Homewood, Barbara Bogusz, 2015 A modern approach to the institutional and substantive law of the EU It provides a comprehensive introduction and combines a popular text cases and materials format with a range of supportive learning features **European Union Law** Alina Kaczorowska-Ireland, 2016-05-26 The fourth edition of this well established and highly regarded work on EU law maintains its character by combining comprehensive yet accessible coverage with in depth analysis of the law and student friendly pedagogy It is fully up to date so encompassing critical examination of new important judgments of EU and national courts and developments in institutional constitutional and substantive EU Law The book keeps its unique style in that it is both a textbook and a casebook Case summaries are highlighted in colour tinted boxes for ease of reference and are accompanied by key facts and critical analysis often in the light of subsequent developments The student friendly approach is enhanced by market driven pedagogical features including Concise outlines at the beginning of each chapter describing its content and assisting in revision An aide m moire often presented in diagrammatic form at the end of each chapter to highlight and reinforce key points End of chapter recommended reading lists to encourage and facilitate further research End of chapter problem and essay questions testing the students ability to apply what they have learnt Cross references to show how topics are interrelated and A map identifying EU Member States candidate States and potential candidate States The book s companion website offers a range of teaching and learning resources including an interactive timeline of the EU useful web links self test questions and much more This book is essential reading for those studying EU law on both undergraduate and postgraduate courses and will be of interest to students of political science social science and business studies **Cases and Materials on EU Law** Stephen Weatherill, 2016 This classic casebook provides a valuable selection of significant cases and legislation alongside an engaging range of carefully selected extracts all

of which are enhanced by insightful author notes in an easy to use and accessible format

European Union Law in a Global Context Trevor C. Hartley, 2004-04-29 European Union Law in a Global Context is a comprehensive introduction to European law in its international context Trevor Hartley provides an explanation of the basic principles of each topic covered He examines the institutions of the EU and the law making process the European Court and international adjudication EU law and international law in national courts human rights especially under EU law and the ECHR the international relations of the EU remedies under EU law and the elements of the free movement of goods persons and services The coverage of the practical application of EU law in British courts will meet the requirements of those intending to become practitioners and the inclusion of extracts from leading cases as well as from the EC treaties and other instruments ensures that everything the reader will need is contained in a single volume

European Union Law Margot Horspool, Matthew Humphreys, 2012-08-09 European Union Law provides students with a clear understanding of the law of the EU and the fundamental principles that support it Essential information is provided in a user friendly format to facilitate learning and understanding of this key discipline

Cases, Materials and Text on European Law and Private Law Arthur Hartkamp, Carla Sieburgh, Wouter Devroe, 2017-03-09 This Casebook deals with the horizontal effects of EU law which is to say its effects on relationships between individuals To a large extent these effects have been created by the Court of Justice of the European Union CJEU on the basis of the European Treaties The main focus of the Casebook is on the developments relating to primary EU law and their influence on national private law It studies instances where EU primary law has already directly or indirectly influenced the case law in the Member States or where it is expected to do so soon Compared to the well known impact of EU directives on private law these developments concerning primary EU law are hardly noted by private lawyers and perhaps not sufficiently explained by scholars of EU law Therefore the book makes an important contribution to scholarship and education This book highlights developments in the areas of competition law fundamental freedoms non discrimination general principles of EU law ex officio application of provisions of EU law and implementation of directives including harmonious interpretation and Francovich liability In its analysis of the ways in which EU law interacts with private law the book will be an invaluable resource to students practitioners and academics of EU private law

