Evangelical Ethics Issues Facing The Church Today:

Evangelical Ethics John Jefferson Davis, 1985 *Evangelical Ethics* John Jefferson Davis, 2015 For three decades Evangelical Ethics has been regarded as one of the best treatments of contemporary ethical problems facing Christians John Jefferson Davis brings mature biblical thought to issues such as homosexuality genetics abortion euthanasia war and peace the environment divorce and remarriage This fourth edition includes a new chapter on the history and legacy of slavery in the United States Other chapters have been revised and updated back of book **The Possibility and Role of Supererogation in Evangelical Ethics** B. J. Condrey, 2023-01-10 Supererogation is an awkward term but a useful concept While not a term that we use every day the concept is very familiar to most of us It is an act that is neither obligatory nor forbidden and that possesses moral worth While Roman Catholics and a large number of moral philosophers affirm the possibility and value of such acts Evangelicals from the time of the Reformation have rejected them Yet this is to their detriment Relying on Gregory Mellema's insight that acts of supererogation are possible without compromising the orthodox Evangelical doctrine of justification I argue that there is clear evidence for supererogation in the New Testament and that performing such deeds with a proper motive is essential in an Evangelical account of supererogation It is my hope that Evangelicals will reconsider the possibility of supererogation and embrace the concept as a useful tool in counseling contexts biblical interpretation and homiletics **The End of Evangelicalism? Discerning a New Faithfulness for Mission** David E. Fitch, 2011-02-04 In *The End of Evangelicalism* David Fitch examines the political presence of evangelicalism as a church in North America Amidst the negative image of evangelicalism in the national media and its purported decline as a church Fitch asks how evangelicalism's belief and practice has formed it as a political presence in North America Why are evangelicals perceived as arrogant exclusivist duplicitous and dispassionate by the wider culture Diagnosing its political cultural presence via the ideological theory of Slavoj Žižek Fitch argues that evangelicalism appears to have lost the core of its political Jesus Christ In so doing its political has become empty Its witness has been rendered moot The way back to a vibrant political presence is through the corporate participation in the triune God's ongoing work in the world as founded in the incarnation Herein lies the way towards an evangelical missional political theology Fitch ends his study by examining the possibilities for a new faithfulness in the current day emerging and missional church movements springing forth from evangelicalism in North America *The Unformed Conscience of Evangelicalism* J. Daryl Charles, 2002-01-01 J Daryl Charles urges the evangelical church to better equip in character and moral vision its pastors leaders and members to constructively and effectively engage the ethical debates of the twenty first century **The Christian Case against Contraception** Bryan C. Hodge, 2010-01-01 Evangelicals often give little thought to the morality of contraception but when they do serious studies of the subject are scarce if not non-existent *The Christian Case against Contraception* seeks to fill this gap by evaluating the practice not from personal preferences or mere experience but from the four major theological disciplines of Christianity

Historical Biblical Systematic and Practical Theology and Ethics The book begins with a contrastive analysis between secular and ecclesiastical culture and thought concerning the subject of contraception and the purpose of the sexual act The claims of the Church that contraception is morally unacceptable is examined further as the book takes the reader on a journey through biblical systematic and practical arguments which establish the foundations of the Historic Church's claim Opposing arguments are evaluated as to their strength and validity In fact Hodge stirs the debate with a challenge that he has yet to see Christians set forth a valid biblical argument in support of contraceptive practices For the reader seeking to place procreative ethics under the lordship of Christ The Christian Case against Contraception offers a bold and clear way forward Bryan Hodge approaches a subject that seems too often to be subject to our passions with sobriety and fidelity He canvasses the wisdom of the church stands firm on the authority of the Bible and in so doing directs us all to greater obedience greater faith and in the end greater joy R C Sproul Jr author of Bound for Glory The Meaning of Sex Dennis P. Hollinger,2009-06 An ethicist provides an engaging exploration of the meaning of sex and articulates a Christian ethic for addressing a host of sexual issues facing readers today The Intimidation Factor Charles Redfern,2020-08-05 What do we do when a formerly vibrant back to the Bible movement drifts into a toxic swamp rimmed with attack dogs Charles Redfern faces that grim question squarely He discovers that American evangelical Christianity which surged in the mid twentieth century and offered a more genteel intellectually vigorous alternative to caustic fundamentalism fell into the hands of intimidators and backbiters It was a short journey from there to the movement's partisan sell out and the abandonment of time honored creeds Redfern describes his own story in which he came into the faith at the movement's height in the 1970s then views evangelicalism's decay across its spectrum He doesn't spare conflict adverse moderates in the process But he also discovers hope A winsome remnant survives and its wooing the back to the Bible people back to the Bible bearing the fruits of the Holy Spirit as they do so **What Is the Meaning of Sex?** Denny Burk,2013 Sex was created by God for his glory With clarity and compassion this book sets forth the Bible's teaching on sexuality from a complementarian perspective dealing with controversial issues such as homosexuality and polygamy The Superiority of an Evangelical Model of Religious Liberty Daniel J. Trippie,2022-11-14 Religious liberty is America's first freedom But in recent years challenges to religious liberty have abounded For example some claim that religious freedom promotes intolerance and bigotry while others contend religious freedom condemns people to hell And others weaponize religious liberty for culture warring Nevertheless evangelicals believe that religious liberty is fundamentally a matter of human dignity thus religious liberty is a right we must preserve for all people This book will explore how evangelical anthropology cosmology and eschatology offer the most stable basis for religious freedom Secular and Roman Catholic theories may positively contribute to religious liberty but the evangelical model is superior because it answers fundamental questions left unanswered in other models *I Am Put Here for the Defense of the Gospel* Terry L. Miethe,2016-04-19 Dr Norman L Geisler has been called the father of evangelical Christian

