studies and ethics provide a one stop reference book on the vital relationship between Scripture and ethics Meet the Bible Philip Yancey, Brenda Quinn, 2010-05-11 The story of the Bible starts with the simple statement In the beginning God created From that first sentence of Genesis the story of salvation unfolds in strange and wonderful mingling of the commonplace and the miraculous the human and the transcendent But if you were born after the baby boom chances are the Bible seems more like an item of passing interest than a book of depth and meaning for the twenty first century If you re not familiar with the Bible it can be difficult to put into perspective the puzzle of kings and prophets giants and seven headed dragons shepherd boys and itinerant preachers Old Testament law and New Testament grace Meet the Bible introduces you to the full epic sweep of the Bible the characters the places the times the stories and the meanings of this Book of books and shows you that even the most obscure passage can hold relevance for your life once you understand what to look for Award winning writer Philip Yancey and author Brenda Quinn are your guides on this one year reading tour of the Bible Each day s reading includes Scripture contemporary commentary and questions for contemplation all designed to offer insight into how the passage fits into the overall story of the Bible and how it can speak to your life today Meet the Bible takes you through the twists and turns of the Bible s many narratives the high points and the low points the good characters and the bad as well as the eternal thoughts and descriptions of God and his Son Jesus Christ Here are stories to remember images of real people and circumstances closer to your own life than you ve ever imagined By the time you ve finished the year s worth of reading you ll have gained a panoramic view of the whole Bible and a firm understanding of its ideas and teachings If you ve never read the Bible or hardly know the Bible or would just like to read the Bible in a fresh new way Meet the Bible offers an inspiring mix of timeless wisdom and contemporary insight that will cause faith to ignite within you Direct excerpts from Scripture give readers a panoramic tour of the Bible s key passages personalities events and ideas as the Old Testament sweeps into the New Testament Culturally relevant commentary from Quinn and Yancey sheds light on each day s passage examining the twists and turns of the Bible s many narratives the high points and the low points the good characters and the bad as well as the eternal thoughts and descriptions of God and his Son Reflections every five days provide life application for the week s Scripture readings Building a Firm Foundation Marylynn D. Wesson, D.Min., 2023-03-17 Parents are the primary educators of their children as stated in the Catechism of the Catholic Church Para 1653 Moreover the Second Vatican Council document Lumen Gentium identifies parents as the first heralds of the faith to their children Unfortunately many parents today are ill equipped to take on this role because they haven t been fully evangelized in the Christian Faith Building a Firm Foundation is an eight week evangelization and formation program for parents and guardians whose children are preparing for their first sacraments This foundational program starts at the very beginning with the kerygma the initial Gospel proclamation that introduces each of us to Christ Rather than focusing on Catholic doctrine the program s goal is to stoke a desire to grow together in faith in an intentional way as a family by awakening parents to the importance of a

relationship with Jesus and his Church Once evangelized only then will parents be more receptive to the catechesis that will nourish and deepen the faith of their entire family Building a Firm Foundation will awaken in parents the capacity for an active relational faith and equip them as they in partnership with their children s catechists help their children prepare for their sacraments *What Is Christian Truth for You?* Jim Moore,2007-05 Moore draws from personal life experiences to show how Jesus Christ draws allpeople into seeking Him Christian **Just Tell the Truth** Richard Lischer,2021-02-23 What does it mean to live the Christian life with conviction Richard Lischer insists that Christians have a stake in the political and social conflicts that are dividing our culture In whatever circumstance Christians are obligated to tell the truth about what it means to be a follower of Jesus In Just Tell the Truth Lischer explores seasons of suffering hope and triumph in the light of the gospel Drawing upon Scripture and the lives of both well known and anonymous Christians he helps his readers imagine what truthful living looks like While remaining biblically and theologically rooted the sermons eloquently engage the present moment showing how Christian conviction has a place in the controversial realms of politics racial justice and the COVID 19 crisis The nourishing meditations in Just Tell the Truth align the rhythm of the gospel with the curvature of human experience empowering Christians to find the heart of God in what is too often a heartless world **The International Standard Bible Encyclopaedia** James Orr,1915 *Actuality* Scott Hoezee,2014-11-18 Preachers need stories Stories examples and illustrations bring sermons to life But what sort of stories work best to communicate the gospel for listeners today In Actuality discover why the best sermon illustrations come from real life from the actual experiences of trouble and grace in your own life as a preacher and in the lives of your congregants Learn how to find those stories and how to use them Author Scott Hoezee demonstrates new story sharing techniques with multiple examples and clear practical guidance which is useful and instructive for every preacher who seeks to bring new vitality to the pulpit **Jewish Every Day** Behrman House,Maxine Segal Handelman,2005-06 Written in a warm and understanding tone this guide takes the best in secular early childhood education and applies it to Jewish early childhood education With extensive bibliographies as well as background information for teachers individual chapters review developmentally appropriate practice anti bias education storytelling music Jewish thematic units reaching out to interfaith families keeping kosher at school and much more *Bible Society record* ,1858
