Edgar Degas Dancers And Nudes

Carol M. Armstrong

Edgar Degas Dancers And Nudes:

Edgar Degas Lillian Schacherl, 1997 Edgar Degas was one of the most obsessive painters of the female body in the entire history of art. He produced some six hundred images of ballet dancers alone and the nudes that dominate his late work are scarcely less numerous. The wealth of carefully chosen illustrations in this volume provides a multi-faceted survey of these two aspects of Degas' oeuvre. The iconographical variety of the imagery is complemented by the wide range of media employed by the artist. Oils and pastels, prints and drawings, sculptures all are included here. Lillian Schacherl brings to life the world inhabited by these women. She rejects the interpretation of the images as voyeuristic by the moralists among Degas' contemporaries and by some present-day writers. The artist's intention, she argues, was neither to glorify the glamorous world of the ballet nor to revel in the beauty of the female form. Rather, he sought to capture fleeting moments of classically perfect movement and spontaneous unselfconscious gesture. The author shows that in their synthesis of classical values and more modern artistic concerns, Degas' ballet dancers and late nudes constitute one of the peaks of nineteenth-century art.

BOOK JACKET Title Summary field provided by Blackwell North America Inc. All Rights Reserved *Degas and the Nude* George T. M. Shackelford, Edgar Degas, Xavier Rey, Museum of Fine Arts, Boston, 2011. The nude figure was critical to the art of Edgar Degas throughout his life and yet his expansive body of work on this subject has been overshadowed by his celebrated portraits and dancers. *Degas and the Nude* is the first book in a generation to explore the artist's treatment of the nude from his early years in the 1850s and 1860s through his triumphs in the 1880s and 1890s all the way to his last decades when the theme dominated his artistic production in all media. With essays by leading critics, the book aims to provide a new interpretation of Degas's evolving conception of the nude and to situate it in the subject's broader context among his peers in 19th-century France. Among the scores of reproductions is one of the most important of Degas's early paintings, *Scene of War in the Middle Ages*, which exerted a lifelong influence on the artist's treatment of the female nude and includes poses repeated throughout his career. Also included are monotypes of the late 1870s which illustrate Degas's most explicitly sexual depictions of women in Parisian brothels and pictures portraying the daily life of women wherever they resided. Together these iterations range over more than a half-century of virtuoso achievement and manifest a groundbreaking look at the evolution of this master artist.

Degas, Painter of Ballerinas Susan Goldman Rubin, 2019-04-16 Through Edgar Degas's beloved paintings, drawings, and sculptures, Susan Goldman Rubin conveys the wonder and excitement of the ballet world. Degas is one of the most celebrated painters of the Impressionist movement and his ballerina paintings are among the most favorite of his fans. In his artwork, Degas captures every moment from the relentless hours of practice to the glamour of appearing on stage, revealing a dancer's journey from novice to prima ballerina. Observing young students, Degas drew their poses again and again, determined to achieve perfection. The book includes a brief biography of his entire life, endnotes, bibliography, where to see his paintings, and an index.

Edgar Degas (1834-1917) Jp Calosse, 2019-12-09 Degas was a

French artist famous for his work in painting sculpture printmaking and drawing His career was long and his style unlike that of most famous artists who worked into their old age never ceased developing He is regarded as one of the founders of Impressionism and is especially identified with the subject of dance over half of his works depict dancers such as The Dance Class or the sculpture Little Ballet Dancer These display his mastery in the depiction of movement as do his less common themes of horse racing and female nudes After the Bath His portraits are considered to be among the finest in the history of art His work was strongly influenced by Ingres and Delacroix combining the expressive qualities of Ingres with the colour of Delacroix

Degas' Drawings Edgar Degas, 1973-01-01 One hundred works illustrate the French artist's techniques concerns and delicate style

Edgar Degas, Photographer Malcolm R. Daniel, Edgar Degas, Bibliothèque nationale de France, 1998 Degas's major surviving photographs little known even among devotees of the artist's paintings and pastels are analyzed and reproduced for the first time in this volume which accompanies an exhibition at The Metropolitan Museum of Art The J Paul Getty Museum and the Bibliothèque Nationale de France

Edgar Degas: Drawings in Close Up Annabelle Thornhill, 2015-01-06 Like the Impressionists Degas sought to capture fleeting moments in the flow of modern life yet he showed little interest in painting plain air landscapes favoring scenes in theaters and cafes illuminated by artificial light which he used to clarify the contours of his figures adhering to his Academic training He is especially identified with the subject of dance more than half of his works depict dancers He also was a superb draftsman and particularly masterful in depicting movement as can be seen in his interpretations of dancers and female nudes His portraits are notable for their psychological complexity and for their portrayal of human isolation

Delphi Complete Works of Edgar Degas (Illustrated) Edgar Degas, Peter Russell, 2016-04-27 The prominent Impressionist artist Edgar Degas is widely celebrated for his images of Parisian life and sublime depictions of ballet dancers He was a superb draftsman and masterly in his portrayal of movement while his portraits are notable for their psychological complexity Delphi's Masters of Art Series presents the world's first digital e Art books allowing readers to explore the works of great artists in comprehensive detail This volume presents Degas complete works in beautiful detail with concise introductions hundreds of high quality images and the usual Delphi bonus material Version 1 The complete paintings and pastels of Edgar Degas over 600 paintings fully indexed and arranged in chronological and alphabetical order Includes reproductions of rare works Features a special Highlights section with concise introductions to the masterpieces giving valuable contextual information Enlarged Detail images allowing you to explore Degas celebrated works in detail as featured in traditional art books Hundreds of images in stunning colour highly recommended for viewing on tablets and smart phones or as a valuable reference tool on more conventional eReaders Special chronological and alphabetical contents tables for the paintings and pastels Easily locate the paintings you wish to view Includes Degas drawings and sculptures spend hours exploring the artist's diverse works Features two bonus biographies discover Degas artistic and personal life Scholarly ordering of plates into chronological order Please visit www

