The Practical Nature of the Doctrines and Alleged Revelations Augustus Clissold,Richard Whately,2025-07-27 Reprint of the original first published in 1839 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Subject Guide to Books in Print ,1984 Aquinas on Faith, Reason, and Charity Roberto Di Ceglie,2022-03-27 This book offers a new reading of Aquinas s views on faith The author argues that the theological nature of faith is crucial to Aquinas s thought and that it gives rise to a particular and otherwise incomprehensible relationship with reason The first part of the book examines various modern and contemporary accounts of the relationship between faith and reason in Aquinas s thought The author shows that these accounts are unconvincing because they exhibit what he calls a Lockean view of faith and reason which maintains that the relationship between faith and reason should be treated only by way of evidence In other words the Lockean view ignores the specific nature of the Christian faith and the equally specific way it needs to relate to reason The second part offers a comprehensive account of Aquinas s view of faith It focuses on the way the divine grace and charity shape the relationship between evidence and human will The final part of the book ties these ideas together to show how Christian faith with its specifically theological nature is perfectly compatible with rational debate It also argues that employing the specificity of faith may constitute the best way to promote autonomous and successful rational investigations Aquinas on Faith Reason and Charity will be of interest to scholars and advanced students working on Aquinas philosophy of religion Christian theology and medieval philosophy **The Analogy of Religion** Butler,1852 The analogy of religion, natural and revealed, to the constitution and course of nature [&c.]; and fifteen sermons. With a preface by S. Halifax. [&c.] by a member of the University of Oxford Joseph Butler (bp. of Durham.),1852 **The Analogy of Religion ... A New Edition, with an Introductory Essay, by Rev. Albert Barnes; and a Complete Index** Joseph Butler,1851
