economy continues to be dominated by the Triad regions Europe North America and East Asia This text analyses the economic relationship that has evolved between two Triadic powers The EU and East Asia and its future prospects especially in the wake of the recent financial crises that have shaken the East Asian region This text argues *New Challenges and Opportunities in European-Asian Relations* Bibek Chand, Lukas K. Danner, 2021-05-20 This book highlights the emerging bidirectional interactions between Europe primarily the EU and Asia in the fields of political economy development environmental policy security diplomacy and inter institutional relations within the context of two recent global trends the rise of China and the growing withdrawal of the U S

from multilateral commitments The volume incorporates nine different aspects and dimensions of Asian European relations In recent decades Asia has re gained rising importance on the world stage which also entails closer interconnections with Europe In an age of receding American global leadership and reduced commitments to its European allies the EU and its member states have increasingly become more open to seeking and considering new partnerships The rising economic prowess of Asia has made it of particular interest for European states The book s focus lies on potential challenges and opportunities in the bidirectional interactions between European and Asian states and institutions

**The European Union's Security Relations with Asian Partners** Thomas Christiansen, Emil Kirchner, See Seng Tan, 2021-05-11 This wide ranging book analyses EU Asia security relations in a systematic substantive and comparative manner The contributions assess similarities and differences between the EU and its Asian partners with respect to levels of threat perception policy response and security cooperation in the context of historical institutional and external factors such as the influence of the United States The book presents original empirical research organised in four parts a number of contributions providing discussions of the global context in which EU Asia security relations develop a series of chapters covering the range of dimensions of EU Asian security including both traditional and non military aspects of security chapters addressing the specific issues touching on bilateral relations between the EU and its partners in the Asia Pacific region and a final part presenting the overall findings across the various contributions together with the future outlook for EU Asia security relations

**International Relations in Southeast Asia** Donald E. Weatherbee, 2009 This balanced comprehensive guide to Southeast Asian politics offers a sensible but nondogmatic realist approach to the region s international relations In this revised second edition Donald E Weatherbee lucidly explains the dynamics of the Southeast Asian subsystem as a struggle for autonomy in pursuit of national interests He explores three important questions the answers to which will shape the future Southeast Asia Will democratic regimes transform international relations in Southeast Asia Will national leaders succeed in reinventing ASEAN as a more effective collaborative mechanism Finally how will the evolving Chinese position balancing and perhaps displacing the United States as Asia s great power affect Southeast Asia s struggle for autonomy

**Europe-Asia Interregional Relations** Bart Gaens, 2016-04-29 This book examines the interregional relations of the European Union with East Asia through the prism of the Asia Europe Meeting ASEM ASEM currently brings together 16 Asian countries the 27 member states of the European Union as well as the ASEAN Secretariat and the European Commission ASEM s ten year anniversary and the Sixth Summit in Helsinki prompted reflection on the forum s accomplishments in three dimensions of interaction its working methods democratic involvement public awareness and global strategic potential The volume provides an in depth evaluation of ASEM s first decade from a European perspective including the achievements of the ASEM6 Summit and its implications for the future of the process It also analyzes the role of interregional interaction as a tool for EU foreign policy
