Evangelism Now Then:

Evangelism Michael Green,1992 *Evangelism, Now & Then* Michael Green,1982 *Evangelism after Christendom* Bryan Stone,2007-03-01 Most people think of evangelism as something an individual does one person talking to one or more other people about the gospel Bryan Stone however argues that evangelism is the duty and call of the entire church as a body of witness *Evangelism after Christendom* explores what it means to understand and put to work evangelism as a rich practice of the church grounding evangelism in the stories of Israel Jesus and the Apostles This thorough treatment is marked by an astute sensitivity to the ways in which Christian evangelism has in the past been practiced violently intentionally or unintentionally Pointing to exemplars both Protestant and Catholic Stone shows pastors professors and students how evangelism can work nonviolently **Essentials of Evangelism** Tom Malone,2000-08 **The Living Church** ,1946

Evangelism Sean McGeever,2023-05-17 *Evangelism is the heart of pastoral care In Evangelism For the Care of Souls* Sean McGeever reminds ministers that announcing and reannouncing the good news of Jesus is central to pastoral care The crucified Jesus has been raised from the dead and is Lord of all The gospel rightly belongs at the start of a Christian s life but its role does not end there It is the balm and cure of our hearts for all of life And evangelists must not confuse the messenger with the message We must all be evangelized and re evangelized Avoiding a simplistic manipulative or guilt inducing message *Evangelism For the Care of Souls* presents a vision and strategy for ministers to evangelize in a way that is refreshing biblical and sustainable *Much Closer Now Than When We First Believed* Gene George,2024-10-26 A diagnosis of cancer frees the author to answer God s call into kingdom work even while he confronts his mortality and the pain and anxiety that come with a terminal disease The Apostle Paul sums up the author s experience of God s truth by writing This is all the more urgent for you know how late it is time is running out Wake up for our salvation is nearer now than when we first believed Romans 13 11 NLT **Evangelism Without Additives** Jim Henderson,2009-01-20 What if evangelism meant just being yourself If the gospel really is good news why do most Christians avoid evangelism Why is witnessing often a negative experience for both the sender and receiver Wouldn t it be great if you could communicate the good news without having to become a spiritual salesperson What if you didn t have to make a speech in order to witness you could use everyday experiences to nudge others closer to Jesus the things you re already doing counted as evangelism Evangelism can be as normal as asking great questions and paying attention to the people Jesus misses most It involves doing things you already do but with a little more intentionality Just by being yourself and becoming unusually interested in others you can discover that people will ask you about Jesus This isn t another program or pitch It s a handbook on how to make real connections with the people formerly known as lost Think of it as evangelism for the rest of us *Flames of Love* Heath Bradley,2012-11-29 Is hell for real or will all be saved What if both are true It is tempting to settle either for the liberal option of downplaying the judgment of God or for the conservative option of letting dominant church tradition trump fresh understandings of Scripture

Not settling for either of these popular options this book offers a clear and compelling response to the question of what hell could be for in a universe created and redeemed by a loving God The book seeks to articulate a distinctively Christian universalism that highlights the centrality of Christ coheres with the Scriptures and early church tradition affirms the reality of divine judgment and offers motivational grounds for evangelism and holy living Ultimately this work is about the Christian struggle to envision the life of the world to come in a way that is faithful to the God in whom love and holiness are forever united

over thee with joy he will rest in his love he will joy over thee with singing Zephaniah 3 17 KJV GO Evangelism is a new paradigm that challenges all to immediately answer the evangelical call and provides the confidence to embark on the Great Commission This book shows the anxious heart of our Heavenly Father who laments humanity s lack of faith but also desires all believers to proselytize and plant the seeds of the gospel GO is a simple yet powerful command with profound implications For too many souls the gate of Hell is blocked only by the obedient sacrificial and God glorifying work of evangelists Therefore GO removes all the stumbling blocks of traditional proselytizing methods and harkens to the Lord s request so all believers can immediately testify the gospel Many GO Evangelists experience the power of the Holy Spirit directly and embrace their transformation into amazing people of God Spencer wants to share the abundant blessings of a prosperous Christian life with all the believers living in America GO Evangelism has been obedient to the Lord entirely relying on the power of the Holy Spirit These powerful Seeds of the Gospel are available at GO Ministry sites [www GospelTracts org](http://www.GospelTracts.org) www BibleTracts org Obeying God s command to GO and Plant means embarking on the road with the conviction to sow the powerful seeds of the gospel within hearts as we firmly believe in God s almighty sovereignty and power of salvation Now Spirit filled GO Evangelists full of holy zeal joy and enthusiasm are springing up like wildfire all over the United States God is now saving countless lost souls through their faithful dedication and fervent love for the Lord Delighting in God A.W. church His vision is that Christians will grow strong in their faith continually rejoice in the hope of the gospel and sincerely love one another Faith hope and love the virtues of the Christian life are what Thoughts of a Modern Day Sojourner is about In this book you will find fresh new insights which are challenging J W Christopher does not compromise and brings conviction where it is needed He confronts many problems facing the church today and offers solutions He challenges the popular notion today of what it means to be spiritual showing another side of spirituality that is often neglected or forgotten You will also find this work inspiring There are many writings which encourage hope in the midst of suffering and trial There are writings that comfort the hurting describing what it means to endure hardship and how to believe in hope when everything seems to be against it This book is authentic in its many applications and concerns real life issues It is not a product of the Christian sub culture If you have suffered on your walk of faith then you will likely find yourself in these pages Thoughts of a Modern day Sojourner promises enough variety to serve every kind of person who sojourns toward the heavenly frontier Metropolitan Pulpit and Homiletic Monthly ,1898 Conformed to His Image Kenneth D.
