Eve And The New Jerusalem:

Eve and the New Jerusalem Barbara Taylor, 1993 When Eve and the New Jerusalem was first published over thirty years ago it was received as a political intervention as well as a landmark historical work Barbara Taylor became the first woman to win the Isaac Deutscher Memorial Prize and the book went on to become a feminist classic As women across the globe find themselves at the sharp end of neoliberal austerity programmes discriminatory social policies and fundamentalist misogyny Eve and the New Jerusalem is as essential as it ever was Book jacket [Eve and the New Jerusalem](#) Barbara Taylor, 1982

The Struggle for the Breeches Anna Clark, 1997-04-18 In its analysis of gender and class relations and their political forms in giving voice to the many who have left only a fleeting trace in the historical record Clark's study is a pioneering classic It also has a salience for many of our present social and political dilemmas Leonore Davidoff Editor Gender and History Deeply researched scholarly serious important This is a big book that develops a significant new line of inquiry on a classic story in modern history the making of the English working class Clark shows in great and persuasive detail how we might read this tale through the lens of gender Thomas Laqueur author of Making Sex *Living in sin* Ginger Frost, 2013-07-19 Living in sin is the first book length study of cohabitation in nineteenth century England based on research into the lives of hundreds of couples Common law marriages did not have any legal basis so the Victorian courts had to wrestle with unions that resembled marriage in every way yet did not meet its most basic requirements The majority of those who lived in irregular unions did so because they could not marry legally Others chose not to marry from indifference from class differences or because they dissented from marriage for philosophical reasons This book looks at each motivation in turn highlighting class gender and generational differences as well as the reactions of wider kin and community Frost shows how these couples slowly widened the definition of legal marriage preparing the way for the more substantial changes of the twentieth century making this a valuable resource for all those interested in Gender and Social History

The Women's Movements in the United States and Britain from the 1790s to the 1920s Christine Bolt, 2014-09-25 This book presents a study of the development of the feminist movement in Britain and America during the 19th century Acknowledging the similar social conditions in both countries during that period the author suggests that a real sense of distinctiveness did exist between British and American feminists American feminists were inspired by their own perception of the superiority of their social circumstances for example whereas British feminists found their cause complicated by traditional considerations of class Christine Bolt aims to show that the story of the American and British women's movement is one of national distinctiveness within an international cause This book should be of interest to students and teachers of American and British political history and women's studies

Courtship and Marriage in Victorian England Jennifer Phegley, 2011-11-15 This book examines the popular publications of the Victorian period illuminating the intricacies of courtship and marriage from

the differing perspectives of the working middle and upper classes In contemporary culture the near obsessive pursuit of love and monogamous bliss is considered normal as evidenced by a wide range of online dating sites television shows such as Sex in the City and The Bachelorette and an endless stream of Hollywood romantic comedies Ironically when it comes to love and marriage we still wrestle with many of the same emotional and social challenges as our 19th century predecessors did over 100 years ago Courtship and Marriage in Victorian England draws on little known conduct books letter writing manuals domestic guidebooks periodical articles letters and novels to reveal what the period equivalents of dating and tying the knot were like in the Victorian era By addressing topics such as the etiquette of introductions and home visits the roles of parents and chaperones the events of the London season model love letters and the specific challenges facing domestic servants seeking spouses author Jennifer Phegley provides a fascinating examination of British courtship and marriage rituals among the working middle and upper classes from the 1830s to the 1910s

Perspectives on Feminist Political Thought in European History Tjitske Akkerman, Siep Stuurman, 2013-06-17 Spanning six centuries of political thought in European history this book puts the ideas of thinkers from Christine de Pizan to Simone de Beauvoir in the broader contexts of their time This intriguing collection of essays shows that feminism is not a variant of modern radical discourse but a mode of analysing the issues of authority power and virtue that have been at the heart of European political thought from the middle ages

The Rabbi's Atheist Daughter Bonnie S. Anderson, 2017 The first modern biography of one of the nineteenth century's most prominent radical activists written by an acclaimed senior feminist historian

Limited Livelihoods Sonya O. Rose, 2003-09-02 Integrating analytical tools from feminist theory cultural studies and sociology to illuminate detailed historical evidence Sonya Rose argues that gender was a central organizing principle of the nineteenth century industrial transformation in England She elaborates a cultural theory of gender that suggests why it is an inherent aspect of all social and economic relations Analysing employer strategies and state policies and the role of work in family life she demonstrates that neither industrial transformation nor class relations can be understood when reduced to gender neutral and abstract forces

The Ministry of the Word, Vol. 23, No. 05 Various Authors, 2019-05-01 This issue of The Ministry of the Word contains the remaining eight messages given during the fall 2018 term of the full time training in Anaheim California The general subject of this series of messages is The Central Vision There are three aspects of the central vision The first aspect is God as our contents the second aspect is Christ as the mystery of God and the third aspect is the church as the mystery of Christ Christ is the mystery of God the church is the mystery of Christ and Christ and the church are the great mystery

