the ski patrol has two sleds and will get you down No I d rather ski down Broke my leg once and the sled ride was terrifying Okay Nick you go first Inch toward the front of the chair and slowly slide off The rope will hold you and the descender will gradually let you down Jim is the big guy on the ground holding the line He ll try to stop you from swinging as much as possible Nick edged forward while looking down It looked like more than a twenty five foot drop He felt the line tighten under his weight as he slipped free of the chair A gust of wind caught him and slammed him into the chair You alright Hank yelled Yes Im okay Nick was shaken The pulley over his head whirred and once again he was safely on the ground Thanks man what a ride I ll wait for my brother and we ll ski down together Frank soon joined his brother Jim the ground crew and ski patrol applauded You are certain skiing down by yourselves won t be a problem you look awfully cold We re okay Last year we were in Vermont and were the last tram to the top of Mount Snow We skied down in minus twenty five degree weather The wind stirred up clouds of snow making it difficult to see Jim shielded his eyes and looked up at the white sky searching for Hank How s it going Hank This is the tricky part getting past that first chair with the second roll cab Good you re a tall man with a long reach Jim shouted Yeah want to trade places with me it s cold as hell up here and its blowing like a bitch I have to clear my goggles every couple of minutes just to see what I m doing Chief Higgins arrived at the scene with a crew of six firefighters Their bright yellow parkas and fire helmets stood out against the blinding white landscape Higgins asked for Hank and was directed to the top of the lift The firemen arrived and dragged their net with them It was a large canvas with a large red dot in the center Hank if we have to we should be able to catch a person if they panic and fall Used it once before the person was on the third floor he got a broken leg but survived the jump shouted Jake the fire chief Hope you don t have to play catch today Those chairs are really swinging Hank almost made it past the first chair and was on his way to the second when his foot slipped on the icy bar and he was left dangling from the cable *Ballou's Pictorial* ,1858
