A Journey into Mississippi's Dark Past

A MEMOIR

W. RALPH EUBANKS

"A gift to everyone who reads it...In all respects, an exemplary and admirable piece of work."—Jonathan Yardley, *The Washington Post*

Ever Is A Long Time A Journey Into Mississippi Dark Past A Memoir

Carmen Gillespie

Ever Is A Long Time A Journey Into Mississippi's Dark Past A Memoir:

Ever is a Long Time W. Ralph Eubanks, 2003-08-25 A account of coming of age in Mississippi during the civil rights era describes growing up outside a small racially divided town the role of the State Sovereignty Commission and the impact of forced integration and other events

Ever Is a Long Time W. Ralph Eubanks, 2007-10-11 Like the renowned classics *Praying for Sheetrock* and *North Toward Home* *Ever Is a Long Time* captures the spirit and feel of a small Southern town divided by racism and violence in the midst of the Civil Rights era Part personal journey part social and political history this extraordinary book reveals the burden of Southern history and how that burden is carried even today in the hearts and minds of those who lived through the worst of it Author Ralph Eubanks whose father was a black county agent and whose mother was a schoolteacher grew up on an eighty acre farm on the outskirts of Mount Olive Mississippi a town of great pastoral beauty but also a place where the racial dividing lines were clear and where violence was always lingering in the background *Ever Is a Long Time* tells his story against the backdrop of an era when churches were burned Medgar Evers and Martin Luther King were murdered schools were integrated forcibly and the state of Mississippi created an agency to spy on its citizens in an effort to maintain white supremacy Through Eubanks's evocative prose we see and feel a side of Mississippi that has seldom been seen before He reveals the complexities of the racial dividing lines at the time and the price many paid for what we now take for granted With colorful stories that bring that time to life as well as interviews with those who were involved in the spying activities of the State Sovereignty Commission *Ever Is a Long Time* is a poignant picture of one man coming to terms with his southern legacy

The Mississippi Encyclopedia Ted Ownby, Charles Reagan Wilson, Ann J. Abadie, Odie Lindsey, James G. Thomas Jr., 2017-05-25 Recipient of the 2018 Special Achievement Award from the Mississippi Institute of Arts and Letters and Recipient of a 2018 Heritage Award for Education from the Mississippi Heritage Trust The perfect book for every Mississippian who cares about the state this is a mammoth collaboration in which thirty subject editors suggested topics over seven hundred scholars wrote entries and countless individuals made suggestions The volume will appeal to anyone who wants to know more about Mississippi and the people who call it home The book will be especially helpful to students teachers and scholars researching writing about or otherwise discovering the state past and present The volume contains entries on every county every governor and numerous musicians writers artists and activists Each entry provides an authoritative but accessible introduction to the topic discussed The *Mississippi Encyclopedia* also features long essays on agriculture archaeology the civil rights movement the Civil War drama education the environment ethnicity fiction folklife foodways geography industry and industrial workers law medicine music myths and representations Native Americans nonfiction poetry politics and government the press religion social and economic history sports and visual art It includes solid clear information in a single volume offering with clarity and scholarship a breadth of topics unavailable anywhere else This book also includes many surprises readers can only find by browsing

