Evelyn Waugh The Early Years 1903 1939

Andrea Freud Loewenstein

Evelyn Waugh The Early Years 1903 1939:

Evelyn Waugh Martin Stannard,1989-10 The Evelyn Waugh who emerges from this fascinating and masterful account is a far different and a far more complex figure than the one most readers know Not only supersedes all earlier accounts of the writer but also is a model of the biographer's art Michael Gorra New York Newsday **Evelyn Waugh, 1903-1939** Etty Hillesum,Martin Stannard,1986-11-01 Evelyn Waugh Martin Stannard,1987 Definitive Deeply researched and pondered A literary biography of the same caliber as Richard Ellmann's James Joyce These words of praise from Edmund Morris in the New York Times and Michael Dirda in the Washington Post are but some of the acclaim that greeted Martin Stannard's Evelyn Waugh The Early Years 1903 1939 This eagerly awaited second volume spanning the years from World War II to Waugh's death in 1966 completes the portrait of one of the foremost writers of the century This was the period of some of Waugh's greatest work including Brideshead Revisited The Loved One and the Sword of Honour trilogy **An Evelyn Waugh Chronology** N. Page,1997-07-21 This chronology covers the whole sweep of Evelyn Waugh's varied and eventful life and career including his numerous friendships his active social life and his exotic travels Drawing on Waugh's own letters and diaries as well as other sources it provides accurate and detailed information in a highly accessible form Its layout enables it to be used for checking specific items of information but it can also serve as an alternative biography **A Handful of Mischief** Donat Gallagher,Ann Slater,John Howard Wilson,2011-04-18 A Handful of Mischief New Essays on Evelyn Waugh is a collection of essays based on presentations at the Evelyn Waugh Centenary Conference at Hertford College Oxford in 2003 There are twelve different essays by authors from various countries including Australia Canada Russia the United Kingdom and the United States The essays cover a wide range of material from Waugh's early novel Black Mischief 1932 to his last travel book A Tourist in Africa 1960 In addition to essays on well known novels such as Scoop 1938 Brideshead Revisited 1945 and Helena 1950 the collection includes papers on Waugh's library his changing conception of Oxford his writing about religious conversion and his role in the British evacuation of Crete in 1941 The authors approach Waugh and his work in various ways and innovative essays explore sovereignty post colonialism and adaptation for radio Contributors Baron Alder Peter G Christensen Robert Murray Davis Marcel DeCoste Patrick Denman Flanery Donat Gallagher Irina Kabanova Dan S Kostopulos Lewis MacLeod John W Mahon Richard W Oram Ann Pasternak Slater John Howard Wilson The Historical Imagination of G.K. Chesterton Joseph R. McCleary,2009-02-20 This study examines a selection of Chesterton's novels poetry and literary criticism and outlines the distinctive philosophy of history that emerges from these writings Specifically McCleary contends that Chesterton's recurring use of the themes of locality patriotism and nationalism embodies a distinctive understanding of what gives history its coherence **Evelyn Waugh's Satire** Naomi Milthorpe,2016-06-23 Evelyn Waugh 1903 1966 is one of the twentieth century's great prose stylists and the author of a suite of devastating satires on modern English life from his first unforgettably funny novel Decline and Fall to his last work of

fiction Basil Seal Rides Again Evelyn Waugh's Satire Texts and Contexts renews scholarly debates central to Waugh's work the forms of his satire his attitudes towards modernity and modernism his place in the literary culture of the interwar period and his pugnacious misreading of literary and other texts This study offers new exegetical accounts of the forms and figures of Waugh's satire linking original readings of Waugh's texts to the literary historical contexts that informed them Posing fresh readings of familiar works and affording attention to more neglected texts Evelyn Waugh's Satire Texts and Contexts offers readers and scholars a timely opportunity to return to the rich dark art of this master of prose satire

