Eva Braun Hitlers Mistress:

The Lost Life of Eva Braun Angela Lambert, 2008-04-15 Featuring 32 pages of intimate home photos this authoritative biography on Hitler's famous mistress is based on detailed new research and opens a new window on the life at the cold heart of the Nazi leadership *Eva Braun: Hitler's Mistress* Nerin E. Gun, 1969 **Eva Braun** Heike B. Görtemaker, 2011 A comprehensive portrait of Hitler's long time mistress discusses the bourgeois existence she shared with him out of the public eye her role as his trusted confidante and their double suicide two days after their marriage Adolf Hitler and Eva Braun Kenneth Alford, 2018-01-04 Of the many aspects of Adolf Hitler's life one that has never been really fully documented is his romantic connection with Eva Braun as well as women who came before her in Der Führer's shadowy love life Despite the thousands of books written about the mad genius none has thoroughly explored and reliably documented his connection to Eva Braun including their notorious suicides in the Führerbunker during the last days of the war in Germany This book explores this and his other relationships in detail including the shocking suicide of his half niece Geli Raubal whom Hitler doted upon and his subsequent devastation all thoroughly verified by thousands of pages of research from earlier sources and interviews Only two women have emerged from most historical accounts Hitler's niece Geli Raubal his half sister's daughter and of course Eva Braun There were considerably more It is Geli's and Eva's violent deaths though that captured the world's imagination in a gruesome way Many readers and moviegoers TV viewers are somewhat familiar with the last days in the bunker with Hitler and his intimate circle far below ground while Soviet artillery shells were reducing Berlin to rubble but that said many particulars have gone unreported Adolf and Eva mean to fill the gaps in this macabre yet exciting tale of the last hours of The Third Reich It covers in detail the suicides of Goebbels and his wife after they had horrifically poisoned their children the emotions and panicky infighting of those trapped underground the attempted breakout of a handful of Nazi leaders the last minute marriage between Hitler and Eva as well as the carefully documented details of their suicides and disposal of the bodies One key validating element for example is a narrative of the events in the bunker provided to his Soviet captors by Otto Günsche a high ranking Nazi that Hitler gave permission in writing to attempt a breakout Three others that included Martin Bormann who went with him were killed by the Soviets while Günsche somehow miraculously survived capture and the war and lived until 2003 Everything he told the Russians was later fully acknowledged and the story is fascinating including Günsche's up close and personal account of Adolf's and Eva's last hours Like a cheap parody of a Wagnerian opera finale the two newlyweds were dispatched to Valhalla and that was the end of The Third Reich What happened up to that point and afterwards makes for spellbinding reading **The Vanished Life of Eva Braun** Hans Baumann, 2010-02-01 The life of Eva Braun the former mistress and later wife of Adolf Hitler the infamous leader of Germany is an enigma to most people Was she seduced by his charm or was she his willing accomplice Of modest upbringing and limited schooling she clawed herself up to the pinnacles of power and became despite her Catholic upbringing and against

the strong objections of her father the mistress of the most powerful man in Europe Yet she had to stay out of the limelight her existence only known to a small group of insiders Her loyalty and love to Hitler were finally rewarded by an offer of marriage albeit too late The book expands on these and other important aspects of her life and sheds light on the inner workings of Hitler's court and his personal lifestyle including Hitler's personal comments to Eva regarding preparations for traveling to the moon and about German atomic weapons *Hitler's Mistress: Eva Braun* Nerin E. Gun, 1968 Eva Braun: Hitler's Mistress Nerin E. Gun, 1968 Eva Braun daughter of a respectable German bourgeois family was convent educated Yet she grew up to become the mistress of Adolf Hitler and went with him to her death in the holocaust of Berlin during the waning days of World War II The product of a happy but uneventful childhood in middle class Munich Eva went to work for photographer Heinrich Hoffmann after her schooling was completed It was at Hoffmann's that she met the rising National Socialist politician Adolf Hitler Though considerably older than the nubile Eva he exerted a strong fascination over her A stormy courtship ensued during which Eva attempted suicide Eventually she became mistress to the man who would soon rule Germany From this point on she remained Hitler's faithful and dedicated companion for seventeen years during which time her paramour was destined to shake the very foundations of western civilization Eva Braun was Hitler's official hostess at Berchtesgaden and was present at most of the important gatherings where the fate of nations was being decided and where history was being made When the mighty edifice of the Third Reich was collapsing in ruin under the pounding of the Allies she joined her doomed lover in Berlin where he finally made her his wife and they perished together during the Russian assault Eva Braun had a uniquely intimate view of Adolf Hitler and Nazi Germany and no history of those days is complete without her The book contains numerous photographs of Hitler and his entourage and utilizes material taken from Eva Braun's unpublished scrapbooks and letters **The Private Life of Adolf Hitler** Eva Braun, 1949 The Diary of Eva Braun Eva Braun, 2000 When the fake Hitler diaries were taken up by The Sunday Times it was accompanied by all the razzmatazz of the modern media Yet in 1949 when Eva Braun's diary was published there was no such circus in a world already tired of the war The Devil's Mistress Alison Leslie Gold, 1997 Adapted from an actual fragment of Braun's diary this novel offers a look at what it was like to be the love of one of the world's cruelest men **The Lost Life of Eva Braun** Angela Lambert, 2014-09-02 Eva Braun is one of history's most famous nonentities She has been dismissed as a racist feathered headed shop girl yet sixty two years after her death her name is still instantly recognizable She left her convent school at the age of seventeen and met Hitler a few months later She became his mistress before she was twenty How did unsophisticated little Fraulein Braun twenty three years his junior hold the most powerful man in Europe in an exclusive sexual relationship that lasted from 1932 until their joint suicide Were they really lovers and what were the background influences and psychological tensions of the middle class Catholic girl from Munich who shared his intimate life How can her ordinariness and apparent decency be reconciled with an unshakeable loyalty to the monster she loved She left almost no personal

