Every Good Boy Deserves Favor:

Every Good Boy Deserves Favor Tom Stoppard, 1978 Every good boy deserves favor This play criticises the Soviet practice of treating political dissidence as a form of mental illness From publisher s description *Every Good Boy Deserves Favor and Professional Foul* Tom Stoppard, 2011-05-16 It is Tom Stoppard s very special skill as the master comedian of ideas in the modern theater to create brilliant biting humor out of serious concerns Virtually assaulting the audience with a cascade of words and a conspicuous display of intellect Stoppard in *Every Good Boy Deserves Favor* contrasts the circumstances of a political prisoner and a mental patient in a Soviet insane asylum to question the difference if any between free will and the freedom to conform The situation in which the mental patient hears an orchestra is both chilling and funny as we are introduced to two men who happen to share the same name are in carcerated in the same cell and are attended by the same doctor
