as churches have become worldly without even realizing it. If these Christians and churches were accused of being worldly, most would immediately be offended and even reject the one who made the accusation. Many Christians choose to determine what is good and evil in their own mind instead of teaching and pointing people to Jesus Christ. Mankind's knowledge of what is good and what is evil comes from numerous worldly sources which program their minds, hearts, and conscience. Many times you will hear people use terms like "he is a good man" when by God's standards, the person's life is a moral disaster. There are some who proclaim that it is evil when a Christian condemns the very things that God has condemned. Author Bio Fred Allen is Senior Pastor of Lee's Summit Baptist Temple in Lee's Summit, Missouri. Pastor Fred has a favorite saying: "Life is hard even if you know what to do, but it is nearly impossible if you don't know what to do." Pastor Fred has a lifelong passion to help Christians understand the Word of God and live effectively for Christ. He has written a multi-level discipleship series which has been translated into numerous languages and used worldwide to build Christians and churches.

Imagining Eden Jamall A. Calloway, 2025-11-25. A number of Black writers have drawn inspiration from the biblical tale of the expulsion from paradise. In this deeply interdisciplinary and poetically written book, Jamall A. Calloway explores the presence of Eden and the aftermath of the Fall in works by James Baldwin, Toni Morrison, Richard Wright, and Alice Walker. In reflecting on Eden, he contends these writers rethought what paradise could mean in the face of the catastrophes of the Black experience. By placing key novels in conversation with major religious thinkers, Calloway shows how Black writers adopted Edenic motifs to rebut orthodox interpretations of Genesis with striking theological implications. He argues that Baldwin's *Giovanni's Room* counters St. Paul's proclamations on the mortification of the flesh; reads Morrison's *Paradise* against St. Augustine's *City of God* as a challenge to the exclusions of the Garden of Eden; investigates Wright's use of Søren Kierkegaard's interpretation of Adam in *The Outsider*; and demonstrates how Walker's *The Color Purple* and Catholic theologian Ivone Gebara offer a radical reconceptualization of the serpent in Genesis. The book concludes with a reflection on Lucille Clifton's poetry. Revealing the richness of Black writers' engagement with theology, *Imagining Eden* is a profoundly original consideration of literature and liberation. God and humanity.

Divine Marriage from Eden to the End of Days Andre Villeneuve, 2021-10-12. In *Divine Marriage from Eden to the End of Days*

Andr Villeneuve explores the mystery of God's love in the Bible and ancient Jewish tradition. Scripture portrays the covenant between God and his people as a divine human marriage spanning through all of human history. For the ancient Jewish interpreters, God married humanity at the dawn of creation in the Garden of Eden, but the union was broken by human sin. The Lord restored the relationship when he betrothed Israel at Mount Sinai, yet the covenant was wounded again with the transgression of the golden calf. The nuptial bond was healed anew, commemorated and reenacted through liturgical worship in Israel's tabernacle and temple. This worship in God's nuptial chamber in turn anticipated the ultimate fulfillment of the divine human marriage in the messianic age at the end of history. The first part of the book explores the marriage through Israel's biblical history in light of ancient Jewish exegesis. The second part unveils the marriage in the ancient interpretation of the Song of Songs and in wisdom literature. The third part reveals how the same symbolism is taken up in the New Testament and applied to the marriage between Christ and the Church.

The Two Outcasts Of Eden Kingsley Chinedum Obi, 2016-01-01

The story begins the age before the beginning of anything when everything was nothing when there was no heaven or earth, time or space, there was no God as there was nothing to rule. It was the age when the Being called God was all alone but engorged with the Food. He ate the Food which consisted of both Evil and Good, of Light and Darkness. The SUPREME BEING exists all alone before the beginning but is engorged with Food which He eventually separates into beings, the Gods of Light, first of whom is named YO, through whom comes his betrothed, a she-man named EL SHEKINAH and zillions of other beings of light. The same Food separates into His faecal waste which becomes Death, through whom comes another set of beings, the Gods of Darkness, starting with LEVIATHAN, all of whom are today called demons, all of whom are later quartered in the large intestine of creation, bathed in darkness, called The EARTH, awaiting the day of their defecation, just like faeces. That they are El Shekinah is given Earth to govern, indeed a betrothal period, but in matrices of cobwebs of events, he becomes corrupt, a corruption instigated by the Gods of Darkness, a means by which they adopt him as their son. And in a huge dose of rage for being spited by Yo, El Shekinah leads the very first war of Darkness against Light, which results into the destruction of the first Earth with its humans, animals, and vegetation, which necessitates its recreation by Yo. And so the praxis that the Biblical Adam, named ISHI in this story, is not the first man recreated and is not the one made in the image and likeness of the Gods, is then explored. This motif brews with the evidence that the White races are the first to be recreated; they are the ones made in the image and likeness of the Gods, attributes that are steeped in the ability to have everything in dominion, the capacity to create things that are both useful and lethal, and the propensity to multiply. They are created by Yo but humanized by the great two Gods, Yo, the leader of Light, and El Shekinah, the evidence of which is seen today in the double helix of man's DNA structure, being two serpents coiled upon a spine. Ishi, the Biblical Aadam, is then formed as a baby but humanized all alone by Yo, who instructs him to be the one to teach true righteousness and true worship to the Whites, the rulers, so they can rule in righteous royalty. Ishi is given a she-man which is named ISHA, who is to be helpmeet to him and not

a wife but he eventually makes her his wife El Shekinah enters into a sexual union with Isha while promising her a worldwide rulership and the resultant pregnancy becomes the biblical Cain who is named ODACHI Eventually Isha herself in keeping to the mandate given her by El Shekinah seduces Ishi into having sex with her in order to corrupt him and in order also to be a ruler sitting upon all men as she is promised by El Shekinah As an aftermath of sex with Isha Ishi is made to hear the consequences of his action and is shown a vision in which he sees El Shekinah emblazoned in the night sky with arms outstretched and two legs joined together a quintessential Cross which depicts sun and moon worship the enigmatic symbol of false worship birthed in all religions through which El Shekinah deceives the whole world into false righteousness and false worship During this exposition he is also made aware of the falsehood that shall descend upon man such as the baking of truth and falsehood as Scripture in all religions people worshipping El Shekinah thinking they are worshipping God in all religions the virgin birth deception the false Jerusalem and false Israel deception the falsehood of one man being made to die for the sin of the whole world and so many others The story then cascades to its end with Yo allowing El Shekinah the lordship of Earth from thence till the end when Darkness just like Faeces becomes expelled a certainty also made known to Ishi by one of the sons of God
