Foundations of Program Evaluation William R. Shadish, Thomas D. Cook, Laura C. Leviton, 1991 This book looks back at the origins of program evaluation By summarizing comparing and contrasting the work of seven major theorists of program evaluation it provides an important perspective on the current state of evaluation theory and provides suggestions for Report on Federal Management Systems President's Private Sector Survey on Cost Control (U.S.). improving its practice Federal Management Systems Task Force, 1983 **Policy Studies: Review Annual** Ray Rist, 2018-04-20 The sixth edition of this annual collection of the year's best work in policy studies Contributions in this volume reflect the increased emphasis on budget conscious and carefully targeted social programmes Exemplifying a range of analytic and methodological strategies this edition features studies from Australia the United States West Germany and Great Britain Social Work Education Bibliography, 1983 **Leadership for Change** DIANE Publishing Company, 1996-07 This report looks at the issue of human resource development that faces many Government organizations as they attempt to restructure themselves and accomplish their missions more effectively. This report suggests that at least part of the solution to this problem is to change the way most organizations allocate their resources for training Instead of predetermining a budget for training organizations should devote more attention to evaluating how well they are functioning and then allocate training funds to where they would do the most good Leadership for Change United States.
