

## To The Virgin Mary

Mary, sweet peace and dearest consolation  
of suffering mortal: you are the fount whence springs  
the current of solicitude that brings  
unto our soil unceasing fecundation.

From your abode, enthroned on heaven's height,  
in mercy deign to hear my cry of woe  
and to the radiance of your mantle draw  
my voice that rises with so swift a flight.

You are my mother, Mary, and shall be  
my life, my stronghold, my defense most thorough;  
and you shall be my guide on this wild sea.

If vice pursues me madly on the morrow,  
if death harasses me with agony:  
come to my aid and dissipate my sorrow!

**Irish Women Writers** Alexander G. Gonzalez, 2005-11-30 Irish women writers have a large following and their works are attracting large amounts of scholarly and critical attention Through roughly 75 alphabetically arranged entries written by more than 35 expert contributors this reference overviews the lives and works of Irish women writers active in a range of genres and periods Each entry includes a brief biography a discussion of major works and themes a survey of the writer s critical reception and a list of works by and about the author The volume closes with a selected general bibliography Ireland has an especially lively literary tradition and works by Irish writers have long been recognized as interesting and influential While male writers have received the bulk of the critical attention given to Irish literature contemporary women writers are among the most widely read Irish authors This reference overviews the lives and works of Irish women writers active in a range of periods and genres Included are roughly 75 alphabetically arranged entries written by more than 35 expert contributors Among the writers discussed are Elizabeth Bowen Mary Dorcey Lady Isabella Augusta Gregory Anne Hartigan Norah Hoult Paula Meehan Iris Murdoch Edna O Brien Katharine Tynan Sheila Wingfield And many more Each entry includes a brief biography a discussion of major works and themes a review of the writer s critical reception and a list of works by and about the writer The volume closes with a selected general bibliography *The Poems of W.B. Yeats* Peter McDonald, 2020-08-18 In this multi volume edition the poetry of W B Yeats 1865 1939 is presented in full with newly established texts and detailed wide ranging commentary Yeats began to write verse in the nineteenth century and over time his own arrangements of poems repeatedly revised and rearranged both texts and canon This edition of Yeats s poetry presents all his verse both published and unpublished including a generous selection of textual variants from the many manuscript and printed sources The edition also supplies the most extensive commentary on Yeats s poetry to date explaining specific references and setting poems in their contexts it also gives an account of the vast range of both literary and historical influences at work on the verse The poems are presented in order of composition and major revisions or rewritings of poems result in separate inclusions in chronological sequence for these writings as they were subsequently reconceived by the poet This first volume collects Yeats s poetry of the 1880s from his ambitious and extensive juvenilia including hitherto little noticed dramatic poems to his earliest published pieces leading to his first substantial book of verse The pastoral romance of classically inflected early work like *The Island of Statues* is succeeded in these years by the Irish mythic material

that finds its largest canvas in the mini epic *The Wanderings of Oisín*. In Yeats's work through the 1880s an adolescent poet's youthful absorption in Romantic poetry is replaced by a commitment to esoteric religious speculation and Irish political nationalism. This edition allows readers to see Yeats's emergence as a poet step by step in compelling detail in relation to his literary influences including significantly the Anglo-Irish poetry of the nineteenth century. The commentary provides an extensive view of Yeats's developing personal, cultural and historical worlds as the poems gain in maturity and depth. From the first attempts at verse of a teenage boy to the fully accomplished writings of an original poet standing on the verge of popular success with poems such as *The Lake Isle of Innisfree*, Yeats's poetry is displayed here in unprecedented fullness and detail.

*Speranza: Poems by Jane Wilde*, 2025-02-17 This is the first contemporary edition of the poetry of Jane Wilde nee Elgee who also wrote as Speranza. Speranza was in her time renowned worldwide with essays, poetry and translated work published in Ireland, England, America and beyond. She was a key figure in the nationalist Young Ireland movement of the 1840s and her poetry records the hardship experienced by the Irish people, famine and migration in particular. She was also an early advocate for women's rights who campaigned for the admission of women to higher education. This edition, which contains several previously unpublished poems, will make the poetry of this emblematic figure in nineteenth-century Irish writing accessible to a contemporary audience for the first time.

*Guide to the Pleasures of Writing Poetry* Kim Addonizio, Dorianne Laux, 2010-11-22 From the nuts and bolts of craft to the sources of inspiration, this book is for anyone who wants to write poetry and do it well. *The Poet's Companion* presents brief essays on the elements of poetry technique and suggested subjects for writing, each followed by distinctive writing exercises. The ups and downs of writing life, including self-doubt and writer's block, are here along with tips about getting published and writing in the electronic age. On your own, this book can be your teacher; while groups in or out of the classroom can profit from sharing weekly assignments.

