The Europeans Henry James, 2009-06-25 Eugenia Baroness M nster, wife of a German princeling, who wishes to be rid of her crosses, the ocean with her brother Felix to seek out their American relatives. Their voyage is prompted apparently by natural affection, but the Baroness has also come to seek her fortune. The advent of these visitors is viewed by the Wentworths in the suburbs of Boston with wonder and some apprehension. The brilliant Eugenia fascinates her impressionable cousins and their more worldly neighbour, but she is baffled by these people to whom fibbing was not pleasing. Meanwhile Felix, painter of trifling sketches, eases them all in and out of various amorous complications with no fear of not being in the end agreeable.

The Europeans: a sketch, with an introd Henry James, **The Europeans** Henry James,2016-10-19 The Europeans A sketch is a short novel by Henry James It is essentially a comedy contrasting the behaviour and attitudes of two visitors from Europe with those of their relatives living in the new world of New England One of the most important themes of the novel is the comparison between European and American women which James stresses through the great difference existing between Eugenia and the Wentworth ladies Madame Munster is independent modern and displays hauteur Gertrude and Charlotte lack this self possession For example they tend to comply with their father s suggestions When Mr Wentworth tries to arrange a marriage between Mr Brand and Gertrude to which she objects it is difficult for her to clearly express her preference The sisters spend most of their free time with the family until the moment in which Gertrude discovers herself to be in love with Felix Her love encourages her to take a new perspective on the world and to resist the presumptions of her family She reacts against her father s decision regarding Mr Brand explaining that she will never marry a man she does not love Instead Gertrude will marry Felix and leave America The difference between Europeans and New Englanders manifests itself in particular in the expression of feelings and emotions which are very sensitive for the former love is more important than money Moreover American people are more straitlaced and they have closer links with tradition The most important thing in life for those living in the New World is ironically respecting old traditions and accepting the rules of a good morality Mr Wentworth is profoundly surprised and fascinated by Eugenia s marriage experience as well as Robert Acton s in the Americans eyes Eugenia is a perplexing woman **The Aspern Papers & The Europeans** Henry James,2020-12 The Europeans A sketch is a short novel by Henry James published in 1878 The Aspern Papers is a novella by American writer
