Evangelical Renewal In The Mainline Churches

Robert E. Webber

Evangelical Renewal In The Mainline Churches:

Evangelical Renewal in the Mainline Churches Ronald H. Nash, 1987 *Turning Around the Mainline* Thomas C. Oden, 2006 An accessible case study that introduces the current issues in today's churches providing clarity and civil discourse on renewal movements and how they are impacting mainline denominations [Everything You Know about Evangelicals Is Wrong \(Well, Almost Everything\)](#) Steve Wilkens, Don Thorsen, 2010-08-01 While evangelicals make up a significant portion of American society they still constitute a mystery for many They exert considerable influence on virtually every aspect of American life and culture yet by those who don't appreciate them they're seen as rednecks crypto fundamentalists and people without education Wilkens and Thorsen contend that evangelicals are tired of being caricatured and provide an insider's look at myths and realities surrounding the movement They winsomely and sometimes humorously assess the breadth and depth of evangelical beliefs values and practices arguing that evangelicalism is identifiable by a family resemblance vitality and relevance that transcends particular theological and political stereotypes that arise inside as well as outside of it The book provides a synthetic presentation of contemporary evangelical Christianity as well as critiques of it

Mainline Churches and the Evangelicals Richard G. Hutcheson, 1981 **Toward an Evangelical Public Policy** Ronald J. Sider, Diane Knippers, 2005-02 Deepens thinking about biblical and other conceptual foundations for political engagement in order to unify and give consistency to evangelicals involvement in politics *The SCM Press A-Z of Evangelical Theology* Roger E. Olson, 2005 The SCM Press A-Z of Evangelical Theology is a comprehensive critical survey of the main persons events controversies concepts and institutions of twentieth century evangelical theology It will introduce readers to and be a reference work for the study of evangelicalism's distinctive theological vision in its unity and diversity Olson explores evangelical theology through five lenses The Story of Evangelical Theology Movements and Organisations Related to Evangelical Theology Key Figures in Evangelical Theology Traditional Doctrines in Evangelical Theology and Issues in Evangelical Theology Here is a unique compact narrative description of the origins rise and significance of evangelical theology today About the Author Roger E Olson is Professor of Theology at George W Truett Theological Seminary Baylor University USA *Evangelical America* Timothy J. Demy, Paul R. Shockley Ph.D., 2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of Evangelical America An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work's coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture It also illustrates the

Evangelical movement s influence internationally in key issues such as human rights environmentalism and gender and sexuality

The Younger Evangelicals Robert E. Webber,2002-10-01 Robert E Webber has led worship workshops in every major city in the United States and Canada Through his conversations and contacts with a network of emerging church leaders he calls the younger evangelicals Webber sees how this new generation and their style of leadership is bringing change and renewal to the evangelical church These leaders who include those young in spirit as well as young in age have important insights to offer all generations faced with doing church in a rapidly changing postmodern culture The Younger Evangelicals explores the characteristics of these emerging leaders and provides an outlet for their stories Beginning with a brief overview of twentieth century evangelicalism Webber examines what is different about the twenty first century younger evangelicals way of thinking about faith and practicing church He allows them Ph D s and laypeople to speak in their own words on issues such as communication theology apologetics pastoral leadership evangelism worship and spiritual formation Thought provoking energizing and timely The Younger Evangelicals is a landmark book for pastors and church leaders culture watchers ministry students and worship leaders who want to prepare for and respond to the new evangelical awakening brought on by our changing cultural context Research in the Social Scientific Study of Religion, Volume 15

Ralph L. Piedmont,David O. Moberg,2004-11-01 Research in the Social Scientific Study of Religion RSSSR publishes reports of innovative studies that pertain empirically or theoretically to the scientific study of religion including spirituality regardless of their academic discipline or professional orientation Various articles are presented covering psychological sociological and cross cultural topics relevant to religious spiritual researchers and academics

