When You Were Here Daisy Whitney, 2013-06-04 Filled with humor raw emotion a strong voice and a brilliant dog named Sandy Koufax When You Were Here explores the two most powerful forces known to man death and love Daisy Whitney brings her characters to life with a deft touch and resonating authenticity Danny s mother lost her five year battle with cancer three weeks before his graduation the one day that she was hanging on to see Now Danny is left alone with only his memories his dog and his heart breaking ex girlfriend for company He doesn t know how to figure out what to do with her estate what to say for his Valedictorian speech let alone how to live or be happy anymore When he gets a letter from his mom s property manager in Tokyo where she had been going for treatment it shows a side of a side of his mother he never knew So with no other sense of direction Danny travels to Tokyo to connect with his mother s memory and make sense of her final months which seemed filled with more joy than Danny ever knew There among the cherry blossoms temples and crowds and with the help of an almost but definitely not Harajuku girl he begins to see how it may not have been ancient magic or mystical treatment that kept his mother going Perhaps the secret of how to live lies in how she died

Schooling for Sustainable Development in Canada and the United States Rosalyn McKeown, Victor Nolet, 2012-07-26 Education for sustainable development ESD presents an intriguing challenge in developed countries The very notion of sustainable development may appear to be at cross purposes with the social and political aims of large industrial economies Yet arguably the residents of wealthy countries may be most in need of new ways of thinking and behaving on an increasingly more fragile and crowded planet This book presents a collection of essays that capture the depth and diversity of education for sustainable development ESD work in formal education in Canada and the United States Many of the authors are pioneers in the field of ESD not only in their own countries but internationally In this book they share their expertise lessons learned and insights into the ongoing success of their work The essays reflect leading edge practice innovation and depth of experience and provide clear models and strategies for expanding the application and influence of ESD in wealthy countries The ESD programs described in the book are relevant and culturally appropriate for the specific locally contexts in which they are found but also in the larger context of ESD writ large as a planetary endeavour

Alzheimer's: The Person Within Linda Marie Hemm, 2002-11-21 Statistics show that there are over four million mostly elderly men and women in the USA alone who are afflicted with Alzheimer s disease But

that may well be the tip of the iceberg The swelling number of care facilities indicates that many times that number are victims of other equally debilitating forms of dementia Significantly each of these persons has family members who are deeply affected because they must grope through the often distressing disruptive mysteries of the dementia process to find ways to communicate with and understand the loved one Alzheimer s The Person Within is a deliberately concise and easy to read manual which is dedicated to the reality that a diagnosis of dementia does not mean that life is over for the afflicted It is packed with information to teach caring family members ways to have more joyful and fulfilling interaction with their afflicted mom dad spouse brother sister or friend Within its pages anyone can learn effective methods to enhance the quality of a loved one s life and at the same time rid themselves of the stress of not knowing what to do **In the Language of Love** Diane Schoemperlen,1997-05-01 In this astonishingly inventive novel Diane Schoemperlen uses the 100 stimulus words from the Standard Word Association Test as a narrative framework for exploring her heroine s growing understanding of the meaning of love A tour de force of wit and wordplay In the Language of Love is a wise and compassionate collage of one woman s coming of emotional age *Reasonable Service* Kwete Quaynor,2012-08-17 Many of our praise and worship services have been reduced to mere social gatherings Several people now visit various Houses of God and yet never get to access the very Presence of God Unfortunately in several other settings praise and worship have been reduced to ordinary prologues to other sessions within gatherings or sheer stopgaps in the event of some delays and challenges It is about time we worshipped God in Spirit and in Truth by doing the right things in order to attract His pleasure and blessings rather than His wrath and curses which we so often do when we dishonor Him How many times have we not deliberately or mechanically offered abominable sacrifices to God We sometimes inadvertently burn strange incense before God and feel our sacrifices must be acceptable simply on account of their quantum or quality but if God could Himself acknowledge that the praise songs of His people were harmonious and that their sacrifices were fat and their services solemn and yet reject them all then what we render to God must certainly transcend our nominal readings on our man made selfgratifying gauges and emotional feelings We must guard against neglecting our call to do the right things as regards the praise and worship we offer to God for the consequences thereof could be dire Reasonable Service a ration of my passion does not provide formulae for praising and worshipping God but rather provides a unique revelation and understanding of the subject in a bid to enhance our intelligible service to God Hold yourself in readiness for an exceptional biblical voyage through the prestigious ministry of praise and worship *Rising Up to Preach the Gospel* Witness Lee,2024-02-12 What is the meaning of our human life If we are not here for the preaching of the gospel and saving souls then what are we here for You are working so that you can have food to eat and you have been eating for so many years yet it is still the same food What is there to this If we are not here for the Lord what is the meaning of our eating We cannot be the evil and slothful slaves We must arise to do the work of reaping by actively preaching the gospel When Your Chronic Illness Becomes a Goliath Tami Treat-Boyne,2023-12-29 Note to