material or documents but her private diary and photograph albums show that her life with Hitler far from being a luxurious sinecure caused her emotional torture His chauffeur called her the unhappiest woman in Germany The Führer humiliated her in public while the top Nazis wives living in his privileged enclave on a Bavarian mountainside despised her Yet Albert Speer said She has been much maligned She was very shy modest A man's woman gay gentle and kind incredibly undemanding a restful sort of girl And her love for Hitler as she proved in the end was beyond question Eva loved the Führer not for his power nor because thanks to him she lived in luxury His material gifts were nothing compared with the one thing she really wanted his child She remained invisible and unknown a nonperson They were never seen in public together and she never saw him alone except in the bedroom yet their long relationship was a sort of marriage Angela Lambert reveals a woman the world never knew until the last twenty four hours of her life In the small hours of April 29 1945 as Allied troops raced to capture Berlin and the bunker below the Reichskanzlei where the defeated Nazi leaders were hiding Eva Braun finally achieved her life's ambition by becoming Hitler's wife Next day they both swallowed cyanide and died instantly She was young healthy and thirty three years old Based on detailed new research this is an authoritative biography only the second life of Eva written in English

Why Her? Natalie Williamson, 2018 However this putrid brutal man was thought by women to have a soft side Many claimed to know him but Hitler ensured his private life remained concealed from the public In contrast only a couple people actually knew the true Hitler The individuals who could speak in favor of this claim spent copious amounts of hours with him on a personal level these people were members of his cabinet staff or close acquaintances Commonly areas of study focus on Hitler as a war lord politician or orator however a difficult but promising approach is to examine his thoughts about and his interactions with members in his personal life to determine private interests Focusing more specifically on his relationship with Eva Braun Hitler's mistress there are a series of important questions that were revealed while trying to interpret Adolf Hitler Why was Hitler the way he was what made Eva Braun so special to him and what was the nature of their relationship Their relationship has largely been a mystery approached with much skepticism because he kept her locked away from the public for his own personal benefit Braun left a very small historical footprint with almost no primary source information For this reason parameters were applied on the research in order to gain a focus specifically on the relationship itself and weed through hearsay

Eva Braun Heike B. Gortemaker, 2012-12-11 From one of Germany's leading young historians the first comprehensive biography of Eva Braun Hitler's devoted mistress finally wife and the hidden First Lady of the Third Reich In this groundbreaking biography of Eva Braun German historian Heike Gortemaker reveals Hitler's mistress as more than just a vapid blonde whose concerns never extended beyond her vanity table Twenty three years his junior Braun first met Hitler when she took a position as an assistant to his personal photographer Capricious but uncompromising and fiercely loyal she married Hitler two days before committing suicide with him in Berlin in 1945 her identity was kept secret by the Third Reich until the final days of the war Through exhaustive research newly

discovered documentation and anecdotal accounts G rtemaker turns preconceptions about Eva Braun and Hitler on their head and builds a portrait of the little known Hitler far from the public eye *Evas Cousine* Sibylle Knauss,2000 Ein Portr t Eva Brauns geschildert aus der Sicht ihrer Cousine die sich in den Monaten vor Kriegsende auf dem Obersalzberg aufhielt