Christianity Through the Centuries Earle E. Cairns,2009-09-13 The third edition of Christianity Through the Centuries brings the reader up to date by discussing events and developments in the church into the 1990s This edition has been redesigned with new typography and greatly improved graphics to increase clarity accessibility and usefulness New chapters examine recent trends and developments expanding the last section from 2 chapters to 5 New photos Over 100 photos in all more than twice the number in the previous edition Single column format for greater readability and a contemporary look Improved maps 21 and charts 39 Building on the features that have made Christianity Through the Centuries an indispensable text the author not only explains the development of doctrines movements and institutions but also gives attention to the impact of Christianity on its times and to the mark of the times on Christianity American Evangelicalism

Christian Smith,Michael Emerson,Sally Gallagher,Paul Kennedy,David Sikkink,2014-12-10 An excellent study of evangelicalism from the award winning sociologist and author of Souls in Transition and Soul Searching Library Journal Evangelicalism is one of the strongest religious traditions in America today twenty million Americans identify themselves with the evangelical movement Given the modern pluralistic world we live in why is evangelicalism so popular Based on a national telephone survey and more than three hundred personal interviews with evangelicals and other churchgoing Protestants this study provides a

detailed analysis of the commitments beliefs concerns and practices of this thriving group Examining how evangelicals interact with and attempt to influence secular society this book argues that traditional orthodox evangelicalism endures not despite but precisely because of the challenges and structures of our modern pluralistic environment This work also looks beyond evangelicalism to explore more broadly the problems of traditional religious belief and practice in the modern world With its impressive empirical evidence innovative theory and substantive conclusions American Evangelicalism will provoke lively debate over the state of religious practice in contemporary America Based on a three year study of American evangelicals Smith takes the pulse of contemporary evangelicalism and offers substantial evidence of a strong heartbeat Evangelicalism is thriving says Smith not by being countercultural or by retreating into isolation but by engaging culture at the same time that it constructs maintains and markets its subcultural identity Although Smith depends heavily on sociological theory he makes his case in an accessible and persuasive style that will appeal to a broad audience Publishers Weekly

The Dispensational-Covenantal Rift R. Todd Mangum, 2007-06-01 This groundbreaking study explores how the fight between dispensationalists and covenant theologians started and how a unique dynamic of personalities and sociological factors enflamed it Readers may be surprised to discover that even the terminology of dispensationalists and covenant theologians originated in the 1930s disputes that the majority of the original protagonists on both sides were Presbyterians and that soteriology rather than eschatology was the original bone of contention between them This study examines how two respective strands of fundamentalism came to identify one another as theological rivals as they each vied for position in their recently formed separatist bodies The significance of disagreements over dispensationalism is explored in the founding of the Orthodox Presbyterian and Bible Presbyterian churches And then as the debate traveled southward the response of the PCUS is examined with special attention given to the consummative reports of an ad hoc committee that found dispensationalism to be out of harmony with the Westminster doctrinal standards Significant misunderstandings that impeded fruitful dialogue from the beginning are clarified particularly those that have persisted most stubbornly to the present day Perhaps most surprising of all the reader will discover that nearly all of the original points of debate between dispensationalists and covenant theologians have since been resolved as each side has honed its position in light of pertinent critiques Why has this development gone almost unnoticed This study suggests an answer and proposes that understanding how the feud began may hold the key to rapprochement today

Global Evangelicalism Donald M. Lewis, Richard V. Pierard, 2014-09-02 Front rank historians of evangelicalism gather in this introduction and overview of the surprising and dynamic global Christian movement known as evangelicalism Its defining characteristics are discussed its regional growth and expansion surveyed its place in globalization weighed and its salient features sampled

Religion and American Culture George M. Marsden, 2018-09-06 While Americans still profess to be one of the most religious people in the industrialized world many aspects of American culture have long been secular and materialistic That is just one of the many