Loathsome Jews and Engulfing Women Andrea Freud Loewenstein, 1995-06-01 A remarkable study one that I recommend to any reader fascinated by the shaping of culture and the power of the psyche The Forward How typical of his generation was T S Eliot when he complained that Hitler made an intelligent anti semitism impossible for a generation In her new book Loathsome Jews and Engulfing Women novelist and critic Andrea Freud Loewenstein examines the persistent anti semitic tendencies in modernist British intellectual culture Pursuing her subject with literary historical and psychological analyses Loewenstein argues that this anti semitism must be understood in terms of its metaphorical link with misogyny Situated in the context of the history of Jews in Britain Loathsome Jews and Engulfing Women begins by questioning the widespread belief that the British government was a friend to the Jews in the 30s and 40s Loewenstein shows that as evident in the hypocrisy of many British governmental policies prior to and during WWII Britain actively collaborated in the Jews destruction Against the backdrop of this tragic complicity in the Holocaust Loewenstein evaluates Jewish stereotypes in the works of three representative twentieth century British thinkers and writers Her analysis provides a revealing critique of British modernism In a larger sense Loathsome Jews and Engulfing Women explores the riddle of prejudice Loewenstein argues that anti semitism is nurtured in an environment populated by other hatreds misogyny homophobia and racism To explain the interaction of these prejudices she develops an investigative model grounded in object relations theory and informed by the works of such theoretically diverse authors as Virginia Woolf Kate Millett and Alice Miller Loewenstein lucidly argues within an autobiographical framework insisting on the need for critics to look within ourselves for that terrible other rather than to complacently assume that we ourselves exist outside the ideology of power This well written and readable book will be of interest to many people ranging students of British history to psychoanalysts from historians of Jewish culture to anyone interested in feminist and literary theory

The Dark Landscape of Modern Fiction Patrick Reilly, 2018-05-08 This title was first published in 2003 This text explores the dark pessimistic truth that pervades the pages of modern texts setting a theme of Dante's Inferno against the work of modern authors including Dostoyevsky Hardy Conrad Wharton Kafka Camus Waugh and Flannery O Connor The author's thesis is that these writers exhibit a hostility towards the reader an anger that the reader should continue to be so deludedly happy when the writer has become so mortifyingly enlightened At its most characteristic Reilly demonstrates modern fiction seems to achieve a savage satisfaction in inflicting this pain to an extent

that could be described as sadistic Reilly traces what he calls this punitive spirit to a character in the Inferno Vanni Fucci who suffering himself does his best to make Dante suffer too Through the study he uses the Inferno as a guide to the prevailing attitudes in modern fiction revealing a parallel between the prohibition of pity within the medieval poem and in the pages of modern texts Ritual and the Idea of Europe in Interwar Writing Patrick R. Query,2016-04-08 While most critical studies of interwar literary politics have focused on nationalism Patrick Query makes a case that the idea of Europe intervenes in instances when the individual and the nation negotiate identity He examines the ways interwar writers use three European ritual forms verse drama bullfighting and Roman Catholic rite to articulate ideas of European cultural identity Within the growing discourse of globalization Query argues Europe presents a special though often overlooked case because it adds a mediating term between local and global His book is divided into three sections the first treats the verse dramas of T S Eliot W B Yeats and W H Auden the second discusses the uses of the Spanish bullfight in works by D H Lawrence Stephen Spender Jack Lindsay George Barker Cecil Day Lewis and others and the third explores the cross cultural impact of Catholic ritual in Graham Greene Evelyn Waugh and David Jones While all three ritual forms were frequently associated with the most conservative tendencies of the age Query shows that each had a remarkable political flexibility in the hands of interwar writers concerned with the idea of Europe **Dictionary of World Biography** Barry Jones,2018-05-02 Barry Jones Dictionary of World Biography weaves historical facts with perspective on the subjects and the influence they had on theirs and on modern times Gain a unique insight into the life and times of important identities cultural icons and controversial characters *Lost Worlds* Kevin Foster,2009-09-07 Think of Latin America and what do you see Escape Adventure Chaos Oblivion *Lost Worlds* explores how these stereotypes came into being and what they tell us about ourselves Examining a range of texts from Southey's epics to Naipaul's essays from Conan Doyle's gentlemen adventurers to Kerouac's restless hipsters this book reveals the role that Latin America has played in British US and Australian endeavours in the nineteenth and twentieth centuries Over the last 200 years Latin America has served the West as an imaginary realm where its highest hopes and deepest anxieties might be realised **Portrait of a Muse** Gailey Andrew,2020-10-27 The first biography of Frances Graham the muse of leading Pre Raphaelite painter Edward Burne Jones for the last 25 years of his life In a discreet subtle human way her life is a study in power artistic social political familial local and all the more fascinating for being played out from a perennial position of weakness The Portrait of a Muse is the tale of a remarkable woman living in an age on the cusp of modernity 75 illustrations The English Modernist Novel as Political Theology Charles Andrews,2024-01-11 A 2024 CHOICE OUTSTANDING ACADEMIC TITLE novels by Virginia Woolf D H Lawrence Evelyn Waugh and Sylvia Townsend Warner as political theology works that imagine a resistance to the fusion of Christianity and patriotism which fuelled and supported the First World War this book shows how we can gain valuable insights from their works for anti militarist anti statist and anti nationalist efforts today While none of the four novelists in this study were

committed Christians during the 1920s Andrews explores how their fiction written in the wake of the First World War operates theologically when it challenges English civil religion the rituals of the nation that elevate the state to a form of divinity Bringing these novels into a dialogue with recent political theologies by theorists and theologians including Giorgio Agamben William Cavanaugh Simon Critchley Michel Foucault Stanley Hauerwas and Jürgen Moltmann this book shows the myriad ways that we can learn from the authors theopolitical imaginations Andrews demonstrates the many ways that these novelists issue a challenge to the problems with civil religion and the sacralized nation state and in so doing offer alternative visions to coordinate our inner lives with our public and collective actions Ford Madox Ford's Modernity ,2021-11-08

