## Evening With Benjamin Franklin Thomas:

*An Evening with Benjamin Franklin and Thomas Jefferson* James M. Gabler, 2006 Through a dream sequence you the reader go back in time to 18th century Paris where you meet Benjamin Franklin and Thomas Jefferson In the comfort of Jefferson s residence on the Champs Elysees you sit down with these two great Americans and in response to your questions they tell in their own words the most interesting stories of their lives There are extensive citations of authority to support all of their comments Amazon com *Register of the Department of State for the Year ...* United States. Department of State, 1934 **Teaching American History with Art Masterpieces** Bobbi Chertok, Goody Hirshfeld, Marilyn Rosh, 1998 Eight full color reproductions of art masterpieces provide an electrifying focus on events in American history the Trail of Tears Crossing the Delaware the Civil War the First Thanksgiving Paul Revere s Ride Pioneers the Underground Railroad and Immigration Each teaching unit includes an exploration of the painting historical information and a reproducible U S A Yesterday newspaper and other activities **Biographic Register of the Department of State** United States. Dept. of State, 1933 **Biographic Register of the Department of State** United States. Department of State, 1934 In a Rebellious Spirit John P. Reid, 1990-10-01 A fresh view of the legal arguments leading to the American Revolution this book argues that rebellious acts called lawless mob action by British authorities were sanctioned by whig law in the eyes of the colonists Professor Reid also holds that leading historians have been misled by taking both sides forensic statements at face value The focus is on three events First was the Malcom Affair 1766 when a Boston merchant and his friends faced down a sheriff s party seeking smuggled goods arguing that the search warrant was invalid Second was a parade in Boston to celebrate the second anniversary 1768 of the repeal of the Stamp Act an occasion when some revenue officials were hanged in effigy Third was the Liberty riot 1768 when customs officers boarded John Hancock s ship and were carried off by a crowd including the aforementioned Malcom Legal inquires into the three events were marked by hyperbole on both sides Whigs depicted Crown officials as lawless trespassers serving a foreign tyrant Tories painted the Sons of Liberty as lawless mobs of almost savage ferocity Both sides as the author shows had extralegal motives whigs to enlist supporters in the other colonies for the cause of independence tories to bring British troops and warships to Massachusetts in support of the status quo Both succeeded in their polemical aims and both have gulled most historians **Everyday Ideas** Ronald J. Zboray, Mary Saracino Zboray, 2006 Everyday Ideas Socioliterary Experience among Antebellum New Englanders takes an unprecedented look at the use of literature in everyday life in one of history s most literate societies the home ground of the American Renaissance Using information pulled from four thousand manuscript letters and diaries Everyday Ideas provides a comprehensive picture of how the social and literary dimensions of human existence related in antebellum New England Penned by ordinary people factory workers farmers clerks storekeepers domestics and teachers and other professionals the writings examined here brim with thoughtful references to published texts lectures and speeches by the period s canonized authors and lesser lights These

personal accounts also give an insider's perspective on issues ranging from economic problems to social status conflicts to being separated from loved ones by region state or nation Everyday Ideas examines such references and accounts and interprets the multiple ways literature figured into the lives of these New Englanders An important aid in understanding historical readers and social authorship practices Everyday Ideas is a unique resource on New England and provides a framework for understanding the profound role of ideas in the everyday world of the antebellum period **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1956 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June *Department of State Publication* ,1948