Reader: European Union Law M. van der Velde, 2009

Wyatt and Dashwood's European Union Law Alan Dashwood, Michael Dougan, Barry J Rodger, Eleanor Spaventa, Derrick Wyatt, 2011-06-14 First published 30 years ago Wyatt and Dashwood's European Union Law was a landmark publication designed and written for students taking degree level courses in EU law In the intervening years new editions have appeared at regular intervals firmly establishing the book as a reliable and authoritative text Besides introducing generations of students to the intricacies of European law it has also been increasingly relied upon by scholars practitioners and the courts as a valuable source of reference on this complex and ever expanding body of law While the book cannot cover every aspect of the subject matter it nevertheless offers comprehensive coverage of those aspects of EU law

most commonly studied at degree level Part I introduces the history and foundations of the Union's primary law Part II looks at the Union's institutions decision making procedures and competences It also deals with the Union judiciary focusing on direct actions before the Union courts and preliminary references from national courts The constitutional fundamentals of direct effect and supremacy effective judicial protection before national courts general principles of Union law and the Charter of Fundamental Rights are dealt with in Part III Part IV covers the internal market free movement of goods Union citizenship workers establishment and services the services directive mutual recognition of qualifications corporate establishment and company law harmonisation Part V deals with competition law Articles 101 and 102 TFEU the enforcement of Union competition rules and other related competition law issues Part VI then includes a brand new chapter concerned with the EU's external relations together with treatment of the legal effects of international agreements entered into by the EU As with previous editions the aim is to provide an accurate critical pragmatic and original account of the subject at times also offering unique insiders insights The book holds to its reputation as being both broad and profound the ideal foundation for gaining a deep understanding of EU law This edition reflects the law post Lisbon It has also been restructured and re-designed so as to facilitate ease of use Its original authors Derrick Wyatt and Alan Dashwood continue to make a significant contribution Michael Dougan Eleanor Spaventa and Barry Rodger complete the team of authors working on this invaluable textbook and reference work The 6th edition has already been cited in the Northern Ireland High Court by The Honourable Mr Justice Bernard McCloskey 2011 NIQB 61

European Union Law Alina Kaczorowska, Alina Kaczorowska-Ireland, 2013 Fully revised and updated the third edition of EU Law provides an exhaustive yet easily readable account of the complex and ever changing subject of EU law The author gives thorough authoritative and up to the minute treatment to the institutional constitutional and substantive elements of EU Law The book is unique in that it successfully combines depth of coverage with an excellent selection of supporting case law making this challenging subject accessible and easy to follow Case summaries and judgments are highlighted in colour tinted boxes for ease of reference and are accompanied by key facts and analysis often in the light of subsequent developments The student friendly approach is enhanced by market driven pedagogical features including Concise outlines at the beginning of each chapter describing its content An aide mmoire often presented in diagrammatic form at the end of each chapter to highlight and reinforce key points End of chapter recommended reading lists to facilitate further research End of chapter problem and essay questions testing the students ability to apply what they have learnt and A map identifying EU Member States and their accession dates acceding States candidate States and potential candidate States The book's companion website offers a range of teaching and learning resources including an interactive timeline of the EU useful web links self test questions and much more This book is essential reading for those studying EU law on both undergraduate and postgraduate courses and will be of interest to students of political science social science and business studies It also provides comprehensive coverage of substantive

and procedural EU competition law and thus has its place as a textbook for introductory courses on EU competition law

State and Market in European Union Law Wolf Sauter, Harm Schepel, 2009-04-16 An examination of the legal framework of the EU internal market as established in the case law of the European Court of Justice discussing in particular EC competition law the free movement of goods services persons and capital and the evolution of the interpretation of the provisions The State has been retreating from direct intervention in economic life as more goods and services the provision of which was once thought to be a public responsibility are delivered through market mechanisms Given the need for consistent application of EC law in the internal market a common core conception of public authority shielded from the discipline of EC competition law is needed The resulting realignment of public and private functions and responsibilities is not a linear and coherent process especially in light of the changing nature of the European legal integration project and the progressive incorporation of non economic values in the Treaties **Public Law: Text, Cases, and Materials 2e** Andrew Le Sueur, Maurice Sunkin, Jo Murkens, 2013-03-21 This dynamic text cases materials book provides a thought provoking guide to the public law of the UK It sets out key institutions legal principles and conventions and its clear commentary draws on case studies and extracts from a range of sources to provide a full understanding of the law and the major theoretical and political debates
