Evergence Sean Williams, Shane Dix, 1999 **Evergence** Sean Williams, 2001 **Reunion: Star Wars Legends** Sean Williams, Shane Dix, 2003-07-01 The Jedi move one step closer to saving the embattled galaxy only to confront a formidable wall of resistance The harrowing search for Zonama Sekot is finally over for Luke Skywalker Jacen Solo and the others aboard the Jade Shadow But joy turns to alarm when the living planet sends a defiant message it refuses to follow them back to a galaxy full of war exploitation and misery While Luke works feverishly to persuade the elusive planet to reconsider the Yuuzhan Vong launches a full scale attack aimed at the heart of the new alliance Sent to defend a major communications base Han and Leia find themselves hopelessly outnumbered Reinforcements are just too far away to help before everything is destroyed So the courageous pair must now fight an unrelenting battle against staggering odds Whether they actually survive is another matter

Refugee: Star Wars Legends Sean Williams, Shane Dix, 2003-04-29 Swift and deadly the Yuuzhan Vong have blasted their way across the galaxy and now stand on the threshold of total victory Yet a courageous few still dare to oppose them Rife with hostile cultures and outright enemies the Unknown Regions holds many perils for Luke Skywalker and the Jedi searching for Zonama Sekot the living planet that may hold the key to dealing once and for all with the Yuuzhan Vong Meanwhile on the edge of the galaxy and in the heart of a trusted ally old enemies are stirring The Yuuzhan Vong have inflamed long forgotten vendettas that are even now building up to crisis point And as Han and Leia journey on their quest to knit the unraveling galaxy back together betrayal and deception await them

The Force Unleashed II: Star Wars Legends Sean Williams, 2011-06-28 The dark side could not seduce him The Empire could not control him Death could not defeat him And now nothing can stop him from seizing his destiny As ruthless apprentice to Darth Vader Starkiller was mercilessly schooled in the ways of the dark side commanded to exterminate the last of the purged Jedi Order and groomed for the ultimate Sith power play assassination of the Emperor He served without question killed without

remorse and lost his heart without warning to beautiful Imperial fighter pilot Juno Eclipse never suspecting that he was just a tool in the schemes of his masters until it was too late to escape their lethal betrayal Juno mourned Starkiller as dead but now he is back purged of all memories and programmed to kill And as fate brings Juno and Starkiller closer to reuniting with Darth Vader determined not to lose his assassin a second time they will both have to make a stand The prize is freedom The punishment for failing will be eternal enslavement to the dark side of the Force Features a bonus section following the novel that includes a primer on the Star Wars expanded universe and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years **The Force Unleashed: Star Wars Legends** Sean Williams, 2009-08-25 Darth Vader's young Sith apprentice will forge an unlikely alliance with a ruined Jedi Master seeking redemption as he ventures to destroy Emperor Palpatine The Sith always betray one another I'm sure you'll learn that soon enough The overthrow of the Republic is complete Absolute power now rests in the iron fist of Darth Sidious the cunning Sith Lord better known as Emperor Palpatine But more remains to be done Pockets of resistance in the galaxy must still be defeated and missing Jedi accounted for and dealt with These crucial tasks fall to the Emperor's ruthless enforcer Darth Vader who in turn has groomed a lethal nameless Sith apprentice to secretly dispatch the last of his masters enemies Since childhood Vader's nameless agent has known only the cold mercenary creed of the Sith His past is a void his present the carrying out of his deadly orders But his future beckons like a glistening black jewel with the ultimate promise to stand beside the only father he has ever known with the galaxy at their feet But there is one in control of his master that stands in the way This acolyte's journey will take him across the far reaches of the galaxy and test him with shattering revelations that strike at the very heart of all he believes stirring within him long forgotten hopes of reclaiming his name and changing his destiny *Fatal Alliance: Star Wars Legends (The Old Republic)* Sean Williams, 2011-06-28 Long standing foes must put aside their ancient grudges and deep seated distrust to uncover and defeat a threat to the galaxy before it can escape its isolation forcing Sith and Jedi to raise their lightsabers together When I look into you I see no loyalty I sense only tangled allegiances Given a choice I would never trust you From across the galaxy they've come agents of both the Republic and the Sith Empire an investigating Jedi Padawan an ex trooper drummed out of the Republic's elite Blackstar Squad and a mysterious Mandalorian An extraordinary auction has drawn them all together in quest of a prize only one can claim Each is prepared to do what he must to possess the treasure whose value may be the wealth of a world itself No one intends to leave empty handed All have secrets desires and schemes And nothing could ever unite them as allies except the truth about the deadly danger of the object they covet But can Sith and Jedi Republic and Empire enemies for millennia join as one against the certain doom of the galaxy *The Dark Imbalance* Sean Williams, Shane Dix, 2014-04-01 The ruins of Sol System have been empty for thousands of years A place of death and mystery it is shunned by all until now DEADLINE TO DESTRUCTION Renegade intelligence agent Morgan Roche arrives hot on the heels of the clone warriors enemies she has been charged by the High Humans to
