*Evangelism's First Modern Media Star* Jack Hyland, 2002-04-15 Bill Stidger was the most famous preacher in America in the 1930s and the model for Sinclair Lewis's Elmer Gantry Norman Vincent Peale and Cardinal Sheehan acknowledged their friend Stidger as the source of many of their ideas Stidger was the first person to realize the potential of modern media promotional techniques for evangelizing A fervent preacher with a social conscience he invented and patented an electric revolving cross to adorn church roofs and attract worshippers He used advertising and wrote newspaper columns to publicize his services and even supported bowling alleys on church grounds He brought religion to the radio with his program *Getting the Most Out of Life* His tactics aroused controversy and changed the way we worship in America *The Age of Charisma* Jeremy C. Young, 2017 This book demonstrates how the modern relationship between leaders and followers in America grew out of late nineteenth and early twentieth century charismatic social movements **Piety and Profession** Glenn Miller, 2007-06-11 From the urbanization of the Gilded Age to the upheavals of the Haight Ashbury era this encyclopedic work by Glenn Miller takes readers on a sweeping journey through the landscape of American theological education highlighting such landmarks as Princeton Andover and Chicago and such fault lines as denominationalism science and dispensationalism The first such exhaustive treatment of this time period in religious education *Piety and Profession* is a valuable tool for unearthing the key trends from the Civil War well into the twentieth century All those involved in theological education will be well served by this study of how the changing world changed educational patterns *Voice of Glory* Thomas E. Douglass, 2024-01-12 Hailing from the small river town of Moundsville West Virginia Davis Grubb 1919 1980 became a key figure in the canon of Appalachian literature The author of ten novels and dozens of short stories and radio plays Grubb's writings as Tom Douglass observes catalogued his life and a turbulent life it was marked by the traumatic loss of both the family home and his father during the Great Depression the overbearing affections of his mother the fear of failure painful struggles with alcohol and drug abuse profligate spending and a conflicted sexuality Grubb originally aspired to be a visual artist but thwarted by color blindness turned to writing instead honing his skills in the advertising industry Today he is best remembered for his first novel *The Night of the Hunter* 1953 a gripping story of a Depression era serial killer and his pursuit of two young children along the Ohio River This book spent twenty eight weeks on *The New York Times* best seller list and became the basis for a classic film directed by Charles Laughton starring Robert Mitchum Shelley Winters and Lillian Gish While his subsequent work never achieved that same level of popularity the fierce thematic oppositions he set forth in his debut novel between love and hate good and evil the corrupt and the pure the rich and the poor would inform his entire oeuvre Although Grubb's career took him to the great cities of New York Philadelphia and Los Angeles his work was always rooted in key emblems of his Appalachian childhood the river the state penitentiary and the largest Indian mound east of the Mississippi all in his native Moundsville In his works Douglass asserts Grubb was an avenging angel righting the

wrongs of the past in his own life in his own country and putting trust in his own vision of divine love Off the page he was riven by personal demons more than once in danger of losing his life to self annihilation and to the self accusation that he was a fallen angel This biography the first ever written of Grubb captures his life and work in all their intriguing complexity THOMAS E DOUGLASS an associate professor of English at East Carolina University is the author of *A Room Forever The Life Work and Letters of Breece D J Pancake* He is also the fiction editor for the University of Tennessee Press s Appalachian Echoes series *Jim Morrison's Search for God* Michael J. **and His Message** Billy Sunday, William Thomas Ellis, 1914 William Ashley Billy Sunday November 19 1862 November 6 1935 was an American athlete who after being a popular outfielder in baseball's National League during the 1880s became the most celebrated and influential American evangelist during the first two decades of the 20th century Quoted from William G McLoughlin Jr Billy Sunday Was His Real Name Chicago University of Chicago Press 1955 By 1917 he was considered by many the greatest revivalist in American history perhaps the greatest since the days of the apostles Wikipedia **Billy Sunday: The Man and His Message** William T. Ellis LL D., 2014-08-15 Rev Billy Graham was introduced to evangelism as a boy attending one of Billy Sunday's revival services Sunday one of the first rock star preachers of the modern era profoundly influenced both Graham's message and delivery Generations of preachers adopted his fiery style and straight talking