Even Paranoids Have Enemies New Perspectives On Paranoia And Persecution:

Even Paranoids Have Enemies Joseph H. Berke, 1998 Contributors to the book examine the ways in which paranoia and persecution are experienced at the individual institutional and macrosocial level and they discuss the psychological political and cultural impact of paranoid persecutory processes

Even Paranoids Have Enemies Joseph H. Berke, Stella Pierides, Andrea Sabbadini, Stanley Schneider, 2006-04-10 Even paranoids have enemies is the reply Golda Meir is said to have made to Henry Kissinger who during the 1973 Sinai talks accused her of being paranoid for hesitating to grant further concessions to the Arabs It is used as part of the title of this book to highlight the complex relationship between paranoia and persecution The politics of the Middle East the pressures within Japanese society the dynamics of the drug scene racism and the effects of mechanical thinking in institutions and cultures all serve to illustrate in this book the intimate connections between paranoia and persecution Contributors examine the ways in which paranoia and persecution are experienced at the individual institutional and macrosocial level They draw on theoretical perspectives from a range of disciplines in an exploration of both the psychological impact of paranoid processes and the extent to which these processes are rooted in political and cultural exigency

Main Issues in Mental Health and Race Dele Olajide, David Ndegwa, 2019-06-04 This title was first published in 2003 This work arose out of the editors concerns at the British preoccupation with an alleged epidemic of schizophrenia in people of African descent Black people in contact with psychiatric services are commonly classed as schizophrenic or normal and do not seem to attract any of the diagnoses or interventions which their white counterparts do The editors asked contributors to carry out a critical broad based review of a particular area using the technology that has been developed for conducting systematic literature reviews The areas explored were selected by the editors from their own understanding of disciplines which might have something to contribute They were largely disciplines which have an interest in beliefs feelings emotions thought politics language and decision making In some areas there was little material available from literature searches so the reviewers used their own understanding of the subject matter rather than existing literature to write critical essays

The Shadows and Lights of Waco James D. Faubion, 2018-06-05 When James Faubion visited the site of the Branch Davidian compound after its conflagration what he found surprised him Though the popular imagination had relegated the site s millennialist denizens to the radical fringe Faubion found not psychopathology but a sturdy and comprehensive system for understanding the world He also found in the person of Amo Paul Bishop Roden a fascinating spokeswoman for that system Based on more than five years of fieldwork including extensive life history interviews with Roden Faubion interprets millennialism as a master pedagogy He reveals it as simultaneously a poetics a rhetoric a physics an approach to history a course of training a gnosis and an ethics Millennialism resists the categories that both academic and popular analysts use to discuss religion by melding the sacred and secular the spiritual and political and the transcendental and commonsensical In this respect and in others millennialism is a premodern

pedagogy that has grown resolutely counter modern Yet mainstream culture sees in it not a critique of modernity but dangerous lunacy This disjunction prompts Faubion to investigate how the mainstream came to confine religion to an inner and other worldly faith an inquiry that allows him to account for the irrationalization of millennialism Against this historical background we can discern the genealogy of Adventist millennialism and make sense of contemporary religious events including the actions of a small group in the central Texas prairie

The Paranoid Apocalypse Richard Landes, Steven T. Katz, 2012 This text re examines The Protocols of the Elders of Zion s popularity investigating why it has persisted as well as larger questions about the success of conspiracy theories even in the face of claims that they are blatantly counterfactual and irrational

The Problems of Genocide A. Dirk Moses, 2021-02-04 Historically delineates the problems of genocide as a concept in relation to rival categories of mass violence

The Oxford Handbook of Political Theory John S Dryzek, Bonnie Honig, Anne Phillips, 2008-06-12 Oxford Handbooks of Political Science are the essential guide to the state of political science today With engaging contributions from 51 major international scholars the Oxford Handbook of Political Theory provides the key point of reference for anyone working in political theory and beyond

Paranoid Modernism David Trotter, 2001 Seeking reasons for modernism s compulsion to experiment this book explores contemporary definitions of paranoia and its examination through fiction

Conspiracy Culture Dr Peter Knight, Peter Knight, 2013-04-15 Conspiracy theories are everywhere in post war American culture From postmodern novels to The X Files and from gangsta rap to feminist polemic there is a widespread suspicion that sinister forces are conspiring to take control of our national destiny our minds and even our bodies Conspiracy explanations can no longer be dismissed as the paranoid delusions of far right crackpots Indeed they have become a necessary response to a risky and increasingly globalized world in which everything is connected but nothing adds up Peter Knight provides an engaging and cogent analysis of the development of conspiracy culture from 1960s countercultural suspicions about the authorities to the 1990s where a paranoid attitude is both routine and ironic Conspiracy Culture analyses conspiracy narratives about familiar topics like the Kennedy assassination alien abduction body horror AIDS crack cocaine the New World Order as well as more unusual ones like the conspiracies of patriarchy and white supremacy Conspiracy Culture shows how Americans have come to distrust not only the narratives of the authorities but even the authority of narrative itself to explain What Is Really Going On From the complexities of Thomas Pynchon s novels to the endless mysteries of The X Files Knight argues that contemporary conspiracy culture is marked by an infinite regress of suspicion Trust no one because we have met the enemy and it is us