*Poetry* Edgar Joseph Hinkel, 1938 ***The Poetry of Eavan Boland*** Pilar Villar-Argaiz, 2008 Pilar Villar Argiz's sustained, meticulous and exacting study of Eavan Boland opens up and articulates in a fresh way the key dimensions of her poetry. It succeeds not only in tracking the far-reaching ramifications of Eavan Boland's politicized aesthetic as a postcolonial writer but in urging us to revisit the crystalline and precisely etched poems of one of the most significant artists in contemporary Irish culture. Professor Anne Fogarty, University College Dublin, from the Introduction. This monograph is an original and important contribution to the growing body of critical studies devoted to one of Ireland's major living poets, Eavan Boland. See Haberstroh 1996, Hagen-Zelman 2005. It details the controversies that were prompted by the inclusion of Ireland in a postcolonial framework and then tests the application of an array of cogent theories and concepts to Boland's work. In an attempt to explore the richness and complexity of her poetry, Villar Argiz discusses the

contradictory pulls in her desire to surpass and yet at the same time epitomize Irish nationality Boland's remarkable achievement as a poet lies in her ability to stretch by constant negotiations and re-appropriations the borderlines of inherited definitions of nationality and femininity Chapters include Re-examining the postcolonial Gender and Irish studies Towards an understanding of Boland's poetry as minority postcolonial discourse A post-nationalist or a post-colonial writer Boland's revisionary stance on Mother Ireland To a third space Boland's imposed exile as a young child The subaltern in Boland's poetry Boland's mature exile in the US An Orientalist writer and Conclusion Review This rigorous and informative exploration of the poetry of Eavan Boland by Pilar Villar Argiz proves the validity of drawing upon the resources of postcolonial theory to illuminate her work Through the lens of postcolonialism the deep-seated preoccupations and complex imaginative foundations of Boland's writing are carefully excavated and interpreted Villar Argiz moreover in her observant close readings of poems from different phases of the author's oeuvre reveals how recurrent issues such as the problem of national and cultural identity the ethical responsibility of engaging with the past and the quest for fluidity and openness are variously engaged with both aesthetically and philosophically Villar Argiz's sustained meticulous and exacting study of Eavan Boland opens up and articulates in a fresh way key dimensions of her poetry It succeeds not only in tracking the far-reaching ramifications of Eavan Boland's politicized aesthetic as a postcolonial writer but in urging us to revisit the crystalline and precisely etched poems of one of the most significant artists in contemporary Irish culture Professor Anne Fogarty Department of English University College Dublin Ireland About the Author Dr Pilar Villar Argiz lectures in the Department of English Philology at the University of Granada Spain where she obtained a European Doctorate in English Studies Irish Literature She is the author of *Eavan Boland's Evolution As an Irish Woman Poet An Outsider within an Outsider's Culture* The Edwin Mellen Press 2007 She has also published extensively on the representation of femininity in contemporary Irish women's poetry on cinematic representations of Ireland and on the theoretical background and application of feminism and postcolonialism to the study of Irish literature In addition Dr Villar Argiz has co-edited two books on English literature Irish Research Series No 51 **The Annotated Oscar Wilde** Oscar Wilde, 1982 *Mother Eva Mary*, C.T. Mrs. Harlan Cleveland, 1929 *Sociologies of Poetry Translation* Jacob Blakesley, 2018-11-29 While the sociology of literary translation is well established and even flourishing the same cannot be said for the sociology of poetry translation *Sociologies of Poetry Translation* features scholars who address poetry translation from sociological perspectives in order to catalyze new methods of investigating poetry translation This book makes the case for a move from the singular sociology of poetry translation to the pluralist sociologies in order to account for the rich variety of approaches that are currently emerging to deal with poetry translation It also aims to bridge the gap between the cultural turn and the sociological turn in Translation Studies with the range of contributions showcasing the rich diversity of approaches to analysing poetry translation from socio-cultural socio-historical socio-political and micro-social perspectives Contributors draw on theorists

including Pierre Bourdieu and Niklas Luhmann and assess poetry translation from and or into Catalan Czech English French German Italian Russian Slovakian Spanish Swahili and Swedish A wide range of topics are featured in the book including trends in poetry translation in the modern global book market the commissioning and publishing of poetry translations in the United States of America modern English language translations of Dante women poet translators in mid 19th century Ireland translations of Russian poetry anthologies into modern English the translation of Shakespeare's plays and sonnets in post colonial Tanzania and socialist Czechoslovakia translations and translators of Italian poetry into 20th and 21st century Sweden modern European poet translators and collaborative writing between prominent English and Spanish poet translators

Australian Dictionary of Dates and Men of the Time John Henniker Heaton, 1879 A pioneering Australian reference work this dictionary was published in 1879 by John Henniker Heaton 1848-1914 who in his youth spent twenty years as a journalist in Australia before returning to England and campaigning in Parliament for postal reform Published amid a bitter dispute with the government printer it is still acknowledged to contain much useful information despite some inaccuracies The first part Men of the Time focuses on notable men and women with Australian connections from 1542 to the date of publication including explorers governors leading colonists writers and scientists The second part The Australian Dictionary of Dates provides an alphabetical listing of the most remarkable Australian historical events and topics from Aboriginal cricketers to the Zig Zag railway line particularly noting political and legal landmarks Heaton's book is an important document of Victorian colonial historiography and a valuable resource for the history of European settlement in Australia

Poetry Harriet Monroe, 1995      The Collected Poems and Journals of Mary Tighe Mary Tighe, 2021-12-14 Mary Blachford Tighe was born in Dublin in 1772 and became a poet by the age of seventeen Her enormously popular 1805 epic poem *Psyche or The Legend of Love* made her a fixture of English literary history for much of the nineteenth century For much of the twentieth century however Tighe was better known for her influence on Keats's poetry than the considerable merits of her own work The *Collected Poems and Journals of Mary Tighe* restores Tighe to the general canon of English literature of the period With over eighty five poems including the complete *Psyche* and extracts from several journals both by and about Tighe Harriet Kramer Linkin's annotated edition is the most complete collection of Mary Tighe's work to be published in one volume
