Saunders,2014-01-10 Beneath the polished surface of the genteel environments delineated in Wharton s fiction characters are competing fiercely for desirable mates questing for social status and resources and plotting ruthlessly to advance their relatives fortunes in life This book identifies these and other evolutionary issues central to her fiction demonstrating their significance in terms of character setting plot and theme Connections to existing Wharton criticism are made throughout the book so that readers can see how an evolutionary perspective enriches refutes or reconfigures insights derived from other critical approaches *Louis Auchincloss* Vincent Piket,1991-06-10 *What a Library Means to a Woman* Sheila Liming,2020-04-28 Examining the personal library and the making of self When writer Edith Wharton died in 1937 without any children her library of more than five thousand volumes was divided and subsequently sold Decades later it was reassembled and returned to The Mount her historic Massachusetts estate What a Library Means to a Woman examines personal libraries as technologies of self creation in modern America focusing on Wharton and her remarkable collection of books Sheila Liming explores the connection between libraries and self making in late nineteenth and early twentieth century American culture from the 1860s to the 1930s She tells the story of Wharton s library in concert with Wharton scholarship and treatises from this era concerning the wider fields of book history material

and print culture and the histories and pathologies of collecting Liming's study blends literary and historical analysis while engaging with modern discussions about gender inheritance and hoarding It offers a review of the many meanings of a library collection while reading one specific collection in light of its owner's literary celebrity What a Library Means to a Woman was born from Liming's ongoing work digitizing the Wharton library collection It ultimately argues for a multifaceted understanding of authorship by linking Wharton's literary persona to her library which was as she saw it the site of her self making
