treatments for cancer a previously unknown new diagnosis and the death of a beloved family member all this occurring during a worldwide pandemic Upon hearing my diagnosis the thought Why me never entered my mind Instead I thought Why not me I have been through other health journeys and trials in my life that God had brought me through I had no reason to doubt He would be with me during this trial as well All I had to do was ask Him I could not have gone through this journey relying on my own strength or writing my story without His help In Ephesians 3:20 Paul writes Now to him who is able to do immeasurably more than all we ask or imagine according to His power that is at work with us We all have had our own journeys with cancer or other difficult trials with varying outcomes and have our own stories to tell This is my story I hope sharing mine can serve as an encouragement to you and provide comfort and courage

**In His Grip ... a Walk Through Breast Cancer** Amy K. Hauser, 2012-09-12 Amys story is a most inspiring one to read for anyone going through lifes struggles one that will give encouragement whatever one may be dealing with First and foremost this is an account of a cancer journey a journal revealing an absolute faith that God is willing to walk the journey alongside of you all the way If you are reading this and you are someone setting out on or already in the middle of a similar journey this is an important read for you Amys story will certainly not hide any of the rough times but it will tell you about many positive aspects as well and how faith is the only way to make the trip This book is not just for cancer sufferers but also for anyone experiencing lifes many trials whatever they may be Amys raw and emotive style tells it just like it is You will feel the emotion shed some tears and certainly draw many smiles There is little more powerful than hearing this story told literally while experiencing each and every aspect of the journey along with her The power is in hearing Gods story as told through Amy and thats just what this is You will be encouraged that its okay to have roller coaster emotions to feel anger to experience joy to feel spiritually low and equally high that its okay to ask why me Amy is one amazing lady who turned what could have been a very negative experience focusing on feeling sorry for herself to one that focuses on making an impact on others For example Amy refused to wear a wig once she lost her hair so she would not miss opportunities to testify to others who would otherwise not have approached her Perhaps most compelling is how many people have told Amy that while they should have been supporting her in keeping a positive attitude she was in fact being the inspiration for them I know I was one of those people I pray for them every day and I know that they do the same for me It is this together with God that will keep us all positive and moving forward whatever the challenges of life that are thrown our way

Christian parents she was blessed with is what made all the difference in her life She knows that without those teachings and lessons in faith she may have given up from the very first day of her diagnosis Cathy had always said she didn't see how any woman could go through breast cancer because she would have to give up her hair and breasts the two main things that make a woman feel feminine It is obvious now that the way a woman gets through this is from the strength given to her by God Only God can carry any of us through the trials we will face in this life and there will always be trials as long as we live on this earth It is this author's hope that this book will give you strength hope faith and the knowledge that your God is always with you and He is waiting for you to seek Him and depend on Him for everything He is as close as our next breath and He is our very best friend Always draw near to God and He will carry you through all things of this world May God bless you as you read and meditate on this book
