Evangelism Strategy For The 80s:

Evangelism Sherwood Eliot Wirt, Billy Graham, 1978 *Examining Billy Graham's Theology of Evangelism* Thomas P. Johnston, 2003-03-12 Examining Billy Graham's Theology of Evangelism was written to advance an unbiased understanding of Billy Graham's theology and practice Theological examination of Graham's sermons revealed four distinct eras in his theology and practice The Early Early Graham pre 1949 The Early Graham 1949 1955 The Middle Graham 1955 1965 The Later Graham 1965 present In each of these eras Graham portrayed a discernible and distinct approach to defining evangelism theological nomenclature and cooperative strategy No literature on Billy Graham discusses in combination this evolution in Graham's theology and practice You are invited to take a fresh look at the teaching and practice of this man who has touched millions of lives through the proclamation of the Gospel of Jesus Christ The Study of Evangelism Paul W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission Many of the resulting books in the marketplace however have a hands on orientation often lacking serious theological engagement and reflection Bucking that how to trend The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church's practice of evangelism *World Christian Trends Ad30-ad2200 (hb)*, 2001 *The Beliefnet Guide To Evangelical Christianity* Wendy Murray Zoba, 2005 A critical study of evangelical Christianity provides a clear and objective analysis of evangelical beliefs and practices traces the history of the movement and refutes common misconceptions about the faith and its followers discussing such topics as attitudes toward biblical scripture and the link to conservative politics Original 17 500 first printing **Evangelism and Apostasy** Kurt Bowen, 1996-04-30 Highlighting the demographic social and political character of the Evangelical movement in the 1980s and 1990s Bowen pays particular attention to conversion processes commitment mechanisms schisms and distinctive beliefs He also considers the controversial issues of religious persecution and American missionary influence Bowen reveals that Evangelicalism's appeal is so pervasive in Mexico that if Evangelical converts all remained faithful it could become Mexico's dominant religion by 2006 This projection however is improbable due to high drop out rates Bowen argues that Evangelical apostasy is rooted in the most basic beliefs and practices of its followers **Charts for a Theology of Evangelism** Thomas P. Johnston, 2007-07-01 Like no other book before it Charts for a Theology of Evangelism gathers ninety three unique charts based on author Thomas P Johnston's twenty three years of practicing and teaching personal evangelism This excellent classroom preaching or personal study resource features nine major sections and each chart from The Urgencies that Drive Evangelism to Five Interpretations of Salt in Matthew 5 13 to Biblical Stages in Theological Drift includes an explanation and contextual set up from the author Jesus & the Christian in a Pop Culture Tony Jasper, 1984 *Evangelism and Social Concern in the Theology of Carl F. H.*

Henry Jerry M. Ireland, 2015-06-01 How do evangelism and social concern relate to one another in the mission of the church How should the Old Testament's emphasis on social justice inform the praxis of modern believers Does the Bible emphasize individual salvation or does it teach a broader more inclusive concept Theologians missiologists pastors and educators have wrestled with these questions for centuries But especially since the early part of the twentieth century this debate has increasingly become a point of contention among evangelical Christians with few indications that a consensus may soon be forthcoming Yet few have offered so thorough an answer to these questions as has Carl F H Henry Henry's regenerative model of evangelism and social concern stands on the shoulders of Augustine and many others and offers what may be the best way forward This book explores Henry's thoughts on this subject and sets him in dialogue with numerous others who have written on these topics Thus it will prove a valuable resource for all interested in this topic **Evangelizing Youth** Glenn C. Smith, 1985 An interdenominational guidebook to evangelization of youth including information about evangelization organizations and agencies *Evangelism and the Openness of God* Vaughn W. Baker, 2012-12-18 Argues that a dynamic concept of God as articulated in open theism better serves the evangelistic mission of the church than does conventional theology Back **Evangelism -- which Way Now?** Mike Booker, Mark Ireland, 2003 Mike Booker and Mark Ireland have drawn on research and practical experience to produce this guide to today's evangelistic strategies The book aims to help church leaders to understand the way different approaches work and to select the most appropriate evangelistic approach for the situation **Evangelical Christianity and Democracy in Asia** David Halloran Lumsdaine, 2009-03-13 Although a minority of the Asian population Protestants in Asia are a fast growing group What are the political implications of this evangelical Christianity In some cases religion has enabled poor and marginalized people to gain greater prosperity self confidence and civic skills and more open minded and democratic societies But does religion have the kind of cultural currency needed to generate political changes in governments such as China's Evangelical Christianity and Democracy in Asia provides six case studies on China Western India Northeast India Indonesia South Korea and the Philippines The contributors mainly younger scholars based in Asia bring first hand knowledge to their chapters The result is a groundbreaking work indispensable to everyone concerned with the future of the region Evangelical Christianity and Democracy in Asia is one of four volumes in the series Evangelical Christianity and Democracy in the Global South and grew from a Pew funded study that sought to answer the question What happens when a revivalist religion based on scriptural orthodoxy participates in the volatile politics of the Third World At a time when the global political impact of another revivalist and scriptural religion Islam fuels debate these volumes offer an unusual comparative perspective *Index of Conference Proceedings Received* British Library. Lending Division, 1983 **Worship Evangelism** Sally Morgenthaler, 1999 This is a how to guide for churches who want to put worship to its biblically intended ends and it includes a study guide Reader's Guide to Transforming Mission Stan Nussbaum, 2015-02-19 *The Everychurch Guide to Growth* Elmer L.

Towns, C. Peter Wagner, Thom S. Rainer, 1998-08-01 Shows churches of every size how to revive and expand their ministries breaking through barriers and growing into the future
