Evangelisms Open Secrets:

The Open Secret Lesslie Newbigin, 1995-08-28 Fresh insights on the missionary task in other cultures and points to consider for those seeking to proclaim the lordship of Christ in our secularized society **Evangelism's Open Secrets** Herb Miller, 1977 Practical advice helps church leaders start an effective evangelism program Questions for discussion reflection provide material for group study **The Open Secret a Manual of Devotion ...** Robert Forman Horton, 1904

The Study of Evangelism Paul W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission Many of the resulting books in the marketplace however have a hands on orientation often lacking serious theological engagement and reflection Bucking that how to trend The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church's practice of evangelism Ongoing Personal Evangelism John P. Davis, 2021-08-03 Ongoing Personal Evangelism provides a biblical survey of personal evangelism and discusses the factors evident in the lives of those who practice personal evangelism throughout their life Hopefully the book will encourage more spiritual growth and involvement in personal evangelism as well as providing material for training others in personal evangelism **C. S. LEWIS PRE-EVANGELISM FOR A POST- CHRISTIAN WORLD** Brian M. Williams, 2021-01-23 We find ourselves living today in very much a post Christian world Not only does the culture largely reject Christianity's claims we find that long held basic truths that people have embraced throughout history have been jettisoned the belief in objective morality right and wrong transcend each person's opinions and feelings spiritual reality the world contains more than what we see via our 5 senses that God is real that truth is objective and knowable if something is true my disagreeing with it or finding it unpleasant emotionally doesn't make it false This presents a great difficulty for Christians trying to communicate the Christian message to people today We can take nothing for granted if the message is to make any sense to the hearer We must start with the most basic concepts The question then arises How do we make a start when the bedrock ideas are not only disbelieved but viewed with contempt by so many today C S Lewis thought that he had found a door we could enter to steal past the watchful dragons of the modern person's reason by way of imaginative fiction He sought to re introduce Christian ideas clothed in mythological garb so that in time after their affections had been stirred the explicit message about Christ might be given a fair hearing He engaged both the heart and the head In this way he pre evangelized his audience This book examines the grounds both philosophically and theologically upon which he did that It explores Lewis's view of reality and the human imagination surveying his Chronicles of Narnia and The Space Trilogy in particular to demonstrate precisely how he carried out this strategy We can learn from Lewis here as we show both the beauty and the truthfulness of Christianity to people in a way that meets them where they are Evangelism and Social

Concern in the Theology of Carl F. H. Henry Jerry M. Ireland, 2015-06-01 How do evangelism and social concern relate to one another in the mission of the church How should the Old Testament's emphasis on social justice inform the praxis of modern believers Does the Bible emphasize individual salvation or does it teach a broader more inclusive concept Theologians missiologists pastors and educators have wrestled with these questions for centuries But especially since the early part of the twentieth century this debate has increasingly become a point of contention among evangelical Christians with few indications that a consensus may soon be forthcoming Yet few have offered so thorough an answer to these questions as has Carl F H Henry Henry's regenerative model of evangelism and social concern stands on the shoulders of Augustine and many others and offers what may be the best way forward This book explores Henry's thoughts on this subject and sets him in dialogue with numerous others who have written on these topics Thus it will prove a valuable resource for all interested in this topic **Outline sermons and plans for evangelistic work, by eminent pastors and evangelists, ed. by C.**

Perren Outline sermons, 1903 *The Congregation as Hermeneutic of the Gospel* Shawn P. Behan, 2024-10-31 Lesslie Newbigin's concept of the congregation as hermeneutic of the gospel has been used for over thirty years to discuss the overlap of mission and ecclesiology This book provides the contextual background to the congregation as hermeneutic of the gospel then discusses the important components of this concept and how they connect with Newbigin's lifetime of writings on the nature and identity of the church Within this discussion there are three key elements to Newbigin's ecclesiology as it pertains to the congregation as hermeneutic of the gospel the relationship between the Holy Spirit and the local congregation the kingdom of God and the local congregation and the local congregation within itself These three components can be found throughout Newbigin's discussions about the nature of the church ranging from the 1940s until the 1990s Pulling all these components together and showing how they shed light on Newbigin's intended meaning by calling the local congregation the hermeneutic of the gospel for their society provides a new interpretation of this concept that will both strengthen and challenge contemporary uses of this concept within the church today A Missiology of the Road J Kevin Livingston, 2014-09-25 David Bosch 1929-1992 was one of the foremost mission theologians of the twentieth century a prolific scholar committed church leader and active participant in the global conciliar and evangelical mission movements His distinctive role in the South African church's struggle against apartheid is less well known however After reviewing Bosch's background and exploring key themes in his understanding of mission and evangelism Livingston explores Bosch's legacy from the perspective of the missionary nature of the church The church is God's kingdom community acting as a witness to and instrument of the coming reign of God The church is God's alternative community simultaneously set apart from the world but also existing for the sake of the world exemplifying the radical implications of Christ's new community It is also God's reconciled and reconciling community serving as a sign and embodiment of God's love in Christ For those acquainted with Bosch only as the author of his magisterial *Transforming Mission* *A Missiology of the Road* shows how Bosch integrated

his theology and practice in a faithful contextually relevant way within South Africa and the global church **In the World, But Not of the World** Andrew L. Fitz-Gibbon, 2000-01-01 In the World But Not of the World explores the threefold tension among Alasdair MacIntyre's prognosis for Western society the desires of some for a social transformation with a Christian moral vision at the sacred centre and a baptist understanding of Christianity as essentially voluntary non sacralist discipleship Andrew Fitz Gibbon uses five contemporary Christian social thinkers from different traditions as conversation partners Through his examination of these thinkers Fitz Gibbon explores how the church may continue to truthfully narrate the Christian story in the midst of the moral tensions of late capitalist Western society His creative conclusion is that the church at the beginning of the twenty first century can move toward a resolution of the central tension of being in the world but not of the world through a synthesis of the believers church tradition and an affirmation of communitarian liberal democracy **Extraordinary Leaders in Extraordinary Times: Unadorned clay pot messengers** H.