Growing Up in Mississippi Judy

H. Tucker, Charline R. McCord, 2011-08-16 With contributions from Elizabeth Aydelott Fred Banks Jimmy Buffett Edward Cohen Maggie Wade Dixon Ellen Douglas W Ralph Eubanks Richard Ford Gwendolyn Gong Carolyn Haines Lorian Hemingway Samuel Jones Robert Khayat B B King John Maxwell Alberto Mora Donald Peterson Noel Polk Jerry Rice George Riggs Robert St John Sid Salter Constance Slaughter Harvey Elizabeth Spencer Clifton Taulbert Keith Tonkel Sela Ward Wyatt Waters Jim Weatherly and William Winter Growing Up in Mississippi shares experiences and impressions from a multifaceted group representing all areas of the state and many professions talents and temperaments Parents teachers churches communities landscape and historical context profoundly influenced these men and women when they were young In his revealing foreword Richard Ford explores the very essence of influence and illustrates his conclusions by recalling an indelible incident between his mother and himself in the front yard of their home on Congress Street in Jackson Mississippi The volume then showcases poignant memories of other distinguished individuals a governor and statesman journalists a news anchor a playwright novelists memoirists a publisher a minister educators and scholars judges and lawyers a test pilot and astronaut a renowned watercolorist a celebrated actress and many more Spanning more than five decades these essays give us a glimpse of the people and places that nurtured these outstanding individuals and their remarkable gifts *Critical Companion to Toni Morrison* Carmen Gillespie, 2007 Toni Morrison winner of the Nobel Prize in Literature in 1993 is perhaps the most important living American author This work examines Morrison's life and writing featuring critical analyses of her work and themes as well as entries on related topics and relevant people places and influences **A Literary History of Mississippi** Lorie Watkins, 2017-05-31 With contributions by Ted Atkinson Robert Bray Patsy J Daniels David A Davis Taylor Hagood Lisa Hinrichsen Suzanne Marrs Greg O'Brien Ted Ownby Ed Piacentino Claude Pruitt Thomas J Richardson Donald M Shaffer Theresa M Towner Terrence T Tucker Daniel Cross Turner Lorie Watkins and Ellen Weinauer Mississippi is a study in contradictions One of the richest states when the Civil War began it emerged as possibly the poorest and remains so today Geographically diverse the state encompasses ten distinct landform regions As people traverse these they discover varying accents and divergent outlooks They find pockets of inexhaustible wealth within widespread grinding poverty Yet the most illiterate disadvantaged state has produced arguably the nation's richest literary legacy Why Mississippi What does it mean to write in a state of such extremes To write of racial and economic relations so contradictory and fraught as to defy any logic Willie Morris often quoted William Faulkner as saying To understand the world you must first understand a place like Mississippi What Faulkner or more likely Morris posits is that Mississippi is not separate from the world The country's fascination with Mississippi persists because the place embodies the very conflicts that plague the nation This volume examines indigenous literature Southwest humor slave narratives and the literature of the Civil War Essays on modern and contemporary writers and the state's changing role in southern studies look at more recent literary trends while essays on key individual authors offer more information on luminaries including Faulkner Eudora Welty Richard Wright Tennessee

Williams and Margaret Walker Finally essays on autobiography poetry drama and history span the creative breadth of Mississippi s literature Written by literary scholars closely connected to the state the volume offers a history suitable for all readers interested in learning more about Mississippi s great literary tradition One Homogeneous People Trent A. Brown,2010-09-30 Southerners have a reputation as storytellers as a people fond of telling about family community and the southern way of life A compelling book about some of those stories and their consequences One Homogeneous People examines the forging and the embracing of southern pan whiteness as an ideal during the volatile years surrounding the turn of the twentieth century Trent Watts argues that despite real and significant divisions within the South along lines of religion class and ethnicity white southerners especially in moments of perceived danger asserted that they were one people bound by a shared history a love of family home and community and an uncompromising belief in white supremacy Watts explores how these southerners explained their region and its people to themselves and other Americans through narratives found in a variety of forms and contexts political oratory fiction historiography journalism correspondence literary criticism and the built environment Watts examines the assertions of an ordered homogeneous white South and the threats to it in the unsettling years following the end of Reconstruction through the early 1900s In three extended essays on related themes of race and power the book demonstrates the remarkable similarity of discourses of pan whiteness across formal and generic lines In an insightful concluding essay that focuses on an important but largely unexamined institution Mississippi s Neshoba County Fair Watts shows how narratives of pan white identity initiated in the late nineteenth century have persisted to the present day Written in a lively style One Homogeneous People is a valuable addition to the scholarship on southern culture and post Reconstruction southern history Student Activism in 1960s America Magnus O. Bassey,2024-08-23 This book sheds light on the untold stories of individual student activists at Queens College New York City during the 1960s Against the backdrop of the ongoing Vietnam War and the assassination of President John F Kennedy some Americans began to lose faith in their government Based on injustices that students saw in their campuses in the country and in the world at large they began to question their political leaders Students organized their discontents over three major issues civil rights free speech and anti war sentiments Their protests involved direct actions such as sit ins marches picketing and boycotts At Queens College QC as the students moved away from the repressive McCarthy era of the 1950s they began to confront and challenge those in power at the college in the 1960s The defining characteristic of this break from the past was a student strike in 1961 in objection to the ban of controversial speakers who had been invited to campus by student clubs The student strike of 1961 gave the activists among them a direct and immediate way to fight power on campus and to fight racism and discrimination The author argues that student movements cannot be attributed to a single explanation and therefore he focuses on individual historical contexts presenting first person narratives from the actual participants and tells their stories in their own voices from their own records and from the documents they left behind The book identifies the QC student activists of

