Cultural Tourism in Europe Greg Richards,1996 Because few comparative data existed on European cultural tourism when the European commission designated cultural tourism as a key area of tourism development in Europe the European association for tourism and leisure education undertook a transnational study of European cultural tourism The first five chapters address general themes the scope and significance the social context the economic context and the political context of cultural tourism The are followed by eleven chapters on individual countries from the European Union Re issued in 2005 in electronic format by ATLAS the Association for Tourism and Leisure Education **Tourism Management** Stephen J. Page,2014-12-05 One of the leading texts in the field Tourism Management is the ideal introduction to the fundamentals of tourism as you study for a degree diploma or single module in the subject It is written in an engaging style that assumes no prior knowledge of tourism and builds up your understanding as you progress through this wide ranging global review of the principles of managing tourism It traces the evolution and future development of tourism and the challenges facing tourism managers in this fast growing sector of the world economy This book is highly illustrated with diagrams and colour images and contains short case studies of contemporary themes of interest as well as new data and statistics This fifth edition has been revised and updated to include new content on sports festivals and event tourism social media impacts on tourism and the effects of the global economic downturn on tourism as well as emerging themes in tourism such as slow travel dark tourism volunteer tourism and medical tourism updated case studies on BRIC markets and new case studies from the Middle East and Asia enhanced tourism and sustainable development coverage which runs throughout the book as a major theme highlighting the challenge of climate change and future tourism growth transport section with more international perspectives from China and South America an updated companion website with additional case studies quizzes PPTs further reading web reading and video links and longer reflective case study per chapter to aid both teaching and learning

Tourism Management Stephen Page,2007 Tourism Management is a complete synthesis of tourism from its beginnings through to the major impacts it has on today s global community the environment and economy Grand Tour of Europe Nicholas Foulkes,Fernando Mazzocca,Attilio Brilli,2023-10-04 The Grand Tour a journey of culture and amusement across Europe was a common practice from the 17th century to the first quarter of the 19th century This book then reviews the stages of a tour that has left its mark on European culture The opening essay by Nicholas Foulkes reviews the significance of

the Grand Tour for international culture especially British culture Next Fernando Mazzocca reviews its artistic coordinates while Attilio Brilli explores some of the more obscure but intriguing aspects of the Grand Tour with an intriguing selection of literary excerpts a lively travel anthology Accompanying the texts is a carefully curated selection of images with works by many of the leading artists of the period

Complete Gentlemen Richard Ansell, 2022-01-06 This is the first study to look beyond the Italian Grand Tour to the wider culture of educational travel that thrived among British and Irish landowners between 1650 and 1750 Based on deep archival research it explores the meanings of continental travel for social mobility elite formation landed identity masculinity and Englishness

An Introduction to the Geography of Tourism Velvet Nelson, 2021-03-12 Tourism is an astonishingly complex phenomenon that is becoming an ever greater part of life in today's global world This clear and engaging text introduces students to this vast and diverse subject through the lens of geography the only field with the breadth to consider all of the aspects activities and perspectives that constitute tourism

Outlook Alfred Emanuel Smith, Francis Walton, 1890

Tourism Philip Goulding, 2023-05-31 Examines how temporality manifests in and impacts tourism in different parts of the world looking at climate culture and or structural conditions of the tourism operation It looks at the reasons and causes for temporality within tourism and how this effects both the industry the consumer and the environment
