**Second Chances** Max Lucado, 2013-03-04 We humans are prone to failure We're experts at muddying mixing and messing up our lives Who among us hasn't looked up from the bottom of a pit and realized he dug it himself Who hasn't fallen so far messed up so badly that she thought there was no hope And it's at these low points that we crave reminders that there's hope for the broken No reminder is quite as poignant as a story of second chances A story of grace in action Who couldn't use more stories of grace like this Second Chances releases just in time for Easter promotions and is an ideal companion to GRACE More Than We Deserve Greater Than We Imagine Filled with biblical contemporary and imaginative accounts of God's grace in action pulled from Max's previously published works Second Chances includes tales of second chances for the rebellious prideful failure prone and more From Peter to King David to a prodigal daughter these stories will remind readers of the magnitude of the gospel of second chances

**Next Door Savior** Max Lucado, 2012-12-31 We applaud men for doing good things We enshrine God for doing great things But what about a man who does God things One thing is certain We can't ignore him If these moments are factual if the claim of Christ is actual then he was at once man and God The single most significant person who ever lived Forget MVP He is the entire league The head of the parade Hardly No one else shares the street Who comes close Humanity's best and brightest fade like dime store rubies next to him Dismiss him We can't Resist him Equally difficult Why would we want to Don't we need a God man Savior A just God Jesus could make us but not understand us A just man Jesus could love us but never save us But a God man Jesus Near enough to touch Strong enough to trust A next door Savior

**Tame Your Thoughts** Max Lucado, 2025-08-12 NOW A NEW YORK TIMES BESTSELLER When was the last time you awakened to a swirl of anxious out of control thoughts Perhaps you were overwhelmed with the weight of worry the fear of failing or the grip of guilt The way we think directly impacts our joy and peace In Tame Your Thoughts Max Lucado provides three biblical and practical tools to renew your mind and transform your life Our thoughts have consequences Most people would agree that positive thoughts generate positive actions Negative thoughts activate negative behavior But do we understand that we can manage our lives by managing our thoughts Not only does neuroscience back this concept but the idea is also embedded throughout Scripture Do not be conformed to this world but be transformed by the renewal of your mind Rom 12:2 esv Tame your thoughts and transform your life Stuck in your head Hounded by regrets Weighed down by worry Change is possible The thoughts that have characterized your past need not characterize the rest of your life You will learn to Take thoughts captive Test each message against the truth of Scripture Interrupt poisonous