the 1960s exploring how and why they became activists their activities their achievement as activists and what motivated them to think that they could make history themselves by confronting racism It provides an intimate look at the students lives and their social justice journey beginning at Queens College and as they moved into their careers *Racism* Albert J. Wheeler,2005 Of all mankind's vices racism is one of the most pervasive and stubborn Success in overcoming racism has been achieved from time to time but victories have been limited thus far because mankind has focused on personal economic gain or power grabs ignoring generosity of the soul This bibliography brings together the literature *Flag, Nation and Symbolism in Europe and America* Thomas Hylland Eriksen,Richard Jenkins,2007-10-18 Although the symbolic and political importance of flags has often been mentioned by scholars of nationalism there are few in depth studies of the significance of flags for national identities This multi disciplinary collection offers case studies and comparisons of flag history uses and controversies This book brings together a dozen scholars from varying national and disciplinary backgrounds to offers a cluster of close readings of flags in their social contexts mostly contemporary but also historical Case studies from Denmark England Northern Ireland Norway Sweden and the United States explore ways in which flags are contested stir up powerful emotions can be commercialised in some contexts but not in others serve as quasi religious symbols and as physical boundary markers how the same flag can be solemn and formal in one setting but stand for domestic bliss and informal cultural intimacy in another *The Sage Handbook of Human Resource Development* Tonette S. Rocco,Michael Lane Morris,Rob F. Poell,2024-08-30 The Sage Handbook of Human Resource Development offers a comprehensive exploration of the evolving landscape of HRD serving as both an orientation to the profession and an analytical examination of HRD as a field of study and research The handbook addresses key questions such as the state of HRD globally its changes over the past decade and the foundational philosophies and values shaping research and practice in HRD Across eight sections the handbook covers foundational aspects theoretical influences learning and workforce development talent and career development leadership and organizational development diversity equity inclusion and belonging technology enhanced HRD and emerging issues and future directions Each section provides insights into diverse topics ranging from workplace learning action learning and employee engagement to social media artificial intelligence and future trends With contributions from scholars across the globe the handbook reflects the global nature of HRD making it applicable to academic programs worldwide Designed for academics graduate students HR leaders executives managers and consultants this handbook stands out with its diverse perspectives and insights making it an indispensable guide for those seeking a deep understanding of the dynamic field of Human Resource Development A FOUNDATIONS OF THE DISCIPLINE OF HRD B THEORETICAL INFLUENCES ON HRD C LEARNING AND WORKFORCE DEVELOPMENT D TALENT AND CAREER DEVELOPMENT E LEADERSHIP AND ORGANIZATIONAL DEVELOPMENT F DIVERSITY EQUITY INCLUSION AND BELONGING G TECHNOLOGY ENHANCED HUMAN RESOURCE DEVELOPMENT H EMERGING ISSUES AND FUTURE DIRECTIONS *The American Civil Rights*

Movement 1865-1950 Russell Brooker,2016-12-07 The American Civil Rights Movement 1865 1950 is a history of the African American struggle for freedom and equality from the end of the Civil War to the beginning of the Civil Rights Movement in the 1950s and 1960s It synthesizes the disparate black movements explaining consistent themes and controversies during those years The main focus is on the black activists who led the movement and the white people who supported them The principal theme is that African American agency propelled the progress and that whites often helped Even whites who were not sympathetic to black demands were useful often because it was to their advantage to act as black allies Even white opponents could be coerced into cooperation or at least non opposition White people of good will with shallow understanding were frustrating but they were sometimes useful Even if they did not work for black rights they did not work against them and sometimes helped because they had no better options Until now the history of the African American movement from 1865 to 1950 has not been covered as one coherent story There have been many histories of African Americans that have treated the subject in one chapter or part of a chapter and several excellent books have concentrated on a specific time period such as Reconstruction or World War II Other books have focused on one aspect of the time such as lynching or the nature of Jim Crow This is the first book to synthesize the history of the movement in a coherent whole Civil Rights

