The British National Bibliography Arthur James Wells, 1994      **IEA Readings**, 1972      **Forthcoming Books** Rose Army, 1997-12      Europe's Constitutional Future Erin Delaney, Julie Smith, 2005      **The European Union's Search for a Constitutional Future** Michael Longo, 2001      The EU Constitution Gráinne De Búrca (jurist.), 2005 Based on a lecture presented by the author this book analyzes how the treaty establishing a constitution for Europe adds to Europe's search for an international identity De Búrca submits that the boldest of the novel features of the new constitution and the weight of significance of the changes which it has introduced lie in the external domain She launches the challenging question whether the emphasis on Europe's global role and its international identity will be the factor that ultimately will be capable of triggering the public imagination in such a way as to generate sufficient support for the ratification of the constitution and in the long term to generate a sense of European solidarity rather than the internally focussed changes brought about by the constitutional treaty      *After Finalité?* Neil Walker, 2007      Europe's Constitutional Future Graham Mather, 1991-07-01

*The Future of EU Constitutionalism* Matej Avbelj, 2023 Is there a real and meaningful future for EU constitutionalism This collection explores this question in light of recent challenges to EU constitutional law namely the pandemic and the political schisms emerging across the European Union The contributors explore the question through the prism of the five main pillars of EU constitutionalism the constitutional values the EU formal constitutional framework its substance consisting of the EU political and economic constitution and conclude by looking at the foundational concept of sovereignty national and European in a global realm Drawing on expertise from both old and new Europe it gives voice to the most fundamental question facing the Union in its second half century      The Future of the European Constitution Vaughne Miller, Great Britain.
