Evangelism Through The Local Church A Comprehensive Guide To All Aspects Of Evangelism:

Evangelism Through the Local Church Ken Green, Michael Green, 1993 Michael Green draws from a lifetime's experience in this seminal work on the theory and practice of evangelism. The best means of communicating effectively the good news of Christ is through the local church, he contends. He seeks here to stimulate vision and remove the hang-ups which so often accompany the very mention of evangelism. Evangelism Through the Local Church: A Comprehensive Guide to All Aspects of Evangelism Michael Green, 2023-09-28 Evangelism through the Local Church Michael Green, 2023-09-28 A comprehensive guide to practical evangelism, its biblical basis, theological backbone, and current practice. Michael Green draws from a lifetime's experience in this seminal work on the theory and practice of evangelism. Green shows how the good news of Christ is communicated most effectively through the local church. This comprehensive resource includes a primer on Christian apologetics and concrete suggestions for congregations and individuals sharing the gospel. Green challenges the hang-ups which so often accompany the very mention of evangelism. His classic work will continue to inspire new generations of evangelists. *Understanding Evangelism* J. D. Payne, 2025-09-30 When seeking to understand evangelism, it can be difficult to know where to begin due to the wealth of written material available on the topic. This one-stop textbook offers a comprehensive introduction to evangelism from an evangelical perspective. It draws from the diverse and vast literature on the topic to help readers share the gospel at home and throughout the world. *Understanding Evangelism* emerges from the author's experiences as a pastor, missionary, evangelist, and professor of evangelism, and from his expertise as a scholar in the field. The book provides the necessary biblical knowledge, cultural awareness, and practical insights for every Christ follower to participate in the privilege of partnering with the Spirit in the world. The first part of the book covers contemporary definitions of evangelism, the global status of world evangelization, and personal motives and ethics for evangelism. The second part addresses its biblical and theological foundations, while the third part offers a historical overview. The fourth part focuses on cultural contexts and effective communication of the gospel. The book concludes with contemporary issues that offer practical guidance in the ministry of evangelism. Pedagogical tools including case studies, sidebars, figures, and reflection questions help students retain information. **Evangelism** Michael Green, 2023-09-28 Michael Green's valedictory work, a personal history of evangelism. Beyond his prolific academic career, Michael Green is fondly remembered for his commitment to sharing the gospel with everyone. His passion for evangelism, the heart of his life and work, shines through in *Evangelism: Learning from the Past*, his last manuscript before his passing in 2019. Green narrates how evangelists spread the good news, starting with the first evangelist, Jesus, and his apostles. He then moves through the early church, the Middle Ages, the Reformation, and Revival movements. The book culminates with Green's reflections on his own decades-spanning career in evangelism and how he adapted the timeless truths of the gospel amid the major cultural shifts of the twentieth century. Throughout the narrative, he focuses on what we can learn from evangelists through history to inform our own practice today. To this end,

each chapter concludes with questions to encourage reflection Those who have been moved by Green s work will treasure this deeply personal final addition to his extensive oeuvre Evangelism Learning from the Past will offer inspiration and encouragement to all evangelical Christians looking to revitalize and contextualize their work in proclaiming the good news to all

Evangelistic Preaching That Connects Craig A. Loscalzo,1995-10-24 Craig A Loscalzo shows how to develop evangelistic sermons that will appeal to today s audiences He includes a rationale for evangelistic preaching sample sermons and lots of practical advice

Adventure of Faith Michael Green,2023-09-28 Michael Green shares his story of faith and ministry and offers insight into the church s present challenges and future hope Michael Green invites us to join him on a journey through a lifetime in Christian ministry From his conversion to the present day he recounts times of fruitfulness and failure and points to those people and ideas that have shaped and inspired him Alongside relating his experiences Green also reflects on crucial issues in today s church and world Ultimately he sets forth a vision of hope for the future of the worldwide community of God Evangelical Christians will find Green s life work and ideas inspiring in their own journeys of faith and ministry

The Secret of Soul Winning Stephen Olford,David Olford,2007 Olfords classic book on how to share ones faith with others returns to print with updates from his son and contributions from Billy Graham and Adrian Rogers

Transmitting the Spirit in Missions Amos Jimmy Markin,2019-02-05 Transmitting the Spirit in Missions The History and Growth of the Church of Pentecost discourses on how Pentecostalism in general has been involved in the current growth mission and changing face of global Christianity It argues that African Pentecostals particularly are an integral part of the global expansion of Christianity in this century Specifically this book engages the history and growth of the Church of Pentecost an African Pentecostal denomination from Ghana to demonstrate how African Pentecostals have taken their spirituality into their own hands and planted churches in their home

country as well as other parts of the globe The focus of this book is that African Pentecostals have achieved this feat through the experiential power and reliance of the Holy Spirit and the indigenous factor The specific highlight is that this book is an updated analysis of the history growth and missions of the Church of Pentecost Although this work is transformed from a PhD thesis the content is presented accessibly to both the academia and general church populace both pastors and the laity

The Gospel Conversational Church Sam Greer,2019-12-16 The Gospel Conversational Church was written for the purpose of helping churches cultivate a gospel conversational culture A two fold strategy was used to accomplish this purpose 1 Prophetic inspiration from the Word of God was expounded in order to answer the question of why we should cultivate a gospel conversational culture and 2 practical insights on how to cultivate such a culture was espoused The Gospel Conversational Church was written for the local church and to the local church The book is written in such a way where pastors and leaders can use it as a training tool Yet small groups can use it as a way to study a local church s responsibility to fulfill the Great Commission Biblical Counsel ,1993 **Thirty Years That Changed the World** Michael

