Even Among These Rocks A Spiritual Journey:

Aging as a Spiritual Journey Eugene C. Bianchi, 2011-07-01 Bianchi's wide ranging book draws together insights from the social sciences the humanities and religion to establish a holistic framework for a spirituality of aging He argues that middle life and late adulthood present opportunities for turning inward for a deeper contemplative life within the context of active worldly endeavors This can also augur a reform of social relationships beyond individual development alone toward the creation of a more cooperative just society In this way physical decline is countered by a spiritual ascent He summons aging persons fortified with universal values and concerns gained from age and experience to return to the centers of decision making Throughout the author ponders such questions as personal power identity fear freedom contemplation sexuality the church faith suffering and hope In candid interviews older religious leaders reflect on their early value formation personal traumas choice of careers midlife transitions experiences of old age and the prospect of death In dwelling mainly on human spiritual dilemmas of the aging cycle Bianchi offers a strong clear message of hope one that stands against the tide of our culture which tends to shunt older people to the outer eddies of life's stream *Aging as a Spiritual Journey* is immensely valuable to all laypersons and those in the helping professions who are concerned about the quality of the aging process

Living the Christian Year Bobby Gross, 2012-04-25 Bobby Gross presents chapters on each season of the liturgical year accompanied by weekly devotions based on the Sunday readings of the lectionary cycle His book offers a flexible weekly format designed to let you break the devotions down any way you want to **ThirdWay**, 2007-04 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **ThirdWay**, 2006-10 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture

Northern Archaeology and Cosmology Vesa-Pekka Herva,Antti Lahelma,2019-06-28 In its analysis of the archaeologies and histories of the northern fringe of Europe this book provides a focus on animistic shamanistic cosmologies and the associated human environment relations from the Neolithic to modern times The North has fascinated Europeans throughout history as an enchanted world of natural and supernatural marvels a land of light and dark of northern lights and the midnight sun of witches and magic and of riches ranging from amber to oil Northern lands conflate fantasies and realities Rich archaeological historical ethnographic and folkloric materials combine in this book with cutting edge theoretical perspectives drawn from relational ontologies and epistemologies producing a fresh approach to the prehistory and history of a region that is pivotal to understanding Europe wide processes such as Neolithization and modernization This book examines the mythical and actual northern worlds with northern relational modes of perceiving and engaging with the world on the one hand and the place of the North in European culture on the other This book is an indispensable read for scholars of archaeology anthropology cultural studies and folklore in northern Europe as well as researchers interested in how the North is intertwined with developments in the broader European and Eurasian world It provides a deep time understanding of globally topical issues and conflicting interests as expressed by debates and controversies around Arctic resources nature preservation and indigenous rights

Experiences with Spiritual Reality John Jensen,2003-09-29 As we align our consciousness with God s action in us we place ourselves in reach of daily miracles In Beginning Your Spiritual Journey traditional spirituality from the science of the saints joins with advances in the understanding of consciousness from New Old Age religion and modern psychology Psychologist former Catholic priest

and student of religions John Jensen explains how to approach the presence of God and change one's life to align with God's encompassing activity. He asks readers to understand why they want to pursue a spiritual life and then to engage consciously in a learning process about the nature of God and Soul. Grounding the process in direct experience offers a way to assess progress as it crosses slowly into the intangible. The book addresses from many angles the common difficulty of discerning what's real and true and the importance of finding a personal spiritual guide to work with on the inner planes as well as outwardly. It explains the critical role of spiritual exercises and the essential daily discipline of withdrawing consciousness away from all forms of negativity: moral, spiritual, emotional, and behavioral, and redirecting it toward God.
