Travel Tales Monthly Michael Brein, Ph.D., 2014-10-20 Michael Brein's Travel Tales Monthly is a monthly bookazine release of simply incredible travel tales told 10 at a time Michael Brein aka The Travel Psychologist has made it his life's passion to interview now more than 1 750 world adventurers and travelers he has met throughout his world travels to more than 125 countries over the last four decades You wouldn't believe the incredible stories people have told me about their travels says Michael when he talks about the nearly 10 000 travel tales he has amassed over the years in this way Stories run the gamut of the good the wonderful and the magical as well as indeed the bad the horrible and the truly horrific These are simply stated great stories Stories are told mainly in the present tense by interviewees but sadly some are revealed about travelers who unfortunately did not live to tell their tales These have often been related by weary bleary eyed travelers who felt that these tales should also be told Into the pages of Travel Tales Monthly and then into the volumes of The Travel Psychologist Travel Tales Series ebooks will go the formerly untold tales of

close calls dangers and great escapes the mystical spiritual and the paranormal meeting people making friends and incredible hospitality harassment by beggars hustlers and con artists of all kinds formidable characters met and phenomenal experiences had and much much more all in the form of about 200 ebooks covering all sorts of subjects countries and themes The intent of Travel Tales Monthly is to present collections of tales each month introducing you to the stories as they make their way into The Travel Psychologist Travel Tales Series in the form of completed standalone ebooks in the series The telling of travel stories by Michael Brein via his Travel Tales Monthly as well as his travel tales ebook series is travel storytelling par excellence but with one significant difference Michael Brein is the world's first and perhaps only travel psychologist Thus he tells the travel stories with a particular unique psychological bent there's a lot of travel psychology behind everyone's sharing of their experiences With deft and persistence Michael hones in on and ferrets out the usually heretofore unexplored and untold truly psychological netherworld that lurks just below the surface of most people's travel experiences bringing them into full view For instance what led up to a good or wonderful travel experience How can we experience more of same What was behind the horrific life threatening or pickpocketing experience that got you caught up in in that one horrendous moment Let's unravel bad experiences piece by piece to see how this might have been avoided in the first place Let's unfold wonderful travel experiences to see how these may be repeated What are some of the philosophical and life changing insights gained from mystical experiences in one's travels What's it like to experience your roots How does it feel to be the first white person that others have ever seen How does it feel like to be touched by a stranger What is real fear like On and on Michael Brein delves into travel experiences from the standpoint of what is interesting what is to be learned and what is to be gained How can this be made to happen again Or NOT at all Michael Brein is sure that you will be mesmerized and captivated by the stories you read in his Travel Tales Monthly and in his Travel Psychologist Travel Tales Series In this Issue No 4 Oct 2014 Michael Brein's Travel Tales Monthly Bookazine Issue No 4 for October 2014 contains among the best travel stories from Michael's huge collection of about 10 000 travel tales that he has gathered in interviews with nearly 1 750 world travelers and adventurers during his four decades of travel to more than 125 countries throughout the world The 10 travel tales that are featured for October as well as each following month include a fascinating mix of travel stories as well as a few brief vignettes The October issue features such tales as The Hug Les Ugly Americans and The Red Dodge whereby travelers get themselves into trouble by behaving and acting in ways that make them Persona Non Grata overseas It is difficult enough to be culturally sensitive back home But what are the consequences of being insensitive in a strange foreign land What do you do And if that is not enough for you how about Run Run our featured story for this month about an ugly American who in spite of himself commits a series of simple cultural faux pas in Kathmandu contrary to the good advice of a friend a beautiful American this time which gets out of hand and morphs into a very scary close call involving his worst nightmare and a possible threat to his life You are going to consider this month what goes into being the

Velasquez,2015-12-27 The family vacation has been portrayed in many ways From National Lampoon's Vacation showing the trials and tribulations of the Griswold family trying to get to Wally World to The Great Outdoors with John Candy and his family renting out a cabin in the woods only to encounter a meddling bear Family vacations in the media seem to be one thing going wrong after another But in real life the family vacation is a time to bond together as a family unit and enjoy newfound times of closeness while exploring new adventures and locales The memories you can make on these vacations will stay with you for years and give your children special moments they'll treasure forever You can choose to drive cross country and see the quirky roadside attractions such as the largest ball of yarn or the corn museum Some don't look at this as a true vacation After all being stuck in a car for the majority of the trip can breed some real family strife You could also book a family cruise or fly to Mexico to spend time at a resort but this can get pricey and with all the activities they have for children some parents fear the bonding they were looking forward to won't happen For the family on a budget the notion of a memorable and fun filled vacation may seem out of reach That's simply not true however There are many many ways you can have a terrific family vacation while on a budget You don't have to sacrifice fun because of lack of money There are all kinds of vacations that can be had within almost every budget While traveling is good for the economy and for your soul it can be hard on your wallet In fact AAA estimates that a family of four should budget at least 244 per day for meals lodging and automobile travel costs And that figure doesn't include the staple of family vacations entertainment As usual the best way to keep the costs down is to plan ahead and make informed decisions But how do you start You start with family input a survey of your resources and a well thought out plan We'll not only show you how to do that easily but we'll also give you all kinds of ideas for family vacations and ways that you can make them affordable and fun Always dreamed of going to Disney World You can Think the Caribbean is out of reach It's not We've compiled the advice and suggestions from many vacation experts and added some of our own experiences as well to give you this comprehensive guide to taking a family vacation on a budget We'll show you different ways to save money on airfare hotels transportation and eating We'll also give you some great specific ideas for family vacations that won't break the bank along with some suggestions to help you save money and time in general while on your family getaway Whether it's a summer trip spring break jaunt or wintering in the tropics you'll be able to plan your dream vacation without breaking the bank You'll get maximum fun without sacrificing every penny of your hard earned dollars and you may even come back with a little extra to save for that next vacation What are you waiting for Read on and enjoy your ebook **VACATION PLANNING ON A BUDGET** **Ask Arthur Frommer** Arthur Frommer,2009-03-11 Arthur Frommer is still
