Evangelism And Apostasy:

Evangelism and Apostasy Kurt Derek Bowen,1996 In *Evangelism and Apostasy* the first sociological survey of Evangelicals in present day Mexico Kurt Bowen evaluates the appeal character and future growth of the Evangelical community Nature and Causes of Apostasy from the Gospel John Owen,2018-05-23 Too often church adherents don't take seriously the issue of apostasy in their churches We will accept a person falling away and coming back as many times as needed without thinking of the theological ramifications for allowing a person to continuously crucify Christ at their own whim Owen in this work shows the serious problem that apostasy brings to a church body and also the seriousness in our own lives of people around us that fall away from the true and only Christian faith **A History of Christian Conversion** David W. Kling,2020-05-05 Conversion has played a central role in the history of Christianity In this first in depth and wide ranging narrative history David Kling examines the dynamic of turning to the Christian faith by individuals families and people groups Global in reach the narrative progresses from early Christian beginnings in the Roman world to Christianity's expansion into Europe the Americas China India and Africa Conversion is often associated with a particular strand of modern Christianity evangelical and a particular type of experience sudden overwhelming However when examined over two millennia it emerges as a phenomenon far more complex than any one dimensional profile would suggest No single unitary paradigm defines conversion and no easily explicable process accounts for why people convert to Christianity Rather a multiplicity of factors historical personal social geographical theological psychological and cultural shape the converting process *A History of Christian Conversion* not only narrates the conversions of select individuals and peoples it also engages current theories and models to explain conversion and examines recurring themes in the conversion process divine presence gender and the body agency and motivation testimony and memory group and self identity authentic and nominal conversion and modes of communication Accessible to scholars students and those with a general interest in conversion Kling's book is the most satisfying and comprehensive account of conversion in Christian history to date this major work will become a standard must read in conversion studies *The Gospel and the great Apostasy; or, Popery contrasted with pure Christianity, in the light of history and scripture* ,1799 Acts: Jimmy Swaggart Bible Commentary Jimmy Swaggart,1996 **ACTS BIBLE COMMENTARY** After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy

Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God

The Great Apostasy - In the Light of Scriptural and Secular History James E. Talmage, 2022-11-13 In *The Great Apostasy In the Light of Scriptural and Secular History* James E Talmage meticulously examines the decline of the early Christian church employing a unique blend of theological analysis and historical scrutiny This scholarly work delves into the doctrinal shifts and institutional divergences that led to the fragmentation of early Christian teachings Talmage s literary style is characterized by clear exposition and logical argumentation seamlessly interweaving scriptural references with historical evidence By situating the apostasy within a broader historical context he illuminates how ecclesiastical deviations emerged over centuries providing readers with a comprehensive understanding of this pivotal phenomenon in religious history James E Talmage a prominent figure in the early 20th century Latter day Saint movement was deeply influenced by his religious convictions and his passion for historical research His background as a theologian and educator is reflected in this work as he strives to reconcile faith with reason Talmage s rigorous scholarship and spiritual insights are rooted in his commitment to elucidating the complexities of early Christianity which he viewed as essential for understanding the restoration of true doctrine in modern times This book is highly recommended for readers interested in the intersections of religion history and theology It serves as an essential resource for those seeking to grasp the intricacies of early Christian developments and the implications of apostasy Talmage s well researched arguments challenge and inspire a deeper reflection on the nature of faith and continuity in church history

Escape from Apostasy Mischa S. Safdie, 2015-09-24 Bible prophecy warns us of a time of rampant false teaching entering the organized Christian Church These prophecies warn of a time of teachers ministers and believers alike being taken captive by spirits of deception and doctrines of demons It speaks of a time that there will be a great falling away and departure from the true foundation faith provided in the Word of God That time has arrived In a time of great falling away from true Biblical doctrine and practice this book is designed to bring the cross of Jesus Christ and Christian message as it was intended back to the Church and to all Christian believers The book covers everything from defining the true born again experience to how we walk after we are born again Evangelist and Pastor Mischa Safdie discusses much of the error in many misled individuals in society who profess to be Christians but really are not and that of many modern day organized churches now and he provides a scriptural solution as well as wisdom direction and prevention from following apostate teachers today thereby entering into apostasy and deception oneself He discusses the dangers of A New Cart ministry versus The Word of the Cross of Jesus Christ This book is based on scriptural foundation and not solely the opinions of the author as so many other publications are today Mischa S Safdie Ministries believes this book is a must read for all end time Christians ministers other believers and those that desire to know what a true walk with Jesus Christ is really all about The Bible is not outdated

