**Essentials** David Lawrence Edwards, John R. W. Stott, 1988      Evangelical Essentials David Lawrence Edwards, John R. W. Stott, 1989      Evangelical essentials : a liberal-evangelical dialogue David Lawrence ; Stott Edwards (John R. W.), 1989

The Remaking of Evangelical Theology Gary J. Dorrien, 1998-01-01 In this in depth historical analysis of evangelical theology Gary Dorrien describes how evangelicalism has developed and matured Beginning at the turn of the century and the start of the fundamentalist modernist controversies he notes the key figures and institutions of the evangelical movement He also shows how evangelicalism has both diversified and entered into the broader theological discussions of today      *Can Evangelicals Learn from World Religions?* Gerald R. McDermott, 2000-08-15 More than ever before Christians need to explain why they follow Jesus and not the Buddha or Confucius or Krishna or Muhammed This evangelical theology of religions addresses the problem of truth and revelation and takes seriously the normative claims of other traditions McDermott shows readers what Christians can learn from world religions without sacrificing the finality of Christ      *Godly Ambition* Alister Chapman, 2014 British Christian leader John Stott was one of the most influential figures of the evangelical movement during the second half of the twentieth century Called the pope of evangelicalism by many he helped to shape a global religious movement that grew rapidly during his career He preached to thousands on six continents Millions bought his books and listened to his sermons In 2005 Time included him in its annual list of the 100 most influential people in the world Alister Chapman chronicles Stott s rise to global Christian stardom The story begins in England with an exploration of Stott s conversion and education then his ministry to students his work at All Souls Langham Place London and his attempts to increase evangelical influence in the Church of England By the mid 1970s Stott had an international presence leading the evangelical Lausanne movement that attracted evangelicals from almost every country in the world Chapman recounts how Stott challenged evangelicals habitual conservatism and anti intellectualism showing his role in a movement that was as dysfunctional as it was dynamic *Godly Ambition* is the first scholarly biography of Stott Based on extensive examination of his personal papers it is a critical yet sympathetic account of a gifted and determined man who did all he could to further God s kingdom and who became a Christian luminary in the process      **Controversies in Mission** Rochelle Cathcart Scheuermann, Edward L. Smither, 2016-09-15 Crossing social cultural and religious barriers and making disciples of all nations has probably never been without some level of controversy This book is an attempt to hit the pause button on this rapid paced world and to reflect on how we do mission especially in light of the new layers of complexity that globalization brings While the contributors engage in new aspects of mission and cultural encounter unique to the twenty first century the underlying issues of each chapter are age old topics that have reared their heads at various times throughout history priorities in mission power struggles perspectives on cultural others and contextualization With that in mind our aims are twofold 1 to carefully consider issues causing tension and contention within current mission thought practice and strategy

and then 2 to engage in serious but charitable dialogue for the sake of God's mission and the salvation of all peoples

**John Stott** Edward L. Smither, 2023-12-19 Remembered as a pastor Bible teacher writer and ambassador for global mission John Stott 1921-2011 was also an early innovator of encouraging global missional theology Through his involvement in the Lausanne Movement and other global networks he made room at the table for majority world Christians and theologians to speak to matters of developing global theology Through his innovative work with Langham Partners he provided resources for global pastors to be trained in theology and a platform for global theologians to publish their work Ultimately he encouraged global theologians to forge their own theology

**Flames of Love** Heath Bradley, 2012-11-29 Is hell for real or will all be saved What if both are true It is tempting to settle either for the liberal option of downplaying the judgment of God or for the conservative option of letting dominant church tradition trump fresh understandings of Scripture Not settling for either of these popular options this book offers a clear and compelling response to the question of what hell could be for in a universe created and redeemed by a loving God The book seeks to articulate a distinctively Christian universalism that highlights the centrality of Christ coheres with the Scriptures and early church tradition affirms the reality of divine judgment and offers motivational grounds for evangelism and holy living Ultimately this work is about the Christian struggle to envision the life of the world to come in a way that is faithful to the God in whom love and holiness are forever united

*Encountering Theology of Mission (Encountering Mission)* Craig Ott, Stephen J. Strauss, Timothy C.