philosophy He has written more than one hundred books and taught at universities and top seminaries for some fifty six years He was the first president of the Evangelical Philosophical Society and the founder and first president of the International Society of Christian Apologetics He has spoken or debated in more than two dozen countries and held pastoral pulpit ministries in four states Many view him as a cross between Thomas Aquinas and Billy Graham No one has done more to communicate the modern challenges of the Faith to the average Christian to the church and to the academy This volume offers creative and constructive essays from twenty three contributors all notable in their own right who preserve and propagate Dr Geisler s ideas and express appreciation for his influence Those who know him best say he is true faithful and blessed by God *Cura Animarum* Ioan C. Veres,2025-04-25 As artificial intelligence advances healthcare faces a profound ethical question Can machines truly care This book critically examines the rise of AI driven social robots carebots in patient care evaluating their benefits and potential harms through the lens of Christian ethics While AI may enhance efficiency and offer support in specific healthcare contexts it also risks dehumanizing care replacing genuine human presence with technological substitutes Grounded in a theology of covenant care this work builds its ethical argument around the biblical parable of the Good Samaritan emphasizing the irreplaceable nature of human compassion It presents theological and ethical criteria to guide the responsible use of AI in healthcare ensuring that technology serves rather than supplants the dignity of human relationships This book is essential reading for theologians ethicists healthcare professionals and AI developers navigating the intersection of faith ethics and emerging technology As healthcare increasingly integrates AI *Cura Animarum* challenges readers to consider where technology supports human dignity and where it threatens to erode the essence of genuine care Is AI merely a tool or does it risk redefining what it means to care *Routes & Radishes* Mark Russell,2010 *Routes and Radishes* invites you into a conversation about what the evangelical movement has been and what it is going to be Five influential younger generation evangelicals discuss their passions for shaping the evangelicalism of the future They encourage you to consider the challenges and opportunities that face rising leaders within diverse evangelical communities God, Marriage, and Family (Second Edition) Andreas J. Köstenberger,David W. Jones,2010-05-05 The release of the landmark first edition of *God Marriage and Family* provided an integrated biblical treatment of God s purposes for the home Since then explain authors Andreas K stenberger and David Jones the crisis confronting modern households has only intensified and yet the solution remains the same obedience to and application of God s Word In the second edition of *God Marriage and Family* K stenberger and Jones explore the latest controversies cultural shifts and teachings within both the church and society and further apply Scripture s timeless principles to contemporary issues This new edition includes an assessment of the family integrated church movement discussion of recent debates on corporal punishment singleness homosexuality and divorce and remarriage new sections on the theology of sex and the parenting of teens and updated bibliographies This book will prove to be a valuable resource for personal and group study Christian counseling and marriage

and family courses Bioethics Yearbook B.A. Lustig, B.A. Brody, H. Tristram Engelhardt Jr., Laurence B.