The wheel does not need to be reinvented God knew what He was doing when He gave His written Word to the world Now we must rise up as a spiritual army as defenders of the cross of Jesus Christ and reclaim what the enemy has taken *The Great Apostasy* James E. Talmage, 2020-12-17 This work has been written in the hope that it may prove of service to missionary elders in the field to classes and quorum organizations engaged in the study of theological subjects at home and to earnest investigators of the teachings and claims of the restored Church of Jesus Christ This religious book is written by James E Talmage an English chemist geologist and religious leader who served as a member of the Quorum of the Twelve Apostles of The Church of Jesus Christ of Latter day Saints LDS Church from 1911 until his death Contents Introduction The Establishment of the Church of Christ The Apostasy Predicted Early Stages of the Apostasy Causes of the Apostasy External Causes Considered Causes of the Apostasy External Causes Continued Causes of the Apostasy Internal Causes Internal Causes Continued Results of the Apostasy Its Sequel **Apostasy & Divorce: Forty Years in the Wilderness of Divorce and Remarriage** Stephen M. Weaver, Catherine C. Weaver, 2019-06-27 Apostasy is defined as a falling away from or a deliberate abandonment of what had been established scriptural principles and doctrine This is exactly where the broader Church is today on the doctrine of divorce and remarriage Written from an Evangelical Protestant perspective we examine this apostasy and its ramifications to the broader Church society and individuals The authors own 40 year journey vividly underscore the theme Christians from the first 1900 years of the Church would not recognize today s doctrine as Christian Jesus exact teachings are examined in depth as are those of Paul Jesus definition of the divorced and remarried as adulterers is paramount to the entire discussion Adultery is one listed reason for exclusion from the kingdom The differences between legalism and grace are examined and explained The outcomes to individuals and society are listed and backed with scripture history and facts demonstrated beyond a reasonable doubt **Religious Conversion** Shanta Premawardhana, 2015-08-17 Religious Conversion Religion Scholars Thinking Together explores various issues relating to the nature methods and effects of religious conversion in the major world faiths Presents the results of an innovative ten year project initiated the World Council of Churches Features contributions from religious scholars and leaders of Buddhist Christian Hindu Jewish and Muslim traditions Considers myriad issues relating to the nature methods and effects of religious conversion in the major world faiths Addresses questions on religious freedom legal considerations and the future for religious conversion **The Nature and Causes of Apostasy from the Gospel** R. J. K. Law, 1992 Few subjects have received less attention from contemporary Christian writers than that of apostasy The idea that professing Christians may prove not to be true Christians is in many respects too serious a prospect for our facile age But for John Owen such avoidance of the issue was itself a pressing reason for writing on it at length and in great depth of spiritual analysis His exposition is a masterpiece of penetration and discernment Now in this modernised abridgement of Owen s work Dr R J K Law makes its powerful teaching readily accessible to modern readers Some will find its pages deeply soul searching others will be struck with the clarity of

Owen's insight all will find a work which wounds in order to heal John Owen was a leading Puritan pastor and theologian who served as a chaplain to Oliver Cromwell and later as Dean of Christ Church in the University of Oxford Publisher