Degas Dancers Richard Kendall, Edgar Degas, 1996

He addressed the routine of the practice room the drabness of backstage life the moment of transformation as performers left or entered the stage and the squalid amorous adventures between the ballerinas and the black suited top hatted and often sinister gentlemen who sought their favors after a performance

The Nude Kenneth Clark, 2023-10-17

A landmark study of the nude in art from the ancient Greeks to Henry Moore by a towering figure in art history

In this classic book Kenneth Clark one of the most eminent art historians of the twentieth century examines the ever changing fashion in what constitutes the ideal nude as a basis of humanist form from the art of the ancient Greeks to that of Renoir Matisse and Henry Moore

The Nude

reveals the sensitivity of aesthetic theory to fashion what distinguishes the naked from the nude and just why the nude has played such an important role in art history As Clark writes The nude gains its enduring value from the fact that it reconciles several contrary states It takes the most sensual and immediately interesting object the human body and puts it out of reach of time and desire it takes the most purely rational concept of which man is capable mathematical order and makes it a delight to the senses and it takes the vague fears of the unknown and sweetens them by showing that the gods are like men and may be worshipped for their life giving beauty rather than their death dealing powers Please note All images in this ebook are presented in black and white and have been reduced in size

Stealing the Show John Barelli, 2019-08-22 When he retired as the chief security officer of New York City's Metropolitan Museum of Art John Barelli had spent the better part of forty years responsible not only for one of the richest treasure troves on the planet but the museum's staff the millions of visitors as well as American presidents royalty and heads of state from around the world For the first time John Barelli shares his experiences of the crimes that occurred on his watch the investigations that captured thieves and recovered artwork the lessons he learned and shared with law enforcement professionals in the United States and abroad the accidents and near misses and a few mysteries that were sadly never solved He takes readers behind the scenes at the Met introduces curators and administrators walks the empty corridors after hours and shares what it's like to get the call that an ancient masterpiece has gone missing The Metropolitan Museum covers twelve acres in the heart of Manhattan and is filled with five thousand years of work by history's great artists known and unknown Goya da Vinci Rembrandt Warhol Pollack Egyptian mummies Babylonian treasures Colonial crafts and Greek vases John and a small staff of security professionals housed within the Museum were responsible for all of it Over the years John helped make the museum the state of the art facility it is today and created a legacy in art security for decades to come Focusing on six thefts but filled with countless stories that span the late 1970s through the 21st Century John opens the files on thefts shows how museum personnel along with local and sometimes Federal Agents opened investigations and more often than not caught the thief But of ultimate importance was the recovery of the artwork including Celtic and Egyptian gold French tapestries Greek sculpture and more At the heart of this book there will always be art those who love it and those who take it two groups of people that are far from mutually exclusive

Odd Man Out Carol M. Armstrong, 2003 In *Odd Man Out* Carol Armstrong offers an important study of Edgar Degas's work and reputation Armstrong grapples with contradictory portrayals of Degas as odd man out within the modernist canon he was a realist whom realists rejected a storyteller in pictures who did not satisfy novelist critics a painter of modern life who was not a modernist a member of the impressionist group who was no impressionist Armstrong confronts these and other paradoxes by analyzing the critical vocabularies used to describe Degas's work By reading several groups of the artist's images through the lens of a sequence of critical texts Armstrong shows how our critical and popular expectations of Degas are overturned and subverted This is a reprint of the book first published by the University of Chicago Press in 1991

Impressionism

Nathalia Brodskaja, 2018-03-13 **Edgar Degas: Paintings in Close Up** Annabelle Thornhill, 2015-01-06 Edgar Degas seems never to have reconciled himself to the label of Impressionist preferring to call himself a Realist or Independent. Nevertheless he was one of the group's founders and an organizer of its exhibitions and one of its most important core members. Like the Impressionists he sought to capture fleeting moments in the flow of modern life yet he showed little interest in painting plain air landscapes favoring scenes in theaters and cafes illuminated by artificial light which he used to clarify the contours of his figures adhering to his Academic training. He is especially identified with the subject of dance more than half of his works depict dancers. He also was a superb draftsman and particularly masterful in depicting movement as can be seen in his interpretations of dancers and female nudes. His portraits are notable for their psychological complexity and for their portrayal of human isolation.

Claude Monet: Nathalia Brodskaja, Nina Kalitina, 2015-12-31 With Impression Sunrise exhibited in 1874 Claude Monet 1840-1926 took part in the creation of the Impressionist movement that introduced the 19th century to modern art. All his life he captured natural movements around him and translated them into visual sensations. A complex man and an exceptional artist Monet is internationally famous for his poetic paintings of waterlilies and beautiful landscapes. He leaves behind the most well-known masterpieces that still fascinate art lovers all over the world. In this two-volume illustrated work Natalia Brodskaya and Nina Kalitina invite us on a journey across time to discover the history of Impressionism and Monet a movement and an artist forever bound together. Specialists of 19th and 20th century art the authors shed light on the birth of modernity in art a true revolution responsible for the thriving art scene of the 20th century.
