## **Evangelical Affirmations:**

Evangelical Affirmations Kenneth S. Kantzer, Carl Ferdinand Howard Henry, 1990      *Evangelicals & Scripture* Vincent E. Bacote, Laura Miguelez Quay, Dennis L. Okholm, 2009-08-20 Vincent Bacote Laura C Miguelez and Dennis L Okholm present twelve essays that explore in depth the meaning of an evangelical doctrine of Scripture that takes seriously both the human and divine dimensions of the Bible      Evangelical Feminism Pamela Cochran, 2005 For most people the terms evangelical and feminism are contradictory Evangelical invokes images of conservative Christians known for their strict interpretation of the Bible as well as their support of social conservatism and traditional gender roles So how could an evangelical support feminism a movement that seeks at its most basic level to redress the inequalities injustice and discrimination that women face because of their sex Evangelical Feminism offers the first history of the evangelical feminist movement It traces the emergence and theological development of biblical feminism within evangelical Christianity in the 1970s how an internal split among members of the movement came about over the question of lesbianism and what these developments reveal about conservative Protestantism and religion generally in contemporary America Cochran shows that biblical feminists have been at the center of changes both within evangelicalism and in American culture more broadly by renegotiating the religious symbols which shape its deepest values      **Evangelical Truth** John Stott, 2012-07-14 John Stott's masterly distillation of sixty years reflection on Christian discipleship ranges over the history of the church and its formative teachings as well as the world wide church today He expounds the trinitarian character of the evangelical faith the gracious initiative of God the Father in revealing himself to us of Jesus Christ in redeeming us through the cross and of the indwelling Holy Spirit in transforming us This is why the three fold emphasis of evangelical faith is upon the Word of God the once for all nature of the work of Christ and the active continuing work of the Spirit This edition of Evangelical Truth contains The Cape Town Commitment a document produced by The Lausanne Movement faithfully reflecting the proceedings of The Third Lausanne Congress on World Evangelization      *Reformed and Always Reforming (Acadia Studies in Bible and Theology)* Roger E. Olson, 2007-10-01 The community of evangelicals sometimes seems so broad as to defy definition but theological conservatism has been one consistent marker Now says theologian Roger Olson postconservatism is moving beyond conventional battles against liberalism and heresy to posit a dynamic and realistic approach While conservatives strive to preserve tradition and protect orthodoxy postconservatives urge openness to doctrinal reform without abandoning orthodoxy Where differences exist between doctrine and Scripture doctrine must be brought into conformity with the Word Postconservatives want to free evangelical theology from its paradoxical captivity to rationalism and its obsession with facts so that it may recognize truth in experience and personal knowledge Theologians pastors seminarians and serious thinkers will find many depths to plumb in this exhaustive survey of critics advocates and fellow travelers on the evangelical journey      Daily Christian Affirmations for Teen Boys Todd Jones, 2025-06-17 This book of affirmations pairs powerful excerpts from

Scripture with 365 daily messages of inspiration and positivity for teen boys Being a teen isn't easy but teens can always take comfort in God's Word With His support teen boys can take on the day's challenges with confidence This book contains daily affirmations and positivity to support teen boys with whatever they might be going through Brief and easy Each affirmation takes just a minute or two to read and they aren't dated so teen boys can open the book to any page they like Making a consistent habit By spending a moment with God every day teen boys can refocus their energy on the things that matter and grow stronger through His love A year of prompts Find a prompt for each day of the year that includes a quote from the Bible and a simple explanation that helps teens understand it The opportunity to build their sense of strength and self in just a few minutes each day can happen with Daily Christian Affirmations for Teen Boys

**What Is Truth?** James Emery White, 2006-09-01 SEARCHING FOR ABSOLUTES IN A POSTMODERN WORLD In this postmodern age truth especially religious or moral truth is widely criticized and constantly challenged yet perhaps more important than ever It was this realization that led James Emery White to examine the concepts of truth as held by five twentieth century theologians Cornelius Van Til Millard J Erickson Francis A Schaeffer Donald G Bloesch Carl F H Henry

**Evangelicalism Is Dead** Paul O. Bischoff, 2020-02-17 Evangelicalism died peacefully surrounded by its family of affiliations coalitions publishers and organizations No churches were at its bedside It received flowers from the Spirituality Center of America for its contribution to free expression located in the born again experience The bulletin read A Celebration of Evangelicalism's Life and a Witness to Cultural Spirituality The few pastors who wanted the word resurrection in the bulletin were voted down lest seekers be offended by biblical doctrine Gnostics for America lauded evangelicalism for its theological view of the inner divine spark located in all humanity The media reported that the funeral appeared more like a conservative political rally A nationally recognized pastor of a megachurch was to be the keynote speaker but he was embroiled in a sex scandal The president of the Enneagram Esoteric Society was chosen instead Her topic was Enhancing the Fruit of the Spirit by Knowing Your Number Different speakers eulogized the deceased A representative of the therapeutic community praised the movement for how it left parishioners with emotional uplift after feel good sermons based upon devotional writings The ceremony was held in a theater with excellent projection and sound equipment though there was a two minute pause in the singing when the projection screen put up the words of a hymn rather than a praise song This book concludes in the same way evangelicalism's funeral did by pronouncing benediction at this movement's graveside For as soon as that occurs authentic Christianity characterized by a biblical gospel and return to the church may be able to usher in the kingdom of God going into the twenty first century