Tennent, 2010-05-01 This fresh comprehensive text fills a need for an up to date theology of mission It offers creative approaches to answering some of the most pressing questions in theology of mission and missionary practice today The authors who are leading mission experts discuss biblical theology of mission provide historical overviews of the development of various viewpoints and address theologically current issues in global mission from an evangelical perspective This readable yet thorough text integrates current views of the kingdom of God and holistic mission with traditional views of evangelism and church planting It also brings theology of mission into conversation with ecclesiology and eschatology Topics covered include contextualization the missionary vocation church and mission and theology of religions Sidebars and case studies enable readers to see how theology of mission touches real life mission practice

**A New Systematic Theology of the Christian Faith** Robert L. Reymond, 2010-01-31 A contemporary foundational statement of classic reformed faith now revised and updated Comprehensive coherent contextual and conversational Scripture saturated with more exegesis and more Scripture quotations than other one volume theologies Upholds classic Calvinist positions on baptism the Trinity church government and much more Interacts with contemporary issues and the work of other theologians Reveals the author's warmth and sensitivity born of more than 25 years as a professor at leading Reformed seminaries Numerous appendices covering special topics abundant resources for further study through footnotes and a selective bibliography A textbook for theology students a life long reference for libraries ministers teachers and professional theologians

**Toughest Questions About Heaven and Hell** Bruce Bickel, Stan Jantz, 2017-04-18 Bestselling Authors Tackle Difficult Issues for Believers and Doubters When it comes to the big questions about heaven and hell Are these real places Will God really send people to hell What will we actually do in heaven Bruce Bickel and Stan Jantz don't pretend to have all the answers But they do know how to wrestle with uncertainty and doubt They welcome questions and in these pages they ask some of the most important ones you have about heaven and hell With candor insight and a disarming touch of humor they provide some answers to these critical questions yet they leave enough space and grace for you to keep wrestling asking and seeking Truth There is no shame in asking after all even some of the greatest men and women in the Bible had doubts Don't let your questions go unanswered What you find might just change your life      **40 Questions About Heaven and Hell** Alan W. Gore, 2018-11-27 In 40 Questions About Heaven and Hell Alan Gomes surveys the Old and New Testaments to present a comprehensive picture of the afterlife The question and answer format makes it easy to find answers to specific questions on heaven hell the intermediate state the final judgment and life in eternity Readers will find solid answers to many vital questions What should we conclude about those who claim to have seen heaven or hell Is it possible for us to communicate with the dead Is there such a place as purgatory What will our resurrected bodies be like What will we do in the eternal state Will there be animals in the eternal state What is hell like How can a God of love send people to an eternal hell Did Jesus descend into hell like the Apostles Creed says Study notes point to additional resources for learning and reflection questions at the end of each chapter make the book ideal for small group studies      **One Lord, One Faith, Second Edition** Rex A. Koivisto, 2009-01-01 One Lord One Faith is a plea and plan to re envision the Church as a broad cross denominational community with a shared faith in the Christ of the Gospel It both affirms the place and inevitability of individual denominational traditions and also provides a grid from which to distinguish those denominational traditions from the core of historical orthodoxy shared by the entire Christian community The book seeks to distinguish denominationalism from sectarianism and identifies sectarianism as the true enemy of historic catholicity      **Hell** Eldon Woodcock Ph. D., 2012-07 You look like hell gasped a woman on TV to a disheveled man What did she mean What did she think hell looked like What did the term hell contribute to her portrait This is an example of the widespread trivializing of a once powerful term to depict eternal damnation to mere minutia Why does God damn the wicked to eternal punishment Or does He How is His judgment just Why and how do theologians strive to modify the results of his judgment How are we to evaluate views of hell that either soften or deny it The doctrine of punishment of the unredeemed after death originates in the Old Testament is developed in the intertestamental Jewish literature and culminates in the divinely authoritative New Testament doctrine of hell How can people avoid that dreadful fate If they should escape from it what should they then do What is involved in their saving others by snatching them out of the fire Jude 23 How does the deliverance from eternal punishment enhance our appreciation of what Jesus Christ accomplished on the cross What effect should it have on our Christian witness Distinctive contributions

include 1 a careful exegesis of key biblical texts containing a thorough analysis of the doctrine of hell 2 a rationale of God's punishment of the unredeemed 3 examination of the tours of hell genre 4 biblical and historical theological themes of witness and evangelism 5 ramifications of eternal damnation of the unsaved in terms of the urgency of witness

