# Event Management In Leisure And Tourism

**Debbie Betteridge, John Edmonds**

## **Event Management In Leisure And Tourism:**

*Event Management in Leisure and Tourism* David C. Watt,1998-01 Event Management in Leisure and Tourism is the first text available to fully cover the event industry in one volume It has been written by an experienced practitioner and author and provides a comprehensive overview of event management and organisation Practical real life examples are used throughout to demonstrate theory in practice and case studies of major projects in action are used as examples of good practice Students are encouraged to test their knowledge and comprehension through end of chapter revision questions

*Event Management in Leisure and Tourism* Debbie Betteridge,John Edmonds,1997 This text on event management is one of eight unit booklets each covering a key section of the GNVQ Advanced Leisure and Tourism syllabus It includes coverage of all elements and range statements in that particular unit Activities are featured as well as assignments and case studies

**Event Management in Sport, Recreation and Tourism** Cheryl Mallen,Lorne J. Adams,2013-01-04 Now in a fully revised and updated second edition Event Management in Sport Recreation and Tourism provides a comprehensive theoretical and practical framework for planning and managing events Focusing on the role of the event manager and their diverse responsibilities through each phase of the event planning process this is still the only textbook to define the concept of knowledge in the context of events management placing it at the centre of professional practice The book is designed to encourage critical thinking on the part of the student to develop the skills that they will need to become effective and reflective practitioners in the events industry and every chapter contains a rich array of real world case studies data and practical examples from sport recreation and tourism contexts This second edition has been significantly strengthened with the inclusion of two completely new chapters on environmental sustainability and on the politics of events management It is essential reading for any student or practitioner working in events management sport management leisure management outdoor recreation or tourism

*Event Management in Leisure and Tourism* Rajeev Mittal,2013

**Event Management in Leisure and Tourism** Donald Cameron Watt,2001

**Events Management** Debra Wale,Peter Robinson,Geoff Dickson,2010 The book examines the different aspects of events management It is divided into three parts The first part provides an introductory outline of the historical developments and current state of the industry while also taking into account wider political and cultural issues The second part of the book concentrates on practical operations management including planning project management marketing human resource management health and safety logistics and funding Finally the third part covers critical issues such as impacts sustainability and legacy of events Each chapter contains case studies from around the world and review questions ensuring that the book is a useful learning tool and provides a current and up to date view of the industry in this increasingly popular field of study The publication is designed for students and practitioners in the event sector and has been developed so that readers are able to understand theory and concepts presented through applied examples

*Events Management* Nicole Ferdinand,Paul J. Kitchin,2021-12-01 Taking an explicit

international approach to the subject Events Management combines theory and practice to address the challenges and opportunities of working in a global world to help prepare students for the realities of the events management sector Written by a high profile international team of editors and contributors the text features cases spanning Europe Africa Asia Australia and North America and covers key topics and issues such as fundraising sponsorship globalization and sustainability It also aims to bolster student employability through the inclusion of features such as practical asides and case studies to give students a window into the real life of a practitioner Brand new to the third edition An in depth examination of the implications of Covid 19 for international events including sponsorship arrangements risk management and future job prospects for events management graduates Two brand new chapters covering developments in digital marketing and accessible events management Case studies featuring India Australia Peru Europe UK and USA and covering events such as music festivals Holi Mardi Gras as well as mega events such as the Olympics Updated theory about the critical global issues affecting events and the main drivers of change in the industry A companion website featuring links to interactive learning resources an Instructors manual for lecturers events related videos for fun additional educational viewing and author selected SAGE journal articles for advanced learning Suitable for courses in Events Management and International Events Management

**Sport, Leisure and Tourism Information Sources** Martin Scarrott,2009-11-03 Sport Leisure and Tourism is a practical guide to finding information encouraging readers to make active use of libraries in their research This book provides readers with an understanding of the major information search tools which are available It is a starting point in the search for information which offers advice and indicates some of the major sources which are available Sport Leisure and Tourism Information Sources is aimed primarily at final year undergraduate and postgraduate students who are preparing a dissertation in the area of sport and leisure studies who need access to information sources It is also ideal for academics for teaching purposes and practitioners in the sport and leisure industry needing to undertake research

