European Security Architecture After The Cold War:

A European Security Architecture after the Cold War G. Aybet, 2000-06-05 A European Security Architecture after the Cold War provides a critical account of the re projection and redefinition of Western values and security institutions in the post Coldwar era This transformation is explored in three stages The first stage covers the period 1990 91 and explains the preservation of a western security community inherited from the Cold War through a process of institutional reconstruction largely carried out on paper The second stage from 1991 to 1992 sees the incorporation of a purpose for these institutions as a framework for the implementation of collective security The third stage explores the emerging questions of legitimacy surrounding the new tasks of these institutions as they become embroiled in the war in the former Yugoslavia The precedents of legitimate intervention in upholding democracy free markets and human rights in the post coldwar era are examined from the perspectives of international law and Gramscian derived concepts of legitimacy focusing on the acceptance of military power by civil society and how intervention in these terms becomes a cultural practice **Europe After the Cold War**

Wojciech Kostecki, 1996 **Disconcerted Europe** Alexander Moens, 2019-03-11 Four years after the end of the Cold War the United States and its European allies have still not agreed on a new security system to deal with war in Yugoslavia a restless eastern Europe and an unstable Russia The contributors to this timely volume evaluate reforms in the North Atlantic Alliance the new European Union and the Conference on Security and Cooperation in Europe CSCE They also explore a number of critical issues Why is it that NATO cannot end the Yugoslav conflict Why do the Americans and West Europeans quarrel over a European Security and Defense Identity Why is it that the states of Central and Eastern Europe cannot simply join NATO Is the CSCE becoming the pan European security organization that will bear responsibility for preventing or managing future conflicts The book offers careful analysis of the pivotal years of reform between 1989 and 1992 In the first section the contributors assess those developments from the viewpoint of the key institutions NATO CSCE the European Union and its security arm the Western European Union WEU They then examine the policies of the key allies the United States the United Kingdom Germany and France The book concludes that the current problems in European security affairs are directly explained by the discord divergences and contradictions that have characterized the crucial formative years of these newly significant organizations In the closing chapter the editors suggest pragmatic political initiatives for strengthening these groups in the near future **From Euphoria to Hysteria** David G. Haglund, 2019-04-11 This book

provides a detailed overview of the debate about the institutional context of Western European security after the Cold War It discusses various aspects of contemporary European security architecture and explores various aspects of the new transatlantic and European threat environment **After the Cold War** Alpo M. Rusi, 1991-05-31 This book provides new and exceptional interpretations in regard to the post World War 2 history of the East West conflict and calls for interdisciplinary approaches in analyzing international relations The systematic and political processes are undoing the

division of Europe and restoring an organically interdependent continent The events of 1989 in Eastern Europe are but a harbinger of a new security order in Europe and for the first time since the Treaty of Westphalia of 1648 Europe tries to look beyond state centered concepts of security

European Security and International Institutions after the Cold War Marco Carnovale, 2016-07-27 The end of the Cold War has been accompanied by renewed enthusiasm over the potential of security institutions in Europe West Europeans the US and former communist states see them as an indispensable instrument of collective security Yet institutions failed to prevent post communist conflicts most notably in Yugoslavia For the future there is a need for improved coordination among interlocking institutions This study is both a critical assessment of ongoing institutional changes and an analysis of the agenda for the future

The Last Decade of the Cold War Olav Njolstad, 2004-08-02 The last decade of the Cold War witnessed the transformation of world politics with the collapse of one party Communist rule in Eastern Europe and the Soviet Union This book explains how it happened and why