Movement Michael Ezra,2009-05-13 This work documents the importance of the civil rights movement and its lasting impression on American society and culture This revealing volume looks at the struggle for individual rights from the social historian s perspective providing a fresh context for gauging the impact of the civil rights movement on everyday life across the full spectrum of American society From the landmark Brown v Board of Education case to protests against the Vietnam War to the fight for black power Civil Rights Movement People and Perspectives looks at events that set the stage for guaranteeing America s promise to all Americans In eight chapters some of the country s leading social historians analyze the most recent investigations into the civil rights era s historical context and pivotal moments Readers will gain a richer understanding of a movement that expanded well beyond its initial focus the treatment of African Americans in the South to include other Americans in regions across the nation **Buddy Remembers - Then and Now** Joseph N. Muzio,2009-02-24 This book is a memoir the description of my parents lives based on my remembrances conversations with relatives reviews of family photographs as well as examining remaining personal documents of our family This memoir started as a brief description and was something I had planned for a long time Initially I thought it would be perhaps a few dozen pages Instead it grew organically and became a much more detailed recollection of my mother and father s lives their marriage their approaches to life how they raised my sister and me and their continuing influence upon me They came to America as immigrant children they developed here within their cultural boundaries as Italian Americans they struggled thrived and pursued their personal goals They are still with me today It has been simultaneously an exhilarating and exhausting process as the writing expanded This is far beyond any sort of genealogical charting or the identification of distant relatives Rather it

provides perceptions about my feelings and beliefs regarding my parents their positive qualities and flaws as well as how I perceive them now that I am an older adult This process is one that I urge other children to engage in writing about their parents so that there will be descriptions of the roles they played I call such writing a critical component of the collective humanity tracing the historical journeys that would then be available to the remaining family members and their ancestors Conceivably such continued writings could become an endless documentation of family behaviors and interactions It might even provide a greater clarity and understanding of one s parents through a long range lens [Dethroning the Deceitful Pork Chop](#) Jennifer Jensen Wallach,2015-08-01 Uses a variety of methodological perspectives to demonstrate that throughout time black people have used both overt and subtle food practices to resist white oppression [The Greenwood Encyclopedia of African American Literature: U-Z](#) Hans A. Ostrom,J. David Macey,2005 Designed to meet the needs of high school students undergraduates and general readers this encyclopedia is the most comprehensive reference available on African American literature from its origins to the present Other works include many brief entries or offer extended biographical sketches of a limited selection of writers This encyclopedia surpasses existing references by offering full and current coverage of a vast range of authors and topics While most of the entries are on individual authors the encyclopedia gathers together information about the genres and geographical and cultural environments in which these writers have worked and the social political and aesthetic movements in which they have participated Thus the encyclopedia gives special attention to the historical and cultural forces that have shaped African American writing Publisher **Shocking the Conscience** Simeon Booker,Carol McCabe Booker,2013-04 An unforgettable chronicle from a groundbreaking journalist who covered Emmett Till s murder the Little Rock Nine and ten US presidents **Deep Roots, Broken Branches** Victoria Bynum,2025-02-17 Best known for her award winning book The Free State of Jones Mississippi s Longest Civil War historian Victoria Bynum turns now to her own history in this multigenerational American saga spanning from 1840 to 1979 Through meticulous historical research personal letters diaries and the unpublished memoir of Mary Daniel Huckenpoehler the author s maternal grandmother Bynum examines five generations within the broader context of the nation s history navigating pivotal events such as First Wave immigration the Civil War the Gilded Age the Great Depression two world wars the Cold War and beyond Child of a mother from Waconia Minnesota and father from Jones County Mississippi Bynum blends a historian s voice with personal experiences intertwining her grandmother s unpublished memoir and letters with her own role as a diarist and historian She explores class race ethnicity and gender dynamics From the rise of Welsh immigrant ancestors in the Upper Midwest and the Gilded Age privileges of her grandmother s upbringing to Bynum s own tumultuous childhood in the 1950s and early 1960s as she is shuttled between Georgia Mississippi Minnesota Florida and California Bynum grapples with numerous dangers of being raised in a volatile environment marked by alcohol fueled violence sexual degradation and neglect Against the backdrop of racial segregation civil rights movements and the Cold War Deep Roots Broken Branches

traces the author's coming of age journey and the profound influence of her grandmother Revealed through the lens and tensions of an Air Force family Deep Roots Broken Branches explores Bynum's intellectual curiosity voracious reading habits and turbulent path through early motherhood divorce and higher education in California Throughout her grandmother remains a stabilizing force offering inspiration and guidance This book paints a vivid portrait of a southern identity's growth amid personal challenges and broader societal shifts **Born of Conviction** Joseph T. Reiff, 2016 In early 1963 twenty eight white Methodist ministers caused a firestorm of controversy by publishing a statement of support for race relations change Born of Conviction explores the statement's resulting influences on their lives their reasons for signing the statement and the various interpretations and legacies of the document Desert Rose Edythe Scott Bagley, Joseph H. Hilley, 2012-04-27 Details Coretta Scott King's upbringing in a family of proud land owning African Americans with a profound devotion to the ideals of social equality and the values of education