**The Revival of Natural Law** Nigel Biggar, Rufus Black, 2017-03-02 Natural law theory has been enjoying a significant revival in recent times Led by Germain Grisez in the USA and John Finnis in the UK one school of thinkers has been articulating a highly developed system of natural law built upon a sophisticated account of practical reasoning and a rich and flexible understanding of the human good However long standing prejudices against old

style natural law among moral philosophers and Protestant ethicists together with the new theory's appropriation by conservatives in the impassioned debate between the Vatican and dissenting theologians in the United States have prevented the Finnis Grisez version from being adequately appreciated. Providing a clear and substantive introduction to the theory for those who are new to it, this book then broadens, assesses, and advances the debate about it, examining crucial philosophical, theological, and ethical issues and opening up discussion beyond the confines of the Roman Catholic Church. Part 1 on philosophical issues starts with two broad chapters that locate the Grisez school in relation to modern moral philosophy and the Roman Catholic philosophical tradition of Thomism, and then follows these with further chapters on two crucial issues: the possibility of consensus on the human good and the nature of moral absolutes. Part 2 on theological dimensions begins with a Lutheran critique of Grisez, locates him in relation to the ethics of two very prominent 20th-century Protestants, Karl Barth and Stanley Hauerwas, and then explores the major area of theological controversy within the Roman Catholic community: how to conceive of the Church's authority with regard to moral matters. Part 3 subjects the school's thought to critical examination in a broad range of ethical fields: bioethics, gender, sex, and the environment. A concluding chapter then develops eight topics that recur in the course of the book: the status of ethical realism in the contemporary intellectual climate; whether realism is best conceived in rationalist or naturalist terms; whether marriage should be counted as a basic good; whether physical pleasure should not be counted a basic good; whether it is always wrong to act deliberately against a basic good; the problems of moral certainty and authority; the rapprochement between Protestant and Roman Catholic ethics; and finally, whether ethical understanding is really independent of one's anthropological point of view. Drawing together North American, European, and Australian contributors from across moral philosophy and Protestant ethics, as well as from Roman Catholic moral theology, this book opens up the debate about the Finnis-Grisez theory, highlighting its strengths and weaknesses in order to advance current discussion about natural law in moral theology and in moral and legal philosophy.

**Four Views on the Spectrum of Evangelicalism** Kevin Bauder, R. Albert Mohler, Jr., John G. Stackhouse, Jr., Roger E. Olson, 2011-10-04. Understand the history, core values, and divisions as they've developed within the Evangelical Christian movement. *Four Views on the Spectrum of Evangelicalism* compares and contrasts four distinct positions on the current fundamentalist evangelical spectrum. Each contributor offers their case for one of four primary views: Fundamentalism defended by Kevin T. Bauder; Conservative confessional evangelicalism defended by R. Albert Mohler, Jr.; Generic evangelicalism defended by John G. Stackhouse, Jr.; Postconservative evangelicalism defended by Roger E. Olson. Each author explains and defends his position, which is critiqued by the other three authors. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion.

