D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber s view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today *Evangelistic Preaching That Connects* Craig A. Loscalzo, 1995-10-24 Craig A Loscalzo shows how to develop evangelistic sermons that will appeal to today s audiences He includes a rationale for evangelistic preaching sample sermons and lots of practical advice *To Live in Peace* Mark R. Gornik, 2002-09-17 Building on both the perspective of God s new creation and the view from the neighborhood To Live in Peace shows how the life of the church the strategies of community development and the

practices of peacemaking can make a transformational difference *Contextualization in World Missions* A. evidence that supports a robust defence of the cultural mandate to be fruitful and multiply and fill the earth and subdue it
Genesis 1 28 With clarity and wisdom Edgar argues that we are most faithful to our calling as God's creatures when we participate in creating culture Introduction Part 1 Parameters of culture Part 2 Challenges from Scripture Part 3 The cultural mandate Epilogue

The New Reformation Shai Linne, 2021-05-18 In the sixteenth century the church faced a doctrinal crisis Today the crisis is race We all know that racial unity is important But what's the right way to approach it How can Christians of different ethnicities pursue unity in an environment that is so highly charged and full of landmines on all sides In *The New Reformation* Christian hip hop artist Shai Linne shows how the gospel applies to the pursuit of ethnic unity When it comes to ethnicity Christians today have to fight against two tendencies idolatry and apathy Idolatry makes ethnicity ultimate while apathy tends to ignore it altogether But there is a third way the way of the Bible Shai explains how ethnicity the biblical word for what we mean by race exists for God's glory Drawing from his experience as an artist theologian church planter and pastor Shai will help you chart a new way forward in addressing the critical question of what it means for people of all ethnicities to be the one people of God

[Russian Baptist Mission Theology in Historical and Contemporary Perspective](#)
Andrey Kravtsev, 2019-10-31 Since the disintegration of the USSR many Russian Baptists have actively engaged in evangelism church planting and acts of social service This book is a response to the need to critically evaluate the effectiveness of past mission efforts and their undergirding theology In this detailed study Dr Andrey Kravtsev combines

historical and qualitative studies to outline the understanding of mission developed by Russian Baptists during the Soviet era when they were almost completely isolated from global missiological developments First Kravtsev identifies four key missiological concepts and uses them to analyze the history of mission theology in global evangelical mission movements and the Russian Baptists He then interviewed thirty leaders from the Russian Union of Evangelical Christian Baptists to find their view of these concepts and their convictions of the need to reconsider traditional missiological views From his findings Dr Kravtsev suggests five themes for facilitating the transition of Russian Baptist mission theology from the late Soviet model of eschatological escapism to a holistic missional evangelicalism This book places evangelical mission in contemporary Russian socio political and ideological contexts and provides an important contribution for leading churches to a renewed missionary encounter with culture

Urban Ministry Manuel Ortiz, Harvie M. Conn, 2025-06-06 No 3 in the Academy of Parish Clergy Top Ten Books of the Year The city presents serious challenges that cry out for answers poverty racism human exploitation and

government corruption How can the church move ahead in the midst of these demands with the gospel of hope Here in one comprehensive volume Harvie Conn and Manuel Ortiz two noted scholars and proven practitioners of urban ministry address the vital work of the church in the city Their dual goal to understand the city and God s work in it Through four great waves of development Conn and Ortiz trace the history of the city around the world Then they tackle the critical issue of a biblical basis for urban mission How does the Bible view the city Are we closer to God in the country than the city Does the Bible have an anti urban bias These questions are given a thorough analysis that unveils God s urban mandate as reflected in both Old and New Testaments From this foundation the authors unpack the multifaceted nature of the city as place as process as center as power and as a place of change and stability They move us beyond fragmented stereotypes to a new way of seeing that is holistic enough for a fully biblical ministry to develop In addition Conn and Ortiz lay out what the social sciences have to offer urban mission including ethnographic and demographic studies and they focus on the particular issues and needs of urban leadership including a plan for developing and mentoring leaders while equipping the laity for ministry in the city This is the essential text for bringing God s kingdom to the city through the people of God Towards Vital Wholeness in Theological Education Jessy Jaison, 2017-08-14 God s interest in the entirety of our existence and the details of his creation is quite rightly lauded by professing Christians including those involved in theological education But what impact does this biblical truth have on the way in which theological education is conducted Critics are increasingly bringing attention to the shortcomings of theological education in this regard In this thorough examination of the issue of holistic practices throughout the operations of theological institutions Dr Jessy Jaison provides sage and actionable solutions where others have merely observed systemic weaknesses Jaison has applied her expertise and experience of twenty five years in theological education in India to dissect the issues diagnose the symptoms and prescribe a way forward that will lead to stronger leaders practicing healthier ministry in God s Kingdom for those who have ears to hear
