simply tries to capture the momentary angle at hand be it disgust hope or primal arousal Eventide delivers a kaleidoscopic slant that favors only the many shapes and shades that give life its basic form understanding that the details are prone to interpretation Eventide is the product of over ten years of writing it illustrates the vast combination of attitudes and points of view that are an inherent part of our understanding of the world and ourselves **Eventide** HUSAMULDDIN

Eventide Crows Rorry Nighttrain East,2010-10-04 Despite the fact that his restless pen fondly leaps to any number of haunting and diverse subjects in this vivid tome we glimpse a sensuous side of Rorry Nighttrain East that we ve not clearly seen before Take the chapter AUTUMN S CATALYST for example The author inserts something completely new into his repertoire with the shadowy inclusion of a semi macabre Halloween motif Then we notice the striking and philosophical epigrams so subtly placed at each chapter s terminus This too is a brand new gleaming facet which has been added to a once known writing voice A someone of whom it seems will not be neatly placed into one categorical box for he s presently busy and always reinventing himself It s a marvelous read **Reflections at Eventide** Eugene Friesen,2018-01-25 Many people intend to leave footprints in the sands of time to enable those who follow to have some idea from whence they came But then time passes and oftentimes this kind of extended journal remains unwritten Eugene Friesen wrote Reflections at Eventide because he wanted his children and his children s children to follow the unexpected twists and turns his life has taken starting with a very provincial and conservative rural background He shares some of the turning points often lonely and frightening that result in what seems like cataclysmic changes in his world view Leta his wife of sixty two years was his major anchor She had a powerful impact on his life and he chose a most unpredictable path leading to a journey he could never have anticipated **Christmas Eve, and Other Poems** Charles Maurice Stebbins,1894