Ford Madox Ford's Modernity explores the relation between modern writing and modern experience It examines how his prose registers the impact on society and the arts of new technologies such as railways and telephones It demonstrates how Ford's writing reflects and elaborates new conceptions of subjectivity gender nation and empire And it establishes his contribution to the growing sense of crisis in the fields of history epistemology and representation It includes essays by twenty leading Ford scholars on a wide range of his fiction and criticism giving particular attention to *The Good Soldier* and to his responses to modern war **The Concise New Makers of Modern Culture** Justin Wintle,2008-11-28 A Who's Who of Western culture from Woody Allen to Emile Zola Containing four hundred essay style entries and covering the period from 1850 to the present The Concise New Makers of Modern Culture includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley with John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping rubs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin With its global reach The Concise New Makers of Modern Culture provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing as well as an index of names and key terms **The Queer Cultures of 1930s Prose** Charlotte Charteris,2019-01-04 Offering a radical reassessment of 1930s British literature this volume questions the temporal limits of the literary decade and broadens the scope of queer literary studies to consider literary historical responses to a variety of behaviours encompassed by the term queer in its many senses Whilst it is informed by the history of sexuality in twentieth century Europe it is also profoundly concerned with what Christopher Isherwood termed the market value of the *Odd Drawing* for its methodology on the work of Raymond Williams it traces the impact of the Great War on the development of language examining the use of ten keywords in the prose of Christopher Isherwood Evelyn Waugh and Patrick Hamilton and that of their respective literary milieux in order to establish how queer lives and modern sub cultural identities were forged collaboratively within the fictional realm By utilizing contemporary perspectives on performativity in conjunction with detailed close readings it repositions these authors as self conscious agents actively producing their own queer masculinities through calculated acts of linguistic

transgression *Modernism and the Aristocracy* Adam Parkes, 2023-06-14 During a modern age that saw the expansion of its democracy the fading of its empire and two world wars Britain's hereditary aristocracy was pushed from the centre to the margins of the nation's affairs. Widely remarked on by commentators at the time, this radical redrawing of the social and political map provoked a newly intensified fascination with the aristocracy among modern writers. Undone by history, the British aristocracy and its Anglo-Irish cousins were remade by literary modernism. *Modernism and the Aristocracy: Monsters of English Privilege* is about the results of that remaking. The book traces the literary consequences of the modernist preoccupation with aristocracy in the works of Elizabeth Bowen, Ford Madox Ford, Aldous Huxley, D.H. Lawrence, Evelyn Waugh, Rebecca West and others writing in Britain and Ireland in the first half of the twentieth century. Combining an historical focus on the decades between the two world wars with close attention to the verbal textures and formal structures of literary texts, Adam Parkes asks: What did the decline of the British aristocracy do for modernist writers? What imaginative and creative opportunities did the historical fate of the aristocracy precipitate in writers of the new democratic age? Exploring a range of feelings, affects and attitudes that modernist authors associated with the aristocracy in the interwar period, from stupidity, boredom and nostalgia to sophistication, cruelty and kindness, the book also asks what impact this subject matter has on the form and style of modernist texts and why the results have appealed to readers then and now. In tackling such questions, Parkes argues for a reawakening of curiosity about connections between class status and literature in the modernist period.

British Catholics and Fascism T. Villis, 2013-02-18 Drawing substantially on the thoughts and words of Catholic writers and cultural commentators, Villis sheds new light on religious identity and political extremism in early twentieth-century Britain. The book constitutes a comprehensive study of the way in which British Catholic communities reacted to fascism both at home and abroad.

Reforming Empire Christopher Hodgkins, 2002 Shakespeare, Daniel, Herbert, Swift, Johnson, Burke, Blake, Austen, Browning, Tennyson, Conrad, Forster and finally the anti-Protestant Waugh. Written in a lively and accessible style, *Reforming Empire* will be of interest to all scholars and students of English literature. Jacket