**Harel** Doug D'Elia,2018-11-26 When I was asked to write a description for this book it caused me to pause I wanted to write that it was about history about exiled Basque Portuguese Jews who were forced to immigrate to France about French corsairs and the Great Pirates about French colonization and the West Indies slave trade about the exploration and settling of Canada but the experience was too personal to be considered a survey of European history and too broad to be considered just a family history I thought to describe patterns in epigenetic behavior and ancestral memory to make it about how in some mysterious way our ancestors tell us their stories but I don't want you to think that it is a book about coincidence because it is far from that It is all of the above **The Common Cause** Robert G. Parkinson,2016-05-18 When the Revolutionary War began the odds of a united continental effort to resist the British seemed nearly impossible Few on either side of the Atlantic expected thirteen colonies to stick together in a war against their cultural cousins In this pathbreaking book Robert Parkinson argues that to unify the patriot side political and communications leaders linked British tyranny to colonial prejudices stereotypes and fears about insurrectionary slaves and violent Indians Manipulating newspaper networks Washington Jefferson Adams Franklin and their fellow agitators broadcast stories of British agents inciting African Americans and Indians to take up arms against the American rebellion Using rhetoric like domestic insurrectionists and merciless savages the founding fathers rallied the people around a common enemy and made racial prejudice a cornerstone of the new Republic In a fresh reading of the founding moment Parkinson demonstrates the dual projection of the common cause Patriots through both an ideological appeal to popular rights and a wartime movement against a host of British recruited slaves and Indians forged a racialized exclusionary model of American citizenship **The Biographic Register of the Department of State** United States. Department of State,1957 *Old Penn* ,1910 **Benjamin Franklin's Vision of American Community** Lester C. Olson,2004 Olson contends that attention to the visual images created in each of these roles dramatizes fundamental changes in Franklin's sensibility concerning British America In 1754 Franklin was an American Whig supporter of the British Empire's constitutional monarchy During the late 1750s and early 1760s he veered toward increasing the power of the Crown over Pennsylvania by changing the colony's form of government before ultimately rejecting constitutional monarchy and advocating republican politics during the 1770s and 1780s The shifts in Franklin's

fundamental political commitments are among the most arresting aspects of his life Benjamin Franklin's Vision of American Community highlights these changes as it examines his pictorial representations of British America through several decades

**BOOK JACKET     Our First Civil War** H. W. Brands, 2022-09-13 A fast paced often riveting account of the military and political events leading up to the Declaration of Independence and those that followed during the war Brands does his readers a service by reminding them that division as much as unity is central to the founding of our nation The Washington Post From best selling historian and Pulitzer Prize finalist H W Brands comes a gripping page turning narrative of the American Revolution that shows it to be more than a fight against the British it was also a violent battle among neighbors forced to choose sides Loyalist or Patriot What causes people to forsake their country and take arms against it What prompts their neighbors hardly distinguishable in station or success to defend that country against the rebels That is the question H W Brands answers in his powerful new history of the American Revolution George Washington and Benjamin Franklin were the unlikeliest of rebels Washington in the 1770s stood at the apex of Virginia society Franklin was more successful still having risen from humble origins to world fame John Adams might have seemed a more obvious candidate for rebellion being of cantankerous temperament Even so he revered the law Yet all three men became rebels against the British Empire that fostered their success Others in the same circle of family and friends chose differently William Franklin might have been expected to join his father Benjamin in rebellion but remained loyal to the British So did Thomas Hutchinson a royal governor and friend of the Franklins and Joseph Galloway an early challenger to the Crown They soon heard themselves denounced as traitors for not having betrayed the country where they grew up Native Americans and the enslaved were also forced to choose sides as civil war broke out around them After the Revolution the Patriots were cast as heroes and founding fathers while the Loyalists were relegated to bit parts best forgotten Our First Civil War reminds us that before America could win its revolution against Britain the Patriots had to win a bitter civil war against family neighbors and friends     *The Complete Book of 1960s Broadway Musicals* Dan Dietz, 2014-04-10 While the 1960s may have been a decade of significant upheaval in America it was also one of the richest periods in musical theatre history Shows produced on Broadway during this time include such classics as Bye Bye Birdie Cabaret Camelot Hello Dolly Fiddler on the Roof How to Succeed in Business without Really Trying Oliver and Man of La Mancha Performers such as Dick Van Dyke Anthony Newley Jerry Orbach and Barbara Streisand made their marks and other talents such as Bob Fosse John Kander Fred Ebb Alan Jay Lerner Frederick Loewe Jerome Robbins and Stephen Sondheim also contributed to shows In *The Complete Book of 1960s Broadway Musicals* Dan Dietz examines every musical and revue that opened on Broadway during the 1960s In addition to providing details on every hit and flop Dietz includes revivals and one man and one woman shows that centered on stars like Jack Benny Maurice Chevalier Marlene Dietrich Danny Kaye Yves Montand and Lena Horne Each entry consists of Opening and closing dates Plot summaries Cast members Number of performances Names of all important personnel including writers composers directors

choreographers producers and musical directorsMusical numbers and the names of performers who introduced the songsProduction data including information about tryoutsSource materialCritical commentary Tony awards and nominations Details about London and other foreign productions In addition to entries for each production the book offers numerous appendixes a discography film and television versions published scripts Gilbert and Sullivan operettas and lists of productions by the New York City Center Light Opera Company the New York City Opera Company and the Music Theatre of Lincoln Center A treasure trove of information this significant resource will be of use to scholars historians and casual fans of one of the greatest decades in musical theatre history