**Ministry on the Fireline** Ray S. Anderson, 2011-07-12 The best theory for fighting fires comes from actually engaging in the battle against the flames Ray Anderson writes For the thousands of pastors and church leaders who are on the firelines of God's mission in the world we need a theology that sings even as it stings igniting the mind and stirring the heart In these pages then Anderson passionately sets forth a vision of the church's work and mission based on its birthday Pentecost At Pentecost Christians were given the Holy Spirit in order to understand the incarnation and come alive to God So this key event directs and empowers the church in its service to the world In the light of Pentecost we learn that we can come to know God only in praxis truth discovered through action In the process of elucidating this praxis Anderson seeks to construct a theology that not only truly respects and aids ministers on the firelines but will also heal the breach between Pentecostal and mainline church theology

**Historical Theology** Gregg Allison, 2011-04-19 Historical Theology presents the key pillars of the contemporary church and the development of those doctrines as they evolved from the history of Christian thought Most historical theology texts follow Christian beliefs in a strict chronological manner with the classic theological loci scattered throughout various time periods movements and controversies making for good history but confusing theology This companion to the classic bestseller Systematic Theology is unique among historical theologies Gregg Allison sets out the history of Christian doctrine according to a topical chronological arrangement one theological element at a time instead of committing to a discussion of theological thought according to its historical appearance alone This method allows you to Contemplate one tenet of Christianity at a time along with its formulation in the early church through the Middle Ages Reformation and post Reformation era and into the modern period Become familiar with the primary source material of Christian history's most important contributors such as Cyprian Augustine Aquinas Luther Calvin Barth and others Understand the development of evangelical doctrine with a focus on the centrality of the gospel Discern a sense of urgent need for greater doctrinal understanding in the whole church Historical Theology is an easy to read textbook for any Christian who wants to know how the church has come to believe what it believes today Gregg Allison's clear and concise structure make this resource an ideal introduction to Christian doctrine

**Can You Hear My Pain Now?** Michael G. Maness, Kevaughn Mattis, 2022-05-05 Pastoral care and its theology get a gentle boost from some of the best in the business of caring for the soul When a person hurts they often look to God Several pathfinders give new light from their specialties each one speaking powerfully uniquely and artfully from decades of experience Dr Amos Yong's article on disability forwards the amazingly helpful term temporarily able bodied Greek Orthodox Dr Vasileios Thermos and Roman Catholic Dr Robert Fastiggi enlighten next to the powerful testaments of Professor Godfrey Harold on South Africa and Dr Samuel Yonas

Deressa on Ethiopia Each weathered author contributes universal insights into the grace of our great God and challenges pastors throughout the Christian world to kindly consider the heart of the afflicted These finely hewn stones can be used by anyone in the ministry to sharpen their serve Mattis and Maness offer this third collection from Testamentum Imperium with a prayer that these will open new avenues of sensitivity to the hearts and souls of those in travail and aid those who are called by God to serve those in pain      *Christian Mission in the Modern World* John Stott, Christopher J. H.

Wright, 2015-11-05 Newly updated and expanded by Christopher J H Wright John Stott s classic book presents an enduring and holistic view of Christian mission that must encompass both evangelism and social action Through a thorough biblical exploration Stott provides a biblically based approach to mission that addresses both spiritual and physical needs

*Introducing Christian Theologies, Volume Two* Victor I. Ezigbo, 2015-12-31 Should Christianity s theological face remain largely European and North American in the twenty first century in the wake of the expansion of Christianity in sub Saharan Africa Asia and Latin America The question about the theological face of Christianity cannot be ignored For too long African Asian and Latin American theologians have been left out of mainstream theological discussions Few standard textbooks on Christian theology acknowledge the unique contributions theologians from these continents have made to global Christianity *Introducing Christian Theologies Voices from Global Christian Communities* is a two volume textbook that alters the predominantly European and North American theological face of Christianity by interacting with voices of Christian communities from across the globe *Introducing Christian Theologies* explores the works of key theologians from around the world highlighting their unique contributions to Christian theology and doctrine