paradoxes contradictions and surprises in the relationship between Christianity and American culture In this book George Marsden a leading historian of American Christianity and award winning author tells the story of that relationship in a concise and thought provoking way Surveying the history of religion and American culture from the days of the earliest European settlers right up through the elections of 2016 Marsden offers the kind of historically and religiously informed scholarship that has made him one of the nation s most respected and decorated historians Students in the classroom and history readers of all ages will benefit from engaging with the story Marsden tells *Evangelicals, Worship and Participation* Alan Rathe, 2016-04-22 In discussions of worship the term participation covers a lot of ground It refers not only to concrete acts in gathered liturgy but also to some of the loftiest claims of Christian theology In this book Alan Rathe probes the ways in which North American evangelicals have in recent years regarded the landscape of participation Rathe presents a broad review of evangelical worship literature through a lens borrowed from medieval theology This brings into surprising focus not only evangelical understandings but also evangelical identities and the historical traditions they reflect and offers fresh perspectives on such current theological concerns as God s triunity missio Dei and the practical theology of participation Offering a fresh contribution to a young but important discipline the liturgically informed study of evangelical worship practice this book reconnects the evangelical tradition to the Great Tradition and in the process re appropriates classic concepts that are full of promise for contemporary ecumenical dialogue **The Lord's Prayer in the Ghanaian Context** Michael Wandusim, 2021-10-25 This study explores the reception history of the Lord s Prayer in the Ghanaian context After presenting the current state of research in the Lord s Prayer from an exegetical perspective this book discusses a wide field of hermeneutical approaches such as inculturation biblical hermeneutics mother tongue biblical hermeneutics African feminist biblical hermeneutics liberation biblical hermeneutics and post colonial biblical hermeneutics Taking the discussions of these approaches together it was realised that the general hermeneutical setting in Ghana and Africa as whole is reader centred i e the readers play an active role in the hermeneutical process and the results of the hermeneutical process are aimed at the readers contexts and the transformation of those contexts Post-Christendom Studies: Volume 3 Steven M. Studebaker, Lee Beach, Gordon L. Heath, 2019-08-29 Post Christendom Studies publishes research on the nature of Christian identity and mission in the contexts of post Christendom Post Christendom refers to places both now and in the past where Christianity was once a significant cultural presence though not necessarily the dominant religion Sometimes Christendom refers to the official link between church and state The term post Christendom is often associated with the rise of secularization religious pluralism and multiculturalism in western countries over the past sixty years Our use of the term is broader than that however Egypt for example can be considered a post Christendom context It was once a leading center of Christianity Christendom moreover does not necessarily mean official public and dominant religion For example under Saddam Hussein Christianity was probably a minority religion but for the most part Christians were left alone After America

deposed Saddam Christians began to flee because they became a persecuted minority In that sense post Saddam Iraq is an experience of post Christendom it is a shift from a cultural context in which Christians have more or less freedom to exercise their faith to one where they are persecuted and or marginalized for doing so

Power, Politics, And Pentecostals In Latin America Edward L Cleary, 2018-02-07 Today over forty million Latin Americans classify themselves as Protestant of which the overwhelming majority belong to some form of Pentecostalism The rapid dissemination of Pentecostal beliefs has produced vibrant alternatives to traditional dominant culture and changed relations within the family locality and workplace This volume introduces broad issues in the Pentecostal movement including gender relations political power and organization and inter Pentecostal and ecumenical relations These themes are then examined more specifically in the country case studies which address the historical foundations of the Pentecostal movement patterns of and explanation for its growth and the consequences of its expanding presence including increased political influence

Trusting the Spirit Richard Cimino, 2002-03-14 Can renewal and reform groups rekindle spiritual vitality and fervor in today's religious institutions The call to revive one's faith fills more pages of the Christian and Jewish scriptures than any other theme Today reform and renewal organizations and movements play a key role in most denominations whether conservative moderate or liberal In this fascinating book Richard Cimino provides you with an in depth look at six vibrant reform and renewal movements that are revitalizing traditional faith communities from the inside out Cimino walks you through how all the components of renewal and reform the organization the larger denomination the congregation and the individual members interact at both local and national levels and answers the question of how effective these organizations and movements are within their traditions Filled with interviews and case studies *Trusting the Spirit* concludes by outlining strategies for renewal and reform that can be put into practice in a wide range of religious contexts

The Changing Church C. Peter Wagner, 2004-07-07 Peter Wagner tells readers exactly how they can contribute to the Church's worldwide fulfillment of God's kingdom on earth The Changing Church sheds light on the exciting things that are happening by the power of the Holy Spirit The Church is being aligned with God's plan for the Great Harvest While we might feel small in the scheme of things we can make a huge impact when we unite with what God is doing worldwide This new vision overlooks denominational barriers asking one and all to join together for the ultimate fulfillment of God's purposes
