A close-up photograph of a person's hand planting a small green seedling into dark, rich soil. The hand is positioned in the upper left, with fingers gently holding the plant. The soil is dark brown and appears moist. In the background, there are some blurred green plants and a wooden fence, suggesting a garden or farm setting. The overall tone is warm and hopeful.

Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission Many of the resulting books in the marketplace however have a hands-on orientation often lacking serious theological engagement and reflection Bucking that how to trend The Study of Evangelism offers thirty groundbreaking essays that plumb the depths

of the biblical and theological heritage of the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church s practice of evangelism     Evangelism after Christendom Bryan Stone,2007-03-01 Most people think of evangelism as something an individual does one person talking to one or more other people about the gospel Bryan Stone however argues that evangelism is the duty and call of the entire church as a body of witness Evangelism after Christendom explores what it means to understand and put to work evangelism as a rich practice of the church grounding evangelism in the stories of Israel Jesus and the Apostles This thorough treatment is marked by an astute sensitivity to the ways in which Christian evangelism has in the past been practiced violently intentionally or unintentionally Pointing to exemplars both Protestant and Catholic Stone shows pastors professors and students how evangelism can work nonviolently     *Out of the Saltshaker & Into the World* Rebecca Manley Pippert,1999 Rebecca Manley Pippert s evangelism classic thoroughly revised and expanded contains new chapters on the stages of evangelism new stories of God s work in people s lives and added material on meeting the challenges of new competitors to the Christian faith     *Tell It Often - Tell It Well* Mark McCloskey,2018-06-19 Jesus Christ offers His love and forgiveness to a lost and hurting world This is the most important message your family friends and neighbors will ever hear If the church is to succeed in its evangelistic mission the good news of the gospel must be boldly clearly and sensitively communicated so that as many as possible might listen and all those who listen may truly understand and experience the transforming power of God s grace Followers of the risen reigning and returning Christ need to tell the good news often and tell it well If you want your life to count toward bringing others to the Savior if you want to recommend Jesus to all who will listen this book is written for you God is ready willing and more than able to use you right where you are No matter your personality type spiritual giftedness or circumstances you can play a vital role in helping the love and forgiveness of Christ become a reality in the lives of your family friends neighbors and indeed anyone ready to listen

*Flames of Love* Heath Bradley,2012-11-29 Is hell for real or will all be saved What if both are true It is tempting to settle either for the liberal option of downplaying the judgment of God or for the conservative option of letting dominant church tradition trump fresh understandings of Scripture Not settling for either of these popular options this book offers a clear and compelling response to the question of what hell could be for in a universe created and redeemed by a loving God The book seeks to articulate a distinctively Christian universalism that highlights the centrality of Christ coheres with the Scriptures and early church tradition affirms the reality of divine judgment and offers motivational grounds for evangelism and holy living Ultimately this work is about the Christian struggle to envision the life of the world to come in a way that is faithful to the God in whom love and holiness are forever united     **The 7 Principles of an Evangelistic Life** Douglas M.

Cecil,2003-06-01 Just hearing the word evangelism stirs emotions in believers and unbelievers alike Because of this many believers shy away from the topic altogether Douglas Cecil believes we must bring a sense of balance into our approach to

evangelism The 7 Principles of an Evangelistic Life is not another book on evangelism methods rather the author focuses on helping believers develop a lifestyle of evangelism that relies completely on the Holy Spirit Evangelism is a spiritual adventure and readers will be challenged to re think how they live it out Biblical Counsel ,1993 *Conformed to His Image* Kenneth D. Boa,2009-12-15 What does a relationship with God look like and how do we obtain it It is vital for church leaders to grapple seriously with this question for pat answers no longer suffice Lives well lived not just words eloquently spoken must become our response The quality of our relationship with God is what will influence the health potency and witness of the church in an increasingly complex and hostile world Designed for use as a college or seminary course *Conformed to His Image* helps us build our lives on a fully biblical perspective Exploring twelve approaches to Christian spirituality in depth Dr Kenneth Boa corrects our tendency to pick and compartmentalize Pointing the way instead to an integrative whole life approach Dr Boa shows how each spiritual paradigm discussed is just one important facet in the gem of authentic and powerful New Testament living With chapter overviews and objectives questions for personal application a glossary and a list of key terms *Conformed to His Image* will prove a defining text for the student pastor and church leader of today and tomorrow 12 Facets of the Complete Christian Life Relational Spirituality Loving God Completely Ourselves Correctly and Others Compassionately Paradigm Spirituality Cultivating an Eternal versus a Temporal Perspective Disciplined Spirituality Engaging in the Historical Differences Exchanged Life Spirituality Grasping Our True Identity in Christ Motivated Spirituality A Set of Biblical Incentives Devotional Spirituality Falling in Love with God Holistic Spirituality Every Component of Life under the Lordship of Christ Process Spirituality Being versus Doing Process versus Product Spirit Filled Spirituality Walking in the Power of the Spirit Warfare Spirituality The World the Flesh and the Devil Nurturing Spirituality A Lifestyle of Discipleship and Evangelism Corporate Spirituality Encouragement Accountability and Worship

**Leaning Both Ways at Once** Jeffrey A. Conklin-Miller,2020-08-26 How should the Methodist tradition continue to embody its evangelistic mission Some believe effective evangelism requires ecclesial adaptation seeking relevance to attract outsiders But does this strategy result in the church s embrace of consumer market practices pandering to a world of church shoppers Others suggest the most evangelistic thing the church can do is to be the church displaying to the world the attractive beauty of a holy community But could this ironically distance the church from its context and neglect the many ways the church is called to engage the world The Wesleys formed a people called Methodist embodying an evangelistic mission combining commitments to disciplined spiritual life and vital social engagement In this book Conklin Miller suggests faithful United Methodist evangelism requires living in the tension between the church and the world leaning both ways at once emphasizing the holiness of the church as a particular people but at the same time being a people sent to intercede in the world as servants advocates and witnesses This understanding constitutes not only a broader reframing of evangelistic mission but also a vision for the identity and agency of the church in the Wesleyan tradition a Methodist missional