Eve's Children Gerard P. Luttikhuizen, 2003-01-01 Annotation Fifteen essays from biblical scholars consider the reception of the biblical stories of Cain Abel and Seth in various Jewish and Christian traditions They examine early rewritings and interpretations of these stories both within mainstream and more marginal or sectarian groups Three essays examine how the stories were re used in modern fiction including Steinbeck's The papers were originally presented at a

symposium held at the U of Groningen in 2001 Annotation 2004 Book News Inc Portland OR booknews com **Greed, Lust and Gender** Nancy Folbre, 2009-10-22 This book dramatizes the history of self interest by describing a centuries long debate over greed lust and appropriate gender roles in terms that ordinary readers will enjoy Ranging from the 18th century to the present it offers a deft and engaging critique of economic history and the history of ideas from a feminist perspective

Canis Africanis Lance Van Sittert, Sandra Scott Swart, 2008 The role of the dog in human society is the connecting thread that binds the essays in *Canis Africanis* each revealing a different part of the complex social history of southern Africa The essays range widely from concerns over disease bestiality and social degradation through gambling on dogs to anxieties over social status reflected through breed classifications and social rebellion through resisting the dog tax imposed by colonial authorities With its focus on dogs in human history this project is part of what has been termed the animal turn in the social sciences which investigates the spaces which animals inhabit in human society and the way in which animal and human lives interconnect demonstrating how different human groups construct a range of identities for themselves and for others in terms of animals So instead of conceiving of animals as merely constituents of ecological or agricultural systems they can be comprehended through their role in human cultures **The Collected Works of Witness Lee, 1994-1997, volume 3**

co-operation Anthony Webster,Linda Shaw,Rachael Vorberg-Rugh,2016-09-22 After decades of flying beneath the radar co operation as a principle of business and socio economic organisation is moving from the margins of economic social and political thought into the mainstream In both the developed and developing world co operative models are increasingly viewed as central to tackling a diverse array of issues including global food security climate change sustainable economic development public service provision and gender inequality This collection drawing together research from an interdisciplinary group of scholars and co operative practitioners considers the different spheres in which co operatives are becoming more prominent Drawing examples from different national and international contexts the book offers major insights into how co operation will come to occupy a more central role in social and economic life in the twenty first century Mainstreaming co operation will be of interest to students and academics studying economics business studies history politics and international development but also to policy makers interested in co operatives and mutuals as a viable alternative to conventional models of social and economic development Effective Preaching Paul K Irad,2019-04-16 Today

I encourage you to turn your thoughts to the Father Ask him to show you his love in a fresh new way Get a picture of him standing before you with his arms stretched toward you ready to lead you through the valley to the place of peace rest and victory **Song of Songs** Arthur Eedle,2016-04-13 The Song of Songs is usually known as The Song of Solomon but the Hebrew title only declares that it is about Solomon Furthermore the majority of expositors look upon this little gem of ancient writing as the love song of Solomon and the Shulamite maiden They then propose that it speaks of the marriage of Christ and the Bride But Solomon already had 600 wives when the Song was written and his backslidden character could hardly be a type of Christ The author of this work believes that the Shulamite was in love with a simple Shepherd lad and that they remained faithful to each other throughout the heart rending circumstances of King Solomon s blandishments This would indeed be a type of Christ and His Church going through trials as a test of faithfulness and obedience This beautiful story is now re written in its original format as a play intertwined with copious explanatory notes The Palestine Weekly ,1925

Wounds of Love Frank Graziano,2004-01-15 The Peruvian mystic St Rose of Lima Isabel Flores y Oliva 1586 1617 was canonized in 1671 as the first saint of the New World and remains the object of widespread devotion today In this engrossing

new study Frank Graziano uses the example of St Rose to explore the meaning of female mysticism and the way in which saints are products of their cultures. Virginity, austerity, eucharistic devotion, incessant mortification, and mystical marriage to Christ characterized the devotional regimen that structured St Rose's entire life. Many of her mystical practices echo the symptoms of such modern psychological disorders as masochism, depression, hysteria, and anorexia nervosa. Graziano offers a sophisticated argument not only for the origins and meaning of these behaviors in Rose's case but also for the reason her culture venerated them as signs of sanctity. In the process, he explores a wide range of themes: from the idea of suffering as an expression of love to the assimilation of childhood trauma through religious repetition. Graziano also offers a penetrating analysis of the politics of Rose's canonization. He finds that her mystical union with God, bypassing the institutional channels of sacrament and priestly mediation, was inherently subversive to the bureaucratized Church. Canonization was a cooptation by which Rose's competing claim to Christ was integrated into the Catholic canon. The book concludes with a fascinating exploration of mystical eroticism, with its intense experiences of vision and ecstasy. The eroticized suffering of many mystics is shown to be very human in origin; the mystic's wounded love is projected onto a God conceived to accommodate it. *Wounds of Love* is based on a decade of research in archives, rare books, and an extraordinary range of secondary sources. Introducing an innovative method that integrates history, cultural studies, psychoanalysis, and clinical psychology, this compelling work offers a bold new interpretation of female mysticism.