**The Voice of America** Mitchell Stephens, 2024-06-04 WINNER Sperber Prize 2018 for the best biography of a journalist The first and definitive biography of an audacious adventurer the most famous journalist of his time who more than anyone invented contemporary journalism Tom Brokaw says Lowell Thomas so deserves this lively account of his legendary life He was a man for all seasons Mitchell Stephens s *The Voice of America* is a first rate and much needed biography of the great Lowell Thomas Nobody can properly understand broadcast journalism without reading Stephens s riveting account of this larger than life globetrotting radio legend Douglas Brinkley Professor of History at Rice University and author of *Cronkite* Few Americans today recognize his name but Lowell Thomas was as well known in his time as any American journalist ever has been Raised in a Colorado gold rush town Thomas covered crimes and scandals for local then Chicago newspapers He began lecturing on Alaska after spending eight days in Alaska Then he assigned himself to report on World War I and returned with an exclusive the story of Lawrence of Arabia In 1930 Lowell Thomas began delivering America s initial radio newscast His was the trusted voice that kept Americans abreast of world events in turbulent decades his face familiar too as the narrator of the most popular newsreels His contemporaries were also dazzled by his life In a prime time special after Thomas died in 1981 Walter Cronkite said that Thomas had crammed a couple of centuries worth of living into his eighty nine years Thomas delighted in entering forbidden countries Tibet for example where he met the teenaged Dalai Lama The Explorers Club has named its building its awards and its annual dinner after him Journalists in the last decades of the twentieth century including Cronkite and Tom Brokaw acknowledged a profound debt to Thomas Though they may not know it journalists today too are following a path he blazed In *The Voice of America* Mitchell Stephens offers a hugely entertaining sometimes critical portrait of this larger than life figure

**Proceedings of the Grand Chapter of Royal Arch Masons of the State of California at Its ... Annual Convocation** ,1885 *Tom Paine* John Keane, 2003 More than any other public figure of the eighteenth century Tom Paine strikes our times like a trumpet blast from a distant world So begins John Keane s magnificent and award winning the Fraunces Tavern Book Award biography of one of democracy s greatest champions Among friends and enemies alike Paine earned a reputation as a notorious pamphleteer one of the greatest political figures of his day and the author of three best selling books *Common Sense* *The Rights of Man* and *The Age of Reason* Setting his compelling narrative against a vivid social

backdrop of prerevolutionary America and the French Revolution John Keane melds together the public and the shadowy private sides of Paine's life in a remarkable piece of scholarship This is the definitive biography of a man whose life and work profoundly shaped the modern age Provide's an engaging perspective on England America and France in the tumultuous years of the late eighteenth century Pauline Maier The New York Times Book Review It is hard to imagine this magnificent biography ever being superseded It is a stylish splendidly erudite work Terry Eagleton The Guardian [The Culinarians](#) David S. Shields, 2017-10-26 A first ever history of the nation's foundational culinarians the chefs caterers and restaurateurs who made cooking an art Marcie Cohen Ferris author of The Edible South In this encyclopedic history of the rise of professional cooking in America the 175 biographies include the legendary Julien founder in 1793 of America's first restaurant Boston's Restorator and Louis Diat and Oscar of the Waldorf the men most responsible for keeping the ideal of fine dining alive between the World Wars Though many of the gastronomic pioneers gathered here are less well known their diverse influence on American dining should not be overlooked plus their stories are truly entertaining We meet an African American oyster dealer who became the Congressional caterer and thus a powerful broker of political patronage a French chef who was a culinary savant of vegetables and drove the rise of California cuisine in the 1870s and a rotund Philadelphia confectioner who prevailed in a culinary contest with a rival in New York by staging what many believed to be the greatest American meal of the nineteenth century He later grew wealthy selling ice cream to the masses Shields also introduces us to a French chef who brought haute cuisine to wealthy prospectors and a black restaurateur who hosted a reconciliation dinner for black and white citizens at the close of the Civil War in Charleston Altogether The Culinarians is a delightful compendium of charcuterie makers pastry pipers caterers railroad chefs and cooking school matrons not to mention drunks temperance converts and gangsters who all had a hand in creating the first age of American fine dining and its legacy of conviviality and innovation that continues today