theology His physicality and showmanship was rivaled only by the strength of his message Sunday was one of the most influential advocates of prohibition delivering explosive sermons against Mr Booze He also promoted women's suffrage child labor laws and avoided criticism of Roman Catholics As a forerunner of modern evangelicals controversies did not quell Sunday's immense popularity His exhortation to hundreds of thousands to walk the sawdust trail to conversion was unrivaled in the days before mass media This authorized biography examines Sunday's life and preaching through a number of prisms providing rare and fascinating insight into one of the great evangelists in American history *Seven Years' Street Preaching in San Francisco, California* William Taylor, 1857 William Taylor 1821 1902 was a Methodist minister specializing in street preaching in Baltimore and Washington D C when the Methodist church sent him to California as a missionary evangelist in 1849 He remained in the West for seven years going on to become one of the church's most tireless worldwide evangelists He later conducted crusades in Canada Britain Australia New Zealand South America and South Africa In 1884 he was named Missionary Bishop for Africa and he focused his energies on missionary activities on that continent Taylor spent his last years in California the site of his first mission Seven years street preaching in San Francisco 1857 offers Taylor's memoirs of his career in the West concentrating on open air evangelism in general and experiences on the street corners of San Francisco and Sacramento and in camp meetings in the mine fields 1849 1856 The book focuses on the nature of the sinners who repented at Taylor's words drunkards gamblers seamen and on the moral and political depravity of San Francisco that culminated in the creation of the Vigilance Committee For a second installment of Taylor's memoirs see California life illustrated 1858 *God's Man for the Gilded Age* Bruce J. Evensen, 2003 At his death on the eve of the 20th century D L Moody was widely recognized as one of the most beloved and important of men in 19th century America A Chicago shoe salesman with a fourth grade education Moody rose from obscurity to become God's man for the Gilded Age He was the Billy Graham of his day indeed it could be said that Moody invented the system of evangelism that Graham inherited and perfected Bruce J Evensen focuses on the pivotal years during which Moody established his reputation on both sides of the Atlantic through a series of highly popular and publicized campaigns In four short years Moody forged the bond between

revivalism and the mass media that persists to this day Beginning in Britain in 1873 and extending across America's urban landscape first in Brooklyn and then in Philadelphia New York Chicago and Boston Moody used the power of prayer and publicity to stage citywide crusades that became civic spectacles Modern newspapers in the grip of economic depression needed a story to stimulate circulation and found it in Moody's momentous mission The evangelist and the press used one another in creating a sense of civic excitement that manufactured the largest crowds in municipal history Critics claimed this machinery of revival was man made Moody's view was that he'd rather advertise than preach to empty pews He brought a businessman's common sense to revival work and became much against his will a celebrity evangelist The press in city after city made him the star of the show and helped transform his religious stage into a communal entertainment of unprecedented proportions In chronicling Moody's use of the press and their use of him Evensen sheds new light on a crucial chapter in the history of evangelicalism and demonstrates how popular religion helped form our modern media culture      *Seven Years' Street Preaching in San Francisco, California* William Taylor, 2021-10-22 There was a constant stream of emigration flowing in through our golden gate from every part of the world In 1848 William Taylor one of Methodism's foremost pioneers in 19th century missions work was called to California He settled in the burgeoning metropolis of San Francisco and quickly became a prolific open air preacher church planter and reformer in the land of gold and crime In this magnificent account Taylor's unvarnished vibrant and immediate first hand narrative chronicles the throes of a global city in its formative years Feigning eloquence for directness Taylor's tour through the streets and lanes and highways and hedges brims with local flavor while his sketches and vignettes detail the old west just as it was filled with a wild newfound freedom yet deeply in need of the gospel's reforming influence Amid the fires duels steamship disasters and gold rush his stalwart influence through street evangelism shows us at once the power of a preacher keenly in tune with the needs of his people and the rousing power inherent in God's word *Seven Years* stands mightily as one of Americana's most galvanizing religious literary timepieces and now in this new edition it is available for a new generation of readers
