Rubinstein,1989-12-11 Rubinstein is far from innocent and comes to our aid with a lot of learning and is quite right to urge that not to appreciate the sexiness of Shakespeare's language impoverishes our own understanding of him For one thing it was a strong element in his appeal to Elizabethans who were much less woolly mouthed and smooth tongued than we are For another it has constituted a salty preservative for his work among those who can appreciate it an enlightening book A L Rowse The Standard
