EU-ASEAN Relations in the 21st Century D. Novotny, C. Portela, 2012-10-17 Escaping the economic and security centered approaches prevalent in contemporary U S debate the contributors explore political relations between the European Union EU and Association of Southeast Asian Nations ASEAN Their inter disciplinary perspectives touch on domains such as security comparative integration human rights energy

Asian-European Relations Jurgen Ruland, Gunter Schubert, Gunter Schucher, Cornelia Storz, 2008-02-29 Applying established theories to concrete phenomena Asian European Relations provides a comprehensive understanding of inter regionalism and how co operation between Asia and Europe should be fashioned in the new millennium It contributes to the most recent developments in research by providing impressively rich studies to test existing theoretical frameworks

Integration in Asia and Europe Paul J.J. Welfens, 2006 Broadening and deepening of economic and political integration are hallmarks of the EU and ASEAN Analysing the economic and institutional changes in both Europe and Asia this book emphasizes on banking financial market dynamics ICT and macroeconomic policies The legal aspects are combined with historical and economic perspectives

What about Asia? Josine Stremmelaar, Paul van der Velde, 2006 As Asia has become more prominent on the international scene in recent decades economically politically and culturally the scholarly discipline of Asian studies has grown commensurately But major questions remain about the scope of the discipline and its goals What about Asia both surveys the current state of the debate on Asian studies and suggests several fruitful directions for future exploration especially through the use of multiregional and interdisciplinary approaches

Regionalism in East Asia Fu-kuo Liu, Philippe Regnier, 2013-10-18 Regional cooperation and integration have emerged as key issues for East Asia following the financial crisis This book explores these issues and examines the degree to which a new paradigm is emerging It reviews the evolution of the concepts and practices of regionalism in East Asia and considers the factors which are shaping new patterns of regional co operation and integration It includes discussions of historical developments

economic co operation socio political factors and defence and security It considers the role of those states including China and Japan which have distinctive approaches to international relations and assesses the role of regional international bodies such as ASEAN **Asia and Latin America** Jörn Dosch,Olaf Jacob,2010-02-25 This book analyses the economic political and socio cultural relations between Asia and Latin America and examines their growing importance in international relations