**Leisure & Tourism Events Management & Organization Manual** David C. Watt,1992 **Sport, Recreation and Tourism Event Management** Cheryl Mallen,Lorne Adams,2010-08-31 Sport Recreation and Tourism Event Management encourages students to apply theoretical foundations as they think through the requirements for any specific event enabling them to develop a knowledge strategy for event management that will guide them into this field This book focuses specifically on the operational planning component and the role of the event manager as the planner and facilitator providing theoretical foundations behind the activities for planning Full of industry applications strengthening the featured theory Sport Recreation and Tourism Event Management is the essential book for anyone entering the event management field

Leisure, Recreation and Events in Hospitality and Tourism Pralay Ganguly,2024-02-12 In the present day hospitality industry professionals are required to actively pursue technological advancements and incorporate sustainability principles into their event planning The utmost priority for the hospitality and tourism sector lies in ensuring the leisure opulence and

comfort of their visitors This ever evolving industry dedicates its resources to offering exceptional facilities engaging activities and impeccable services to both the community and stakeholders To cater to significant occasions such as festivals conferences ceremonies weddings formal parties concerts and conventions the hospitality industry provides an extensive array of recreational amenities to its guests This comprehensive guide delves into event planning encompassing the creation of innovative concepts meticulous brand analysis identification of target audience segments and the seamless organization of all technical aspects leading up to the event s grand debut Furthermore leisure and recreation encompassing a diverse range of both active and passive activities that travelers engage in during their journeys or leisure time form integral components of the hospitality and tourism curriculum This book is meant for degree and diploma programs of hospitality and tourism

Event Management Greg Damster,Dimitri Tassiopoulos,2005 Dealing with event management in developing countries specifically South Africa this textbook confronts the specific challenges of creating well run events in places where world class catering and party supplies are not as readily available as in developed nations Complete with advice about all aspects of managing an event the second edition incorporates additional graphs tables and photographs as well as new material about the legal aspects of event planning

**Event Management and Sustainability** Razaq Raj,James Musgrave,2009 Sustainable management is an important consideration for businesses and organisations and the enormous number of tourism events taking place requiring facilities power transport people and much more makes sustainable event planning a considerable priority By looking at mega events sports events conferences and festivals this book uses best practice case studies to illustrate sustainable management issues and practical considerations that managers need to apply providing an essential reference for researchers and students in leisure and tourism

*Strategic Sports Event Management* Guy Masterman,2004 Building a conceptual framework for planning organizing managing and evaluating sports events this work illustrates the importance of long term and short term strategic plans and the impact of hosting sports events

Events Management Glenn Bowdin,William O'Toole,Johnny Allen,Rob Harris,Ian McDonnell,2006-03-15 Events Management second edition provides an introduction to the principles and practices associated with planning managing and staging events The book Introduces the key concepts of event planning and management Discusses the key components for staging an event and covers the whole process from creation to evaluation Examines the events industry within its broader business context Provides an effective guide for producers of events Contains learning objectives and review questions to consolidate learning Now in its second edition this successful text has been fully revised and updated to include new case studies and chapters on event tourism project management of events strategic marketing and issues and trends It is full of real life case studies which illustrate key concepts and place theory in a practical context Examples include the Edinburgh International Festival Glastonbury Festival Vodafone Ball MTV Awards Notting Hill Carnival T in the Park and the Daily Mail Ideal Home Show Events Management is the must have introductory text providing a complete A Z of the principles and practices associated

with planning managing and staging events Events Management is supported by a website <http://em.worldofevents.net> which includes updates downloadable figures from the book and an online history of events together with links to websites and other resources for both students and lecturers