**The Routledge Research Companion to the History of Evangelicalism** Andrew Atherstone, David Ceri

Jones, 2018-07-11 Evangelicalism an inter denominational religious movement that has grown to become one of the most pervasive expressions of world Christianity in the early twenty first century had its origins in the religious revivals led by George Whitefield John Wesley and Jonathan Edwards in the middle decades of the eighteenth century With its stress on the Bible the cross of Christ conversion and the urgency of mission it quickly spread throughout the Atlantic world and then became a global phenomenon Over the past three decades evangelicalism has become the focus of considerable historical research This research companion brings together a team of leading scholars writing broad ranging chapters on key themes in the history of evangelicalism It provides an authoritative and state of the art review of current scholarship and maps the territory for future research Primary attention is paid to English speaking evangelicalism but the volume is transnational in its scope Arranged thematically chapters assess evangelicalism and the Bible the atonement spirituality revivals and revivalism worldwide mission in the Atlantic North and the Global South eschatology race gender culture and the arts money and business interactions with Roman Catholicism Eastern Christianity and Islam and globalization It demonstrates evangelicalism s multiple and contested identities in different ages and contexts The historical and thematic approach of this research companion makes it an invaluable resource for scholars and students alike worldwide *Catholics and Evangelicals* Thomas P. Rausch, 2000 A report on the new dialogue growing up between Catholics and Protestant evangelicals with an honest summary of issues that still divide them The Bible Made Impossible Christian Smith, 2012-08-01 Biblicism an approach to the Bible common among some American evangelicals emphasizes together the Bible s exclusive authority infallibility clarity self sufficiency internal consistency self evident meaning and universal applicability Acclaimed sociologist Christian Smith argues that this approach is misguided and unable to live up to its own claims If evangelical biblicism worked as its proponents say it should there would not be the vast variety of interpretive differences that biblicists themselves reach when they actually read and interpret the Bible Far from challenging the inspiration and authority of Scripture Smith critiques a particular rendering of it encouraging evangelicals to seek a more responsible coherent and defensible approach to biblical authority This important book has generated lively discussion and debate The paperback edition adds a new chapter responding to the conversation that the cloth edition has sparked *The Variety of American Evangelicalism* Donald W. Dayton, 2002-05 Those labeled as evangelicals commonly are assumed to constitute a large and fairly homogeneous segment of American Protestantism This volume suggests that in fact evangelicalism is better understood as a set of distinct subtraditions each with its own history organizations and priorities The differences among groups are so important that the question arises Is the term evangelical useful at all This book attempts to enter as sympathetically as possible into the self understandings of movements usually grouped under the evangelical umbrella For each of twelve major traditions a leading scholarly interpreter first articulates the group s theological orientation and then explores the relationship between that movement and broader evangelical issues and

organizations Contributors develop remarkably useful and diverse conceptual strategies for charting the complex evangelical landscape In crisp summary chapters the editors draw differing conclusions from the many perspectives offered Donald Dayton wants to abandon the category evangelical altogether Robert Johnston sees the varied traditions as an extended family whose members embody common characteristics to greater or lesser degrees

**A Short History of Global Evangelicalism** Mark Hutchinson, John Wolffe, 2012-04-30 An overview of the history of evangelicalism as a global movement from its origins in the eighteenth century to the present

**Evangelicals and American Foreign Policy** Mark R. Amstutz, 2013-09-02 Mark Amstutz offers a timely and insightful look at how Evangelicals have shaped America's role in the world and how they can best use their power without compromising their principles

**C.S. Lewis and the Church** Judith Wolfe, Brendan N. Wolfe, 2013-01-17 C S Lewis himself a layperson in the Church of England has exercised an unprecedentedly wide influence on the faithful of Anglican Roman Catholic Evangelical and other churches all of whom tend naturally to claim him as one of their own One of the reasons for this diverse appropriation is the elusiveness of the church in the sense both of his own denomination and of the wider subject of ecclesiology in Lewis writings The essays contained in this volume critically examine the place character and role of the Church in Lewis life The result is a detailed and scintillating picture of the interactions of one of the most distinctive voices in twentieth century theology with the contemporaneous development of the Church of England with key concepts in ecclesiology and with interdenominational matters

**Jesus and the Gospel in Africa** Kwame Bediako, 2004 Jesus and the Gospel in Africa collects writings by Kwame Bediako and is the best source for his insights into the Christ of present day African history and the Jesus of African faith Bediako shows how intimately bound together are such elements as the message of Jesus and the struggle to give birth to African democracy Book Jacket

God Is Impassible and Impassioned Rob Lister, 2012-11-30 Modern theologians are focused on the doctrine of divine impassibility exploring the significance of God's emotional experience and most especially the question of divine suffering Professor Rob Lister speaks into the issue outlining the history of the doctrine in the views of influential figures such as Augustine Aquinas and Luther while carefully examining modernity's growing rejection of impassibility and the subsequent evangelical response With an eye toward holistic synthesis this book proposes a theological model based upon fresh insights into the historical biblical and theological dimensions of this important doctrine

*Architect of Evangelicalism* Carl F. H. Henry, 2019-11-27 Discover the ongoing relevance of the essential evangelical In recent years the label evangelical has been distorted and its usefulness questioned No one is better equipped to provide a clear understanding of evangelicalism than the late Carl F H Henry the founding editor of Christianity Today and the most influential theologian of American evangelicalism in the twentieth century While Billy Graham was preaching the gospel to stadiums full of people Henry was working tirelessly to help Christians adopt a worldview that encompasses all of life Architect of Evangelicalism helps us gain a better sense of the roots of American evangelicalism by giving us the best of

Henry's Christianity Today essays on subjects such as what defines evangelicalism what separates it from theological liberalism what evangelical Christian education should look like and how evangelicals should engage with society