Shutting Out the Sun Michael Zielenziger,2009-05-06 The world s second wealthiest country Japan once seemed poised to overtake America But its failure to recover from the economic collapse of the early 1990s was unprecedented and today it confronts an array of disturbing social trends Japan has the highest suicide rate and lowest birthrate of all industrialized countries and a rising incidence of untreated cases of depression Equally as troubling are the more than one million young men who shut themselves in their rooms withdrawing from society and the growing numbers of parasite singles the name given to single women who refuse to leave home marry or bear children In Shutting Out the Sun Michael Zielenziger argues that Japan s rigid tradition steeped society its aversion to change and its distrust of individuality and the expression of self are stifling economic revival political reform and social evolution Giving a human face to the country s malaise Zielenziger explains how these constraints have driven intelligent creative young men to become modern day hermits At the same time young women better educated than their mothers and earning high salaries are rejecting the traditional path to marriage and motherhood preferring to spend their money on luxury goods and travel Smart unconventional and politically controversial Shutting Out the Sun is a bold explanation of Japan s stagnation and its implications for the rest of the world King Herod: A Persecuted Persecutor Aryeh Kasher,2008-09-25 The enigma of King Herod as a cruel bloodthirsty tyrant on the one hand and a great builder on the other is discussed in a systematic modern historical and psychological study It seeks to unravel the contradictory historic mystery of the man and his deeds After A Schalit s K nig Herodes this study is a new comprehensive

pioneering study on the intriguing personality of Herod also using the insights of psychology Herod's mental state reached an acute level consistent with the DSM IV diagnosis for Paranoid Personality Disorder He grew up with an ambiguous identity and suffered from feelings of inferiority Haunted by persecutory delusions he executed almost any suspect of treason including his wife and three sons The Hebrew original text was Winner of the Ya'acov Bahat Prize for Non Fiction Hebrew Literature for 2006

Selected Poems of Calvin C. Hernton Calvin C. Hernton, 2023-08-01 This volume promises to be the definitive guide to Calvin C Hernton's unparalleled poetic career re-introducing readers to a major voice in American poetry Hernton was a cofounder of the Umbra Poets Workshop a participant in the Black Arts Movement R D Laing's Kingsley Hall and the Antiuniversity of London and a teacher at Oberlin College who counted amongst his friends bell hooks Toni Morrison and Odetta As a pioneer in the field of Black Studies Hernton developed a theoretical and practical pedagogy with lasting impact on generations of students He may be best known as an anti-sexist sociologist following in the footsteps of W E B Du Bois but Hernton viewed himself above all as a poet This volume includes a generous selection of Hernton's previously published poems from classics like the often anthologized *The Distant Drum* to the visionary epic *The Coming of Chronos* to the *House of Night* song reprinted in full for the first time since 1964 alongside uncollected and unpublished material from the Calvin C Hernton papers at Ohio University a new critical introduction and detailed notes chronology and bibliography sample poem *The Distant Drum* I am not a metaphor or symbol This you hear is not the wind in the trees Nor a cat being maimed in the street I am being maimed in the street It is I who weep laugh feel pain or joy Speak this because I exist This is my voice These words are my words my mouth Speaks them my hand writes I am a poet It is my fist you hear beating Against your ear

Making Enemies R. Barker, 2006-12-07 Whom a prime minister or president will not shake hands with is still more noticed than with whom they will Public identity can afford to be ambiguous about friends but not about enemies Barker examines the accounts of how enmity functions in the cultivation of identity how essential or avoidable it is and what the global consequences are

Borderline Bodies: Affect Regulation Therapy for Personality Disorders (Norton Series on Interpersonal Neurobiology) Clara Mucci, 2018-11-06 A bold look at the body as a source of contention for those who suffer from personality disorders This work connects interpersonal neurobiology attachment theory and psychoanalytic theory with cognitive and neuroscientific work on implicit memory trauma theory and dissociation to propose an integrated method for treating severe borderline and narcissistic disorders with the prime aim of resolving the affect dysregulation that affects the various realms of bodily discomfort and existential pain Each chapter presents a particular case and illustrates the methods for working with the specific problems that arise from bulimia to self-cutting to sexual identity diffusion to suicidality Treatment is illustrated from the initial level of careful diagnosis to the first stages of the interaction to the further steps and development of the interpersonal work of the dyad patient therapist including powerful enactments In accessible language that references psychodynamic and relational psychoanalytic theory the book proposes a revision of the

etiopathogenesis of personality disorders starting from the traumatic interpersonal exchanges early relational trauma maltreatment deprivation and abuse The book breaks new ground on several levels For the first time the body is accorded full attention in the treatment developmentally and epigenetically situation as it is in between the self and the other at first the caregiver then in other circumstances of upbringing and traumatic personal relationships The body is viewed as the main vehicle of this dysfunctional development so that both the body and the subject are at once the victim the recipient of the dysregulation resulting in impulsivity destructiveness self harm or eating disorders and the internalized persecutor i e the abuser of one s own body that sometimes also becomes the aggressor of others Profoundly humane and scientifically sound this book is a must read for professionals clients and families involved in the difficult task of relieving the symptoms and reorganizing the personalities of subjects living in borderline bodies
