## **Events The International Research Library Of Philosophy:**

Presocratic Philosophy Daniel W. Graham, 2017-05-15 This book presents some of the most recent trends and developments in Presocratic scholarship A wide range of topics are covered from the metaphysical to the moral to the methodological as well as a broad range of authors from recognized figures such as Heraclitus and Parmenides to Sophistic thinkers whose place has traditionally been marginalized such as Gorgias and the author of the *Dissoi Logoi* Several of the pieces are concerned with the later reception and influence of the Presocratics on ancient philosophy an area of study important both for the light it sheds on our evidence for Presocratic thought and for understanding the philosophical power of their ideas Drawing together contributions from distinguished authorities and internationally acclaimed scholars of ancient philosophy this book offers new challenges to traditional interpretations in some areas of Presocratic philosophy and finds new support for traditional interpretations in other areas

### **Representation and Management of Narrative**

**Information** Gian Piero Zarri, 2009-06-29 A big amount of important economically relevant information is buried within the huge mass of multimedia documents that correspond to some form of narrative description Due to the ubiquity of these narrative resources being able to represent in a general accurate and effective way their semantic content i e their key meaning is then both conceptually relevant and economically important In this book we present the main properties of NKRL Narrative Knowledge Representation Language a language expressly designed for representing in a standardised way the meaning of complex multimedia narrative documents NKRL is a fully implemented language environment The software exists in two versions an ORACLE supported version and a file oriented one Written from a multidisciplinary perspective this exhaustive description of NKRL and of the associated knowledge representation principles will be an invaluable source of reference for practitioners researchers and graduates

### *Performance in the Twenty-First Century* Andy

Lavender, 2016-05-26 *Performance in the Twenty First Century* Theatres of Engagement addresses the reshaping of theatre and performance after postmodernism Andy Lavender argues provocatively that after the classic postmodern tropes of detachment irony and contingency performance in the twenty first century engages more overtly with meaning politics and society It involves a newly pronounced form of personal experience often implicating the body and or one's sense of self This volume examines a range of performance events including work by both emergent and internationally significant companies and artists such as Rimini Protokoll Blast Theory dreamthinkspeak Zecora Ura Punchdrunk Ontroerend Goed Kris Verdonck Dries Verhoeven Rabih Mroue Derren Brown and David Blaine It also considers a wider range of cultural phenomena such as online social networking sports events installations games based work and theme parks where principles of performance are in play *Performance in the Twenty First Century* is a compelling and provocative resource for anybody interested in discovering how performance theory can be applied to cutting edge culture and indeed the world around them