Seventh-day Adventist Church Manual. General Conference of Seventh-Day Adventists, 2005 **Emerging Towards Apostasy** David Pharr, Russ McCullough, 2013-10-22 There's nothing new under the sun the wise King Solomon once said How true Nineteen centuries after the Gnostics drove the early church into apostasy history is repeating itself As was the case in the second century many in the Lord's body in the twenty first century are trading reason for speculation conviction for opinion facts for narrative rationality for imagination and linear truth for allegory Emerging Towards Apostasy takes you back to the distant past discovering what drives and motivates the so called emerging church among departing churches of Christ in America today Along the way you will come to discern how apostasy is once again being driven by post modern philosophy denominationalism and an infatuation with the church fathers the patristics **Understanding Judaism and the Jews in the Gospel of John** Nathan Thiel, 2024-10-02 Understanding Judaism and the Jews in the Gospel of John Polemic Tradition and Johannine Self Identity reopens the perennial question of the Fourth Gospel's perplexing characterization of the Jews According to the reigning paradigm the Gospel of John witnesses to a community's burgeoning sense of religious distinctiveness Ethnically Jewish believers in Jesus had begun to forge a new identity in contrast to the Jews Nathan Thiel assesses the weaknesses of the prevailing model arguing that the fourth evangelist still saw himself as living and working within the Jewish tradition Yet if the Gospel of John is the literary product of a self consciously Jewish author why would he speak so often and so critically of the Jews Thiel considers the factors which have conditioned the evangelist's choice of terminology the Gospel's setting its intended audience and above all John's indebtedness to Scripture As a first century Jew well versed in Israel's sacred texts the evangelist has modeled his story of Jesus after patterns familiar to him from the Scriptures Scriptures in which Israelite authors consistently portray their ancestors as faithless despite God's powerful work on their behalf John is a relentless critic but such cutting theological assessment had long been part of Israel's counterintuitive way of telling its history **Persecuted** Paul Marshall, Lela Gilbert, Nina Shea, 2013-03-11 Christians are the world's most widely persecuted religious group according to studies by the Pew Research Center Newsweek and the Economist among others A woman is caught with a Bible and publicly shot to death An elderly priest is abducted and never seen again Three buses full of students and teachers are struck by roadside bombs These are not casualties of a war These are Christian believers being persecuted for their faith in the twenty first century Many Americans do not understand that Christians today are victims in many parts of the world Even many Western Christians who worship and pray without fear of violent repercussions are unaware that so many followers of Christ live under governments and among people who are often openly hostile to their faith They think martyrdom became a rarity long ago Persecuted soundly refutes these assumptions This book offers a glimpse at the modern day life of Christians worldwide recounting the ongoing attacks that rarely make

international headlines As Western Christians pray for the future of Christ's church it is vital that they understand a large part of the world's Christian believers live in danger Persecuted gives documented accounts of the persecution of Christians in Africa Asia the Middle East and former Soviet nations It contains vivid stories of men and women who suffer abuse because of their faith in Jesus Christ and tells of their perseverance and courage Persecuted is far more than a thorough and moving study of this global pattern of violence it is a cry for freedom and a call to action **The Great Apostasy** James E. Talmage, 2018-01-28 Reproduction of the original **Just South of Zion** Jason H. Dormady, Jared M. Tamez, 2015-10-15 Mormons first came to Mexico as soldiers during the Mexican American War and later as missionaries refugees and settlers Just South of Zion assembles new scholarship on the first century of Mormon history in Mexico from 1847 to 1947 The essays cover topics such as polygamy colonization the role of women in Mormon local worship indigenous intellectuals Mormon transnational identity and the role of violence and masculinity in Mormon identity Representing a broad variety of scholarship from Mexican US and Mormon historical studies the volume will be recognized as a useful survey of religious pluralism in Mexico Unlike earlier books on the subject it does not include religious testimony or confession offering historians a chance to reconsider the significance of Mexico's Mormon experience A glossary of LDS terminology makes the book especially useful for students and readers new to the topic **Where Are the Poor?** Philip D. Wingeier-Rayo, 2011-04-15 The ecclesial base communities CEBs emerged in the wake of Latin American liberation theology and are often referred to as the church of the poor This book however addresses whether or not CEBs are indeed the church of the poor today It is an open question if Pentecostalism has in fact become the new church of the poor This one year ethnographic study of both movements in a marginalized barrio in Cuernavaca Mexico aims to answer this question **The Christian Evangelist**, 1901 *A Theology of John's Gospel and Letters* Andreas J. Köstenberger, 2009 The first title in Zondervan's new eight volume Biblical Theology of the New Testament series this landmark textbook by leading Johannine scholar Andreas Köstenberger thoroughly explores John's Gospel and letters and relates them to the rest of the New Testament and the Bible as a whole
