**Audiovisual Guide to the Catalog of the Food and Nutrition Information and Educational Materials Center**, 1977 Mobilizing Adults for Positive Youth Development E. Gil Clary, Jean E.

Rhodes, 2006-09-24 Perhaps no other challenge is more pressing in creating developmentally tentative community and society the theme of this book series than mobilizing adultstopleactive constructive roles in the lives of children and adolescents In a society that too easily defaults to designing programs as cure alls for meeting young people s needs particular attention must be paid to understanding and mobilizing the kind of positive relational energy that prepares each successive generation to assume its place in society Although programs and institutions certainly play important roles the key lies in the personal commitment involvement and investment of adults in young people s lives In Mobilizing Adults for Positive Youth Development Strategies for Closing the Gap between Beliefs and Behaviors E Gil Clary and Jean E Rhodes have assembled the insights of leading scholars from multiple disciplines and contexts for engaging a broad cadre of adults as allies for youth development As the editors write the question guiding the book is How can we most effectively encourage adults both individually and collectively to begin to behave differently with respect to the young people of a community to do so consistently and to do so in a variety of ways What is being proposed then is nothing less than a social movement that engages individuals small groups neighborhoods workplaces schools faith communities and broader social institutions in attending to the well being and healthy development of young people
