The Unknown Vince Delyane Barnett,2016-05-10 The unknown book is formulated on fictional events that can or may have taken place in maybe your life or someone close to you Not in as much as an actual event that has taken place in the reality of this life but in a reality of a life that we have no awareness of But we create our own realities in our own minds based off what we choose to be real and unreal A lot of these choices that we make are based off fear doubt and a nonexistent understanding which allows our narcissism to peak overwhelmingly thereby leaving us with a naked skeletonized truth of who we really are therefore leading us into the place in which I like to call the Unknown
