John Herman Ridderbos, 2018-08-21 New in the Eerdmans Classic Biblical Commentaries collection In this commentary on John originally published in Dutch in 1987 and translated into English a decade later Herman Ridderbos engages the host of twentieth century interpretations while also developing his own integral understanding of John in which the Gospel emerges as a profoundly theological work Beginning with a theological introduction on the peculiar character of the Fourth Gospel Ridderbos uses verse by verse exposition to unpack John's distinctive apostolic character offering expert literary and homiletical exegesis of the Fourth Gospel as the Christian church adopted it

**Homilies on the Gospel According to Saint John: And His First Epistle** Saint Augustine of Hippo, Aeterna Press, THESE Discourses on St John are assigned by the Benedictine Editors to A D 416 or the following year In favour of an earlier date it might indeed be alleged that the keen controversy against the Donatists which so frequently occurs in these Sermons shews the schism to have been still flagrant when they were preached as in fact in the Homilies on the Epistle of St John delivered in the same year St Austin expressly mentions that the schismatics had still their altar at Hippo quid faciunt in hac civitate duo altaria Whence it might seem that their date must be prior to A D 411 the year of the Conference of Carthage That this however would be too early a date is shewn as the Editors remark by numerous passages in which not only is the doctrine of Predestination put forth as a well understood and most certain truth e g Tr xlv xlviii lxxviii lxxxiii cv cxi but there is pointed reference only not by name e g liii lxvii lxxxi lxxxvi to the Pelagian heresy which came into Africa in that same year 411 A distinct note of time however is given in Tract cxx 4 in the mention of the revelatio corporis beatissimi Stephani which in the account written by the Presbyter Lucian is assigned to the close of A D 415 Aeterna Press

**Your Gift from God the Holy Spirit Matters** Charles Elias Mahlangu, 2016-08-22 Your Gift from God the Holy Spirit Matters Book 1 This book is part of a 3 book series In Your Gift from God the Holy Spirit Matters Charles takes the reader on a hunt to explore how the individual believer is granted a supernatural gift He persuades and convinces the believer to discover his individual strategic gifting He defines and illustrates the gifts and tackles the controversial Charles says Ministry gifts were given to prepare the saints for the work of service and not to do the work of the ministry He shows how Pentecostal Evangelicals Charismatic Evangelicals and Traditional Evangelicals have been uniquely gifted and what must be discovered at the individual level according to the divine strategy of God the Father God the Son and God the Holy Spirit Spiritual Gifts Welcome to the church Book 2 In Spiritual Gifts Welcome to the Church Charles defines and describes each gift He persuades the believer to connect with individual gifting according to the will of God the Father God the Son and God the Holy Spirit He urges that every believer is entrusted with a gift that can be known and used to benefit many Spiritual gifts Church Under Siege Book 3 In Spiritual gifts Church Under Siege Charles laments over how ministry gifts which were intended to prepare saints have been woefully neglected He argues that believers are granted abilities and leaders are needed who are willing to invest in them He moans that those with ministry gifts of the Lord Jesus Christ have behaved as if they are not committed to training individual

believers The Black pulpit has ignored the pews in the department of gift identification and developing He pleads with the leaders as ministers of the Lord Jesus Christ to fulfil the number one functional dynamic in this life **The Great Enterprise from a Reformed Perspective** Jason N. Bolt, 2012-06-08 Thoroughly God centric and Bible saturated this book is a plea for the church and her missionaries to return to the biblical mandate and prescription for missionary activity In God's infinite wisdom he has determined to ransom men from among every tribe tongue people and nation through the proclamation of the gospel This is the greatest enterprise ever undertaken in human history and it will culminate in success God will see to it The church has a principal role to play in the enterprise but that role is not one of global philanthropy The modern view of missionary activity has robbed missionaries of the authority to preach the gospel and has left the nations wanting of the joy of salvation but there is yet time The modern church may still find great success in the spread of the gospel to the remotest part of the earth All that is necessary is that we would seek the revealed will of God in the Scriptures and put into practice that which it requires THE MINISTRY GIFTS GODSWORD GODSWILL ONU, The Christian Work and the Evangelist ,1908 **Evangelists in the Church** P. from a wide range of German Namibian and South African archival sources that have been supplemented with a large number of interviews to explore the history of the indigenous evangelists of the RMS African supporters were often the first heralds of the new religion at remote villages and cattle posts before the white strangers made an appearance The Namibian evangelists familiarity with the traditional culture and the local vernacular endowed them with a credibility that many of the European newcomers found difficult to acquire By interweaving mission and church history between 1820 and 1990 with a biographical approach the author brings a hidden chapter in Namibian history to life     *The Works of Aurelius Augustine*
