Scott M. Gibson, 2004-08 A challenge to preachers to proclaim the Scriptures with authority and power in a post Christian world Preaching That Connects Howard D. Vanderwell, 2018-11-29 Have you been struck by the terror of not knowing what to preach next Sunday Do you have the fear that maybe your sermons are not relevant to the experience of your hearers Do you wish you had received more assistance in that from your lay leaders Have you ever considered planning a year s pulpit work in advance Then this book is for you It will provide you with a tested and proven method of analyzing the needs of your congregation and adapting the presentation of your message to meet those needs It will show you the way to involve lay leaders much more helpfully And it will provide you with a method for planning a whole season of preaching in advance This book will greatly increase the effectiveness of your preaching **Preaching to a Postmodern World** Graham M. Johnston, 2001-07-01 While growing churches dot our urban centers and country landscapes church goers and students today are actually less likely to maintain a Christian worldview than in the past In fact the majority of society does not even believe in objective truth A minister out of touch with this culture is like an uninformed missionary trying to teach in a foreign country To communicate God s Word effectively in the twenty first century teachers need to know how to connect with and confront an audience of postmodern listeners In *Preaching to a Postmodern World* Johnston shows pastors seminary students professors lay teachers and church leaders can reach the present age without selling out to it The book discusses how to distinguish between modernism and postmodernism understand postmodern worldviews change the style of preaching without compromising the substance take advantage of new opportunities provided by the cultural shift show an inattentive society the relevance of God s truth The author s keen insights into contemporary pop and media culture also help equip speakers to address today s listeners with clarity and relevance **Preaching for Special Services** Scott M. Gibson, 2001-04-01 Sooner or later every pastor will be called on to conduct special services Baptisms weddings funerals infant presentations and evangelistic services each in their own way challenge pastors to find the right words to mark the occasion *Preaching for Special Services* will help pastors prepare sermons for these special services Each chapter explores a different occasion and offers the perspective encouragement and practical advice that pastors need as they plan their messages Through this useful book pastors will discover how Christ centered special occasion preaching can make a difference in the lives of their listeners Apologetic Preaching Craig A. Loscalzo, 2000-03-14 Craig Loscalzo gives down to earth advice on how to communicate clearly and compellingly to a world that does not want to hear about morality sin evil judgment or commitment He gives straightforward explanations of the changes taking place all around us including brief sample sermons in each chapter **Biblical Preaching** Robert Curry, 2023-12-11 Preaching is a demand of the Bible that is fitted with a specific purpose and a strong theological base It is the proclamation of the word of God and is done in churches throughout the world Preaching plays a role in the spiritual formation of its hearers helping to form a community of faith whose members are sharing in and supporting one another in a spiritual journey The topics of preaching can be found in both

the Old and New Testaments within several different genres but closer attention might be given to the genres of the parables of Jesus and the speeches in the book of Acts As a topic of preaching the parables can be understood as examples of allegory simile and or metaphor The speeches in Acts offer a picture window of a sort into the homiletical mindset of the apostles and other disciples as they proclaimed the gospel to the world as they knew it Preaching is a demand of the Bible and a specific task of those who are privileged to do it      **Connections: A Lectionary Commentary for Preaching and Worship**

Thomas G. Long, 2019-04-23 Designed to empower preachers as they lead their congregations to connect their lives to Scripture Connections features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary For each worship day within the three year lectionary cycle the commentaries in Connections link the individual lection reading with Scripture as a whole as well as to the larger world In addition Connections places each Psalm reading in conversation with the other lections for the day to highlight the themes of the liturgical season Finally sidebars offer additional connections to Scripture for each Sunday or worship day This nine volume series is a practical constructive and valuable resource for preachers who seek to help congregations connect more closely with Scripture This volume covers Year C for the season after Pentecost      **The Sermon Maker**

Calvin Miller, 2009-09-01 Three contemporary humorous parables of a preacher who struggles with his need to change Sam the preacher wonders what has gone wrong with his sermons Are people still listening Well known storyteller and communications professor Calvin Miller combines his fiction writing with his insight into preaching to address the changes faced by today's preachers especially the fact that contemporary congregations have shifted to a different way of listening How can Sam recover his passion for preaching In this short entertaining story driven book church leaders will see honest reflections of themselves But the narrative humor also provides a clever way to stimulate thought and discussion on how preachers and preaching are changing Some places in the story will lead to laughter others will cause readers to pause and reflect But whatever the reaction The Sermon Maker leaves the reader encouraged and changed Extensive commentary on the stories provides insight from the author into the best ways to communicate Just as the story in the tremendously popular Who Moved My Cheese impacted readers in the business world who were facing change so this book is designed as a quick but stimulating story for any church leader who preaches or is concerned about the state of preaching today      **Creative Styles of Preaching**

Mark Barger Elliott, 2000-09-01 This useful book on newer preaching styles is designed for students and experienced clergy alike It consists of nine chapters each treating a different contemporary approach to preaching such as Narrative Evangelistic African American Topical Pastoral Biblical Literary and Imaginative styles Each chapter is illustrated by sermons from well known preachers This book will prove an invaluable travel guide to the homiletical landscape and it will aid pastors who want to keep their sermons fresh invigorating and relevant to the life experiences of their congregations      **Stumbling over the**

**Cross** Joni S. Sancken, 2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties

today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world     **Preparing for Christian Ministry** David P. Gushee,Walter C. Jackson,1996-09-01

Encouragement for students to reflect on the nature and task of ministry in the 21st century and to seek education to equip them for ministry     **Preaching** Jason C. Meyer,2013 The sermon is under attack This comprehensive biblical theology of preaching examines what it is how to do it and why it s so important exploring the concept s canonical development and relevance for key doctrines     Applying the Sermon Daniel Overdorf,2009-08-28 Finally a tool to help Pastors shape applications that so many congregations have long desired Even the most seasoned homileticsians balk at sermon application Why Because application requires preachers to toss a grenade like thus saith the Lord into people s lives and to do so repeatedly From the introduction Despite the concern many pastors feel when it comes to sermon application most homiletics texts devote little more than a chapter if that to this vital topic Daniel Overdorf has filled this glaring gap with Applying the Sermon This book equips preachers to develop sermon application that grows from the biblical text and addresses the needs of contemporary congregations Each chapter includes snippets of interviews with five of today s most respected homileticsians Haddon Robinson Will Willimon Tom Long Vic Pentz and Bob Russell A great addition to any pastoral library and a valuable resource for Bible college and seminary courses Overdorf s Applying the Sermon also includes an extensive bibliography and a sermon application worksheet to give pastors a chance to acquire hands on experience with these techniques