Green,2023-09-28 The first Christians turned the world upside down in the space of a generation How can we learn from them today In this book Michael Green opens up the gripping story of Acts highlighting the volcanic eruption of faith described there and contrasting it with the often halfhearted Christianity of the modern Western world Green explores the life and faith of the Christians of Acts answering such questions as What kind of people were they How did they live And how did they organize and practice as members of the new church Besides describing life in the early church Green discusses how we today can apply the first Christians dynamic efforts at church planting pastoral care social concern gospel proclamation and prayer Combining trusted scholarship with a popular enjoyable writing style **Thirty Years That Changed the World** is an ideal book for church group or personal study **The Empty Cross of Jesus** Michael Green,2023-09-28 The

cross is too important a matter to be left to the theologians If it is true that God almighty was in Christ redeeming the world on Calvary then we need to understand what that cross can mean for ordinary individuals and communities With this conviction Green reexamines the question of atonement Why did Jesus have to die How could a loving God allow his son to suffer And what role does the resurrection play in this divine drama Rooting his discussion in Scripture Green opens up the meaning of Easter in an easy nontechnical style The empty cross of Jesus liberates the theologian inspires the preacher comforts the counselor and fortifies every disciple for a life of self sacrifice **I Believe in Satan's Downfall** Michael

Green,2023-09-28 Satan is real on that the Bible is certain but so is his ultimate defeat High among the list of traditional Christian doctrines that have fallen into disrepute is belief in Satan Many theologians and laypersons find belief in the devil ridiculous in our enlightened age Michael Green pushes back against this assumption and offers a biblical account of evil and the certainty of its defeat He calls Christians to take seriously the spiritual battle in which followers of Christ are necessarily engaged and to recognize both the strength of the devil and the greater strength of the living God Satan will be defeated and

abolished Eternity will not be disfigured by the self seeking deceit hatred and accusations of the Adversary but God will be all in all and the redeemed will be for ever satisfied with their Lord who has turned Paradise lost into Paradise regained The Meaning of Salvation Michael Green,2023-09-28 Michael Green shines a light on salvation as it appears in Scripture and in our lives In this perennial classic of soteriology Michael Green explores the deeply human longing for salvation But what did salvation mean to Jewish and Gentile people at the time of Jesus Green traces salvation through the Old Testament first century Greco Roman sources and the New Testament What emerges is the conviction that salvation is not just a hope for the future but an offer of redemptive grace for the here and now In a culture increasingly rife with despair and anxiety Green s timeless work offers a message of hope in the good news of Jesus Christ There are few ways in which the Church could better serve this generation than by recovery a translation into modern idiom and a bold proclamation of the wonderfully

comprehensive message of salvation contained in the Scriptures **I Believe in the Holy Spirit** Michael Green,2023-09-28 How do we understand the Holy Spirit Though countless Christians through the ages have confessed I believe in the Holy Spirit the Spirit has often remained an elusive figure relegated to the fringes of many Christians faith Yet the charismatic movement made the Holy Spirit the focus of heated controversy In this second edition of his widely popular book Michael Green explains the biblically rooted doctrine of the Holy Spirit He also discusses baptism and the gifts of the Spirit and addresses the dynamic ongoing work of the Spirit today Enriched by Green s extensive pastoral and personal experience I Believe in the Holy Spirit remains one of the most readable and balanced books on the third person of the Trinity

Making Disciples in a World Parish Paul W. Chilcote,2011-04-01 In this collection of inspirational and challenging essays Methodists from around the globe reflect on the practice of disciple making in their own contexts From their own perspectives they address questions like What are the challenges you face What biblical images shape your missional practice What examples of Christian authenticity inspire your communities What gifts related to mission and evangelism do you offer the global community of faith Churches on every continent have their own stories of struggle and faithfulness Indeed each distinct community within any given region has a voice of its own that deserves to be heard The voices included in this volume belong to women and men alike Likewise they resound with the accents of Africa and Asia Latin and North America Europe and Oceania Each voice is distinct but all articulate a vision of faith made effective through love In a world characterized variously by poverty and violence as well as prosperity and peace the church must reclaim its central mission to make disciples of Jesus Christ In their effort to articulate a vision of mission and evangelism the contributors to this volume bear witness to the fact that we can no longer do this work in isolation from one another To be the ambassadors of the gospel we need each other and we need to pay attention to the voices that sound different from our own This volume takes a large step in that vital direction Becoming a Healthy Church Stephen A. Macchia,2003-11 A healthy church is possible Here are ten traits to help you diagnose the state of your church and start it down the path to improvement

Baptism Michael Green, 2023-09-28 Michael Green offers biblical and ecumenical answers to disputed questions about baptism The gateway into the church An individual's testimony to faith and repentance The reception of the Holy Spirit The meaning of baptism varies wildly between different Christian traditions Seeking common ground Michael Green turns to Scripture to assess the varieties of baptismal theology Though Green assents that baptism is no substitute for saving faith he endorses infant baptism confronting common objections head on He also addresses the related problems of confirmation and rebaptism Green's lively and clear argument will challenge and intrigue readers of all denominations