McCullough, 2012-12-06 As the field of bioethics has matured increasing attention is being paid to how bioethical issues are treated in different moral and religious traditions and in different regions of the world It is often difficult however to obtain accurate information about these matters The Bioethics Yearbook series provides interested parties with analyses of how such issues as new reproductive techniques abortion maternal fetal conflicts care of seriously ill newborns consent confidentiality equitable access cost containment withholding and withdrawing treatment active euthanasia the definition of death and organ transplantation are being discussed in different religious traditions and regions Volume Three discusses theological developments from 1990 1992 in Anglican Baptist Buddhist Catholic Continental Protestant Eastern Orthodox Hindu Jewish Latter Day Saint Lutheran Methodist Muslim and Presbyterian traditions Volume Four will continue coverage of official governmental and medical society policies on these topics throughout the world *Real Marriage* Mark Driscoll, Grace Driscoll, 2013-01-07 Most marriage books assume the author did it right Most marriage books barely mention friendship Most marriage books use intimacy as code for sex This is not one of those books In *Real Marriage* Pastor Mark Driscoll and his wife Grace share how they have struggled and how they have found healing through the power of the only reliable source the Bible They believe friendship is fundamental to marriage but not easy to maintain So they offer practical advice on how to make your spouse your best friend and keep it that way And they know from experience that sex related issues need to be addressed directly Five chapters are dedicated to answering questions like Should I confess my pre marital sexual sin to my spouse Is it okay to have a work spouse What does the Bible say about masturbation and oral sex Stunningly honest and vulnerable *Real Marriage* is like a personal counseling session with a couple you cannot surprise you cannot shock into silence who will respond to every question with wisdom humility and realism If you want to have a long lasting fulfilling marriage you should read this book Wrestle with this book Pray over this book Share this book And discover how God can use it to change your life Endorsements If you re married or plan to be someday do yourself a favor and read every page of this book DRS LES LESLIE PARROTT Founders of RealRelationships com and authors of Love Talk Whether engaged newlywed or veteran *Real Marriage* will serve as an invaluable resource I highly recommend this book ANDY STANLEY author of *The Grace of God* and Senior Pastor North Point Community Church One of my greatest concerns is that culture is going to continually define and redefine what marriage is and is not and the church is going to simply sit on the sidelines and react rather than seeking to actually become proactive by confidently teaching what the Bible has to say about it That is why I am so thankful that Mark and Grace Driscoll wrote this book Their approach to marriage its benefits and challenges are transparent and challenging and I honestly believe that every married couple who will work through what they lead us through in this book will not just merely have a marriage that survives in this world but rather thrives in it PERRY NOBLE Senior Pastor NewSpring Church Our thanks to Mark and Grace Driscoll who have served this generation well by tastefully

but boldly addressing the real issues facing real marriages Taking the unchanging truth of God's word and sprinkling in is the story of God's mercy in their own marriage they have filled every chapter with real helpfulness This book is powerful biblical practical and healing for marriages that hurt My wife and our adult children read it to great profit DR JAMES MACDONALD Senior Pastor Harvest Bible Chapel and Bible teacher for Walk in the Word **Evangelical America** Timothy J. Demy, Paul R. Shockley Ph.D., 2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of Evangelical America An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work's coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture It also illustrates the Evangelical movement's influence internationally in key issues such as human rights environmentalism and gender and sexuality Pro-Life Pulpit Stephen Tu, 2011-05-23 Over one million unborn children are intentionally aborted every year in North America Voiceless and helpless their blood cries out Will those of us who serve as pastors and preachers respond from our pulpits Silence is not an option We cannot keep quiet while thousands of our neighbors made in the image of God are being led to the slaughter every day But neither should we condemn and vilify those who are complicit in their deaths A truly pro life pulpit ministry opposes the injustice of abortion with truth courage and understanding Tears mingled with hope overflowing with grace After all the Christian faith is rooted in the good news of a Messiah who was once an embryo Nine months before he was born Jesus was conceived by the Holy Spirit and for the next forty weeks he lived and grew in the womb of an unwed teenaged mother He is at the heart of our preaching and this book will show you how to confront the sin of abortion by proclaiming the God who became abortable in order to save sinners

Philosophy, Who Needs It? Jason D. Crowder, 2016-03-02 Too often skeptics charge Christians with having a blind faith Unfortunately believers have added fuel to the charges of skeptics by speaking of their faith illogically But the Christian faith is not a blind faith In fact biblical faith is never a blind irrational faith Christianity rests firmly on the stone that was rejected by the builders which has become the cornerstone Jesus Christ Acts 4:11 Living biblically requires thinking biblically just as to think biblically entails to live biblically as Winfried Corduan notes in the Foreword As followers of Christ believers cannot separate biblical thinking and biblical living These two behaviors are eternally connected not only in the person of Jesus Christ but they stem from the eternal being of God the Father and his eternal truth Christ mandates that his followers love God with their entire being heart soul mind and strength Mark 12:30 How are believers to go about living out this biblical mandate Christian faith is a warranted belief This is why it is so essential that Christians recognize the value and importance

of philosophy and its proper place in Christendom and in the Christian's walk