Hitler's Women Guido Knopp,2003 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company Eva Braun E. Gun Nerin,2020 **Hitlers Asian Adventure** Horst H. Geerken,2025-05-07 From 1963 to 1981 Horst H Geerken lived in the new born Republic of Indonesia at a time of upheaval after the end of almost 350 years of colonial rule and exploitation by the Netherlands In both his professional and private activities he constantly came across German Japanese and Indonesian eyewitnesses who had lived through the Japanese occupation and the presence of the German navy in Indonesia The relations between the German Reich and what was then the Dutch East Indies were obviously closer and more varied than had been previously assumed Hardly anyone was aware that Hitler was extremely interested in this distant archipelago and that thousands of German officers and seamen were in action in East and South East Asia Who knows that German U boats and auxiliary cruisers penetrated deep into the Pacific and that the German Navy used the Kerguelen Islands in the South Polar Sea as a secret base Or that Hitler gave massive support to the independence movements in Indonesia and India Many of the German naval personnel chose to make Indonesia their home after the war and joined the Indonesian freedom fighters The Second World War heralded the end of the colonial era in Asia especially in South East Asia The role played in this process by the Third Reich should not be underestimated The collaboration between the Axis powers especially that between German and Japan with all its problems is also investigated There was a lively exchange of new weapons technology There was even the re creation of a German Radar system in Japan under the management of a German engineer Documents from the Third Reich s Foreign Ministry published here for the first time show how brutally and inhumanely the German men women and children in the Dutch internment camps in the East Indies were treated by their captors These documents are supported by evidence from contemporary witnesses The author has encapsulated his many years of research in the two volumes of Hitler s Asian Adventure It is a fascinating documentation of the German Navy s involvement in a theatre of war that has until now been neglected by historians Hitler's Court Heike B. Görtemaker,2022-01-12 This revelatory history examines the loyal inner circle that followed and enabled Hitler s rise to power and continued on after WWII Hitler was not a lonely aloof dictator Throughout his rise in the NSDAP he gathered a loyal circle around him and was surrounded by people who celebrated flattered and intrigued him Who belonged to this inner circle around Hitler What function did this court fulfill And how did it influence the perception of history after 1945 Using previously unknown sources Heike G rtemaker explores Hitler s private environment and shows how this inner circle made him who he was Hitler s inner circle the Berghof Society was his private retreat But the court was more than that It provided him with the support he needed to take on the role of F hrer at all while at the same time allowing him to use its members as

political front men Most of all it represented a conspiratorial community whose lowest common denominator was anti-Semitism In this book Heike Gruttmaker asks new questions about the truth behind Hitler's inner circle and for the first time also examines the circle without leaders the networking of the inner circle after 1945 **Behind Every Great Man** Marlene Wagman-Geller, 2015-03-03 Who Said Men Get to Monopolize the Glory Discover the Little Known Women Who Have Put the World's Alpha Males on the Map From ancient times to the present men have gotten most of the good ink Yet standing just outside the spotlight are the extraordinary and overlooked wives and companions who are just as instrumental in shaping the destinies of their famous and infamous men This witty illuminating book reveals the remarkable stories of forty captivating females from Constance Lloyd Mrs Oscar Wilde to Carolyn Adams Mrs Jerry Garcia who have stood behind their legendary partners and helped to humanize them often at the cost of their own careers reputations and happiness Through fame and its attendant ills alcoholism infidelity mental illness divorce and even attempted murder these powerful women quietly propelled their men to the top and changed the course of history Meet the Untold Half of History Including Alma Reville Mrs Alfred Hitchcock Elena Diakonova Mrs Salvador Dalí Winifred Madikizela Mrs Nelson Mandela Ann Charteris Mrs Ian Fleming aka Mrs James Bond Ruth Alpern Mrs Bernie Maddoff And 35 more **Living with Hitler** Herbert Döhring, Karl Wilhelm Krause, Anna Plaim, 2018-05-30 This collection paints a picture of Hitler from members of his household in the unique position of being seemingly ever present yet totally unconnected to events The reader is introduced to Hitler's Bodyguard Karl Krause 1934-39 his house administrator Herbert Döhring 1935-43 and chambermaid Anna Plaim 1941-43 From these accounts we get a deeper sense of Hitler in close proximity These accounts massively add to our understanding of Hitler as a three-dimensional character especially from subjects like Plaim who only knew Hitler's home life having rarely left Berghof The series is able to shed light on his likes and dislikes from foods to his hobbies creating a strange sense of humanity This collection also provides the reader with fresh anecdotes observations and portraits of Hitler's entourage and relatives Plaim's images of Eva Braun come from finding torn fragments in the bin whilst Döhring sheds light on Martin Bormann's demeanour
